

Globalization Of News

Oliver Boyd-Barrett, Terhi Rantanen

Globalization Of News:

The Globalization of News Oliver Boyd-Barrett, Terhi Rantanen, 1998-10-26 This book overviews and reconsiders media organizations the news agencies which report and film the news for the press and broadcast media Incorporating institutional historical political economic and cultural studies perspectives the book reviews agency provision of general news video news and financial news analyzes agency state relations through periods of dramatic social upheaval and critically examines the impact of deregulation and globalization on the news agency business Contributors consider how leading players like Reuters and Associated Press help to define the nature of both the Global and the Local as well as focusing on the network of relations between international and national agencies The book also takes into account the attempts by some national news agencies to establish radically different news agendas Demonstrating how the news agencies have contributed both to the process of globalization and simultaneously to the process of national construction this book provides an important critical survey of the contemporary international news business

The Media and Globalization Terhi Rantanen, 2004-12-01 This is a necessary and very original book that really does address the lack of attention to media in previous discussions about globalization James Lull San Jose State University There is practically no globalization without media and communications Yet this relationship is so obvious it is often overlooked Rantanen challenges conventional ways of thinking about globalization and shows it cannot be understood without studying the role of the media This book offers a clear and accessible overview of globalization and the pivotal role of the media an introduction to the concepts and theories of globalization empirical data on the production and consumption of media a methodology for relating individual local experiences to the global picture Rantanen has made this complex and huge subject very accessible by using personal histories and pictures to engage the reader It will be invaluable to students in international media cultural studies communications and international relations

The Globalization of News Oliver Boyd-Barrett, Terhi Rantanen, 1998-10-28 This book overviews and reconsiders media organizations the news agencies which report and film the news for the press and broadcast media Incorporating institutional historical political economic and cultural studies perspectives the book reviews agency provision of general news video news and financial news analyzes agency state relations through periods of dramatic social upheaval and critically examines the impact of deregulation and globalization on the news agency business Contributors consider how leading players like Reuters and Associated Press help to define the nature of both the Global and the Local as well as focusing on the network of relations between international and national agencies The book

Globalization John Beynon, David Dunkerley, 2000 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

THE GLOBALIZATION of news Oliver BOYD-BARRETT, Terhi RANTANEN, 1998 *The Global Dynamics of News* Abbas Malek, Anandam P. Kavoori, 2000 This work seeks to locate the study of news within the contemporary debate about news flow transnational media cultures and globalization It brings together both theoretical

essays and case studies informed by debates about issues of media flow media imperialism and media globalization

Explaining News C. Archetti, 2010-07-05 The book challenges the idea that processes of globalization are leading to an increasing homogenization of news on a worldwide scale by focusing on two defining crises of our time 9 11 and the War in Afghanistan The empirical analysis combines process tracing as well as both quantitative and qualitative content analysis of governmental discourses and news coverage of eight elite newspapers across the US France Italy and Pakistan It develops a new multidisciplinary framework to explain news that brings together previously distinct levels of analysis the micro level of the individual decisions made by journalists the organizational environment of the news organization national social and political contexts the macro level of international relations The book is going to be of interest primarily to academics and researchers postgraduate students across communications media studies journalism politics and international relations as well as journalists media practitioners and officials involved in public communication

How the Market Is Changing China's News Xin Xin, 2012-09-14 This book provides a critical account of the transformations both structural and in terms of journalism practice undergone by Xinhua the top Party organ of the Communist regime in China since the start of the reform age in the late 1970s It sets out to answer a number of key questions How far has the most influential news organization in China been marketized How far has the marketization process changed the way in which Xinhua practices journalism What has the impact of marketization been on Xinhua's relationship with central local and global actors What does the case of Xinhua tell us about the transformation of Chinese media more generally The book draws on a wealth of empirical data derived from a combination of documentary research at Xinhua and Reuters together with more than 100 semi structured interviews with news executives journalists officials and academics in Beijing Shanghai Guangzhou Macau Hong Kong and London This book also offers A critical review of theories of globalization as they relate to media and communication studies as well as Chinese studies A discussion of the historical roots of Party journalism in China An authoritative guide to China's contemporary media and political environment The book will be an invaluable reference for students and academics in communication and media studies Chinese studies Asian studies international studies and development studies

