## **Glorious Poverty:**

*Glorious Weakness* Alia Joy,2019-04-02 As a girl Alia Joy came face to face with weakness poverty and loss in ways that made her doubt God was good There were times when it felt as if God had abandoned her What she didn't realize then was that God was always there calling her to abandon herself In this deeply personal exploration of what it means to be poor in spirit Joy challenges our cultural proclivity to pull ourselves up by our own bootstraps She calls on readers to embrace true vulnerability and authenticity with God and with one another showing how weakness does not disqualify us from inclusion in the kingdom of God instead it is our very invitation to enter in Anyone who has struggled with feeling inadequate disillusioned or just too broken will find hope This message is an antidote to despair helping readers reclaim the ways God is good even when life is anything but

*The Prophecies and Revelations of Saint Bridget of Sweden* Saint Bridget of Sweden, 2012

Bridget of Sweden 1303 to 1373 also Birgitta of Vadstena. Saint Birgitta was a mystic and saint and founder of the Bridgettines after the death of her husband of twenty years. She was also the mother of Catherine of Vadstena. As a child, she had already believed herself to have visions; these became more frequent and her records of these Celestial revelations, which were translated into Latin by Matthias canon of Linköping and by her confessor Peter prior of Alvastra, obtained a great vogue during the Middle Ages. Her visions of the Nativity of Jesus had a great influence on depictions of the Nativity of Jesus in art. Shortly before her death, she described a vision which included the infant Jesus as lying on the ground and emitting light himself and describes the Virgin as blond haired; many depictions followed this and reduced other light sources in the scene to emphasize this effect and the Nativity remained very commonly treated with chiaroscuro through to the Baroque. Other details often seen, such as a single candle attached to the wall and the presence of God the Father above, also come from Bridget's vision. This edition contains all that is known today of the visions and prophecies of Saint Bridget and most of her prayers.

**The Revelations of St. Birgitta of Sweden** Bridget Morris, 2008-10-07. This is the second of four volumes and it contains Book IV and Book V of the Revelations. Book IV includes some of Birgitta's most influential visions with topics ranging from the Avignon papacy and purgatory to the Hundred Years War. Book V, the Liber Quaestionum (Book of Questions), takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth. The argument centers on the way in which God's providence is constantly misunderstood and rejected by self-centered human beings. The translation is based on the recently completed critical edition of the Latin text and promises to be the standard English translation of the Revelations for years to come.

Marie-Dominique Philippe, 2011-04 The Mysteries of Mary shows how the life of the Blessed Virgin Mary is perfectly and intimately identified with that of her Son It is both a reflection on the most profound moments in Mary's earthly life from the Immaculate Conception to Cana to Pentecost and a systematic approach to the doctrine of Mary's spiritual maternity Mary is the mother of all the faithful because she educates us as a mother showing us through her example her life how we must live the mysteries of faith hope and the growth of charity The early mysteries of Mary's life show us unswerving faith as Mary's soul and flesh are prepared to receive Jesus in the Nativity of the Lord Through trial charity is rooted and grows in Mary's heart until finally that heart is pierced in the mysteries of sorrow At last the hope for the resurrected Lord blossoms in glory Having endured with her Son the agonies of Calvary Mary most immediately and fully experiences His return to life indeed from the first beat of His glorious heart The mysteries of Mary's life are signs that truly point us to the saving grace of Jesus Highly recommended to anyone who wishes to imitate Mary through growth in the theological virtues of faith hope and charity      **The Glory of the Lord** Hans Urs Von Balthasar, 2013-03-28 In this final volume of his great work von Balthasar reflects on the New Testament vision of God's revelation of his glory in Christ This divine appearing is grounded in the self emptying of the eternal logos in the incarnation cross and descent into hell Christ is the man who represents God and is also God he is a symbol of the world and is also the world he dies but in dying rises into the eternal life of God It is in Christ's incarnation and resurrection that the Christian vision is truly expressed and the joining of God and the world in the new and eternal covenant is realised
