Mystic, Rebel, Saint : José C. Nieto,1979 *The Cross in the New Testament* Leon Morris,2006-11-01 From time to time in the study of theology it becomes necessary to evaluate what Scripture has to say on certain crucial doctrines of the faith Leon Morris one of this generation s most respected evangelical scholars here offers a survey of the vast subject of atonement as it is presented in the New Testament THE CROSS IN THE NEW TESTAMENT explores in turn Matthew and Mark the Lukan writings John the Pauline epistles Hebrews the catholic epistles and Revelation showing what each New Testament scripture contributes to our understanding of atonement While Morris emphasizes the need to appreciate the many strands woven into this doctrine he criticizes the views of modern scholars that do not square with the biblical teaching At the heart of the doctrine of atonement is the idea of substitution Morris believes and his thorough examination and defense of substitutionary atonement make this volume a theological apologetic of great significance Trusted as an exhaustive and reliable work of scholarship for over forty years The Cross in the New Testament remains an invaluable text for serious students of the Bible **St. John Baptist de Rossi** E. Mougeot,1906 *Glory Descending* Douglas Dales,John Habgood,Geoffrey Rowell,Rowan Williams,2018-07-12 MICHAEL RAMSEY 1905 1988 was one of the greatest Anglican archbishops of the twentieth century and a man of spiritual depth who inspired a generation of Christians Evangelical by origin catholic by formation and liberal by instinct Ramsey learned from many traditions and as Archbishop of Canterbury

moved ecumenical dialogue into a new and decisive phase A remarkable spiritual leader he continues to be remembered as both reverent and visionary *Glory Descending* serves both as an introduction to Ramsey s life and as a reader of his key writings The introductory chapter gives an overview of Ramsey s career and explains why he was such a significant figure in recent church history The large selection of Ramsey s writings that follows makes readily accessible the essence of his thought Drawn from all of his works these powerful passages constitute an exceptionally consistent body of spiritual theology and teaching Here we have not just a voice from the past but a prophetic call to holiness and faith in our own times Also included are reflections by leading churchmen and scholars on Ramsey s continuing influence Four pieces by Rowan Williams probe distinctive themes in Ramsey s thought John Habgood and Geoffrey Rowell offer lectures prepared for the centenary of Ramsey s birth Douglas Dales explores the contours of Ramsey s spiritual theology Finally the book has been designed as a companion to the Christian liturgical year making it an invaluable aid to preaching teaching and devotions

Jesus and the Cross David Emmanuel Singh, 2008 The paper in this volume are organized in three parts scriptural contextual and theological The central question being addressed is how do Christians living in contexts where Islam is a majority or minority religion experience express or think of the Cross This is therefore an exercise in listening As the contexts from where these engagements arise are varied the papers in drawing scriptural contextual and theological reflections offer a cross section of Christian thinking about Jesus and the Cross