The World News Prism William A. Hachten, James F. Scotton, 2002-04-16 The sixth edition of *The World News Prism* examines how the news media responded to the national crisis of September 11 2001 and how after a decade of looking inward and ignoring news about the outside world frightened and stunned Americans began to take a serious interest in world affairs again and tried to comprehend the threat of terrorism and the complex politics of the Middle East and Central Asia Significant changes in this edition include Discussion of globalization of the world's economy and its relationship to globalization of the media and communication Examination of the continuing and expanding role of the World Wide Web and the Internet in international communication Analysis of the effects of new media on developing regions of the world Insight into specific changes in CNN Associated Press BBC Voice of America network TV news and news magazines

Study of the rising importance of overseas business and economic news media Analyzing the changing role of transnational news media in our evolving globalization and its impact on rapidly changing news events The World News Prism appeals beyond the classroom to journalism professionals worldwide Significant changes in this timely and provocative edition include Discussion of globalization of the world s economy and its relationship to glogalization of the media and communication Examination of the continuing and expanding role of the World Wide Web andf the Internet in international communication Analysis of the effects of new media on developing regions of the world Insight into specific changes in CNN Associated Press BBC Voice of America network TV news and newsmagazines Study of the ring rising importance of overseas business and economic news media Analyzing the changing role or transnational news media on our evolving globalization and its impact on rapidly changing news events The World News Prism appeals beyond the classroom to journalism professionals worldwide

Translation in Global News Esperanca Bielsa,Susan Bassnett,2008-09-29 The mass media are of paramount importance in the formulation and transmission of messages about key developments of global significance such as terrorism and the war in Iraq yet the key mediating role of translation in the reception of speeches and addresses of figures like Osama Bin Laden and Saddam Hussein has remained largely invisible Incorporating the results of extensive fieldwork in key global news organizations such as Reuters Agence France Press and Inter Press Service this book addresses central issues relating to the new pressures on translation arising from globalization analyzing new texts from major news agencies as well as alternative media organizations Co written by Susan Bassnett a leading figure in the field of translation studies this book presents close readings of different English versions of key Arabic texts circulated in Western media to demonstrate the ways in which a cultural and religious Other is framed in different media

News in a Globalized Society Stig Hjarvard,2001-01-01

All News Is Local Richard C. Stanton,2007-05-07 This book is an investigation of the 300 year old model of global journalism used by the Western news media It argues that the framework of localization is fragile and unable to cope with the issues events agents and institutions of globalization that exist and that the current model of news gathering and reporting requires rethinking

When News Was New Terhi Rantanen,2009-04-27 When News was New investigates how news has re invented itself at different historical moments from medieval storytellers to 19th century telegraph news agencies to 21st century bloggers Tracks the evolution of news through history Explores the regular reconstruction of news the salability of news and whether objectivity matters Provides an innovative approach to the history of news clear succinct writing and effective use of photographs maps and tables which have strong appeal to the student reader Offers a new way of understanding news in our history and culture

News and Media Today and Tomorrow Pasquale De Marco,2025-04-06 In an era defined by the digital revolution and the rise of social media the landscape of news and media has undergone a profound transformation This book delves into these changes exploring the challenges and opportunities presented by the digital age for journalists media professionals and society as a whole With insightful analysis

and thought provoking perspectives this book examines the convergence of traditional and digital media the impact of social media on journalism and the changing role of journalists in the digital realm It investigates the power and influence of the media its impact on public opinion and social movements and the ethical dilemmas faced by journalists in the pursuit of truth and objectivity Furthermore the book explores the relationship between media and democracy the role of media in promoting social change and the challenges of covering global affairs in an interconnected world It also examines the interplay between media and the arts the role of media in shaping cultural narratives and the potential of media and art to inspire positive change Through a comprehensive analysis of these issues this book provides a timely and essential examination of the current state of news and media It offers valuable insights for journalists media professionals policymakers and anyone interested in the future of information and communication in the digital age This book is a must read for anyone seeking to understand the evolving landscape of news and media the challenges and opportunities it presents and the implications for society democracy and the future of information If you like this book write a review

An Introduction to the Uses and Diffusion of the News Roger Haney, 2024-10-02 What are the ways audiences use the mass media and what are the gratifications they receive from that usage What functions do soap operas provide for the audience Theories and research dealing with these questions are presented in the first chapter of the text The second chapter concerns how knowledge of news is diffused throughout society followed by how adoption of new innovations is spread Research on the Knowledge Gap as well as the diffusion of public opinion and the Spiral of Silence is presented The final two chapters concern Cultivation Theory and how fear is cultivated in children and adults by both entertainment shows and the news Strategies for reducing such fear are presented Media also cultivate beliefs about society such as perceptions of the amount of crime and risk in society environmental concerns marital expectations and attitudes toward racism and homosexuality A section on International Cultivation is included

Making National News Gene Allen, 2013-01-01 For almost a century Canadian newspapers radio and television stations and now internet news sites have depended on the Canadian Press news agency for most of their Canadian and through its international alliances foreign news This book provides the first ever scholarly history of CP as well as the most wide ranging historical treatment of twentieth century Canadian journalism published to date Using extensive archival research including complete and unfettered access to CP's archives Gene Allen traces how CP was established and evolved in the face of frequent conflicts among the powerful newspaper publishers John Ross Robertson Joseph Atkinson and Roy Thomson among others who collectively owned it and how the journalists who ran it understood and carried out their work Other major themes include CP's shifting relationships with the Associated Press and Reuters its responses to new media its aggressive shaping of its own national role during the Second World War and its efforts to meet the demands of French language publishers Making National News makes a substantial and original contribution to our understanding of journalism as a phenomenon that shaped Canada both culturally and politically in the twentieth century

Digital Transformation in Journalism and News Media Mike Friedrichsen,Yahya Kamalipour,2017-05-03 This book analyzes various digital transformation processes in journalism and news media By investigating how these processes stimulate innovation the authors identify new business and communication models as well as digital strategies for a new environment of global information flows The book will help journalists and practitioners working in news media to identify best practices and discover new types of information flows in a rapidly changing news media landscape **The World**

News Prism William A. Hachten,James F. Scotton,2011-09-07 Fully revised and updated the eighth edition of The World News Prism analyzes the changing role of transnational news media in the 21st century globalized world and its impact on rapidly changing news events Includes a new chapter dedicated to evolving traditional and new social media in Middle East Expands the discussion of news systems in developing nations comparing media growth in India and Africa Explores the impact of digital media on traditional societies Features important updates on the decline of print media in the West and the challenges this poses to global reporting Surveys the latest developments in new media and forecasts future developments

News in Public Memory Ingrid Volkmer,2006 News in Public Memory brings together a team of international experts to investigate the media transmitted history of the twentieth century as it exists in the memories and minds of people living in diverse cultures across the globe This book compares media related childhood memories across three generations in nine countries Results reveal that events of the past century are not only historical facts but have become substantial elements of a new global collective memory that has been integrated into generational identity worldwide The global approach of this research encourages the idea that the world is an interconnected whole but it also helps to advance a better understanding of the different perceptions of global and local news as they emerge from various cultural angles and geographical regions

Foreign News Ulf Hannerz,2012-04-26 Foreign News gives us a fascinating behind the scenes look into the practices of the global tribe we call foreign correspondents Exploring how they work Ulf Hannerz also compares the ways correspondents and anthropologists report from one part of the world to another Hannerz draws on extensive interviews with correspondents in cities as diverse as Jerusalem Tokyo and Johannesburg He shows not only how different story lines evolve in different correspondent beats but also how the correspondents home country and personal interests influence the stories they write Reporting can go well beyond coverage of a specific event using the news instead to reveal deeper insights into a country or a people to link them to long term trends or structures of global significance Ultimately Hannerz argues that both anthropologists and foreign correspondents can learn from each other in their efforts to educate a public about events and peoples far beyond our homelands The result of nearly a decade s worth of work Foreign News is a provocative study that will appeal to both general readers and those concerned with globalization

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Globalization Of News eBooks, including some popular titles.

FAQs About Globalization Of News Books

What is a Globalization Of News PDF? A PDF (Portable Document Format) is a file format developed by Adobe that

preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Globalization Of News PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Globalization Of News PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Globalization Of News PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Globalization Of News PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
