**Glynis Has Your Number Wrong** Anonymous, 2013-09-19 Charlatan and numbers fraud The Numbers Ditz Glynis McCants is internationally infamous for having your number wrong Fortunately numerologist to the world Ed Peterson shows you how to calculate your numerology **LOST and PROFOUND** Mark McKirdy, 2015-03-03 LOST and PROFOUND The Rejected Book Reviews by Famous People is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film television journalism science music sport art business politics and literature Included among the reviewers are George W Bush David Letterman Madonna Gore Vidal Shirley MacLaine Arnold Palmer Elton John Gloria Steinem David Suzuki Walter Cronkite Salvatore Sammy the Bull Gravano Jimmy Swaggart and Monica Lewinsky All the books reviewed are real and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought no matter how cleverly expressed As revealed in the book s Introduction Mark McKirdy acquired this collection when he successfully bid for a small dusty box at a Sotheby s auction in 2013 Upon his return to Oxford University where he was the anthropologist in residence he opened the box and like Howard Carter marveling at the treasures he d just unearthed from Tutankhamun s tomb in 1922 the author was holding a golden collection of book reviews by many of the world s most significant people Each review had apparently been commissioned by

the prestigious literary journal The London Review of Books and each for reasons never revealed received a soul crushing rebuff by way of a large red Rejected stamp As with all well written satire LOST and PROFOUND will give readers pause for thought seconds for chuckling minutes of laughing out loud and hours of fun and if the celebrities mentioned in the book didn't actually write the reviews cited they probably wish they had

**Beyond the Mayan Prophecy** Paul Shavelson, 2012-10-30  
Featuring contributors such as John Edward Char Margolis Sandy Anastasia Rick Levine Glynis McCants Mark Van Stone Mary Jo McCabe Gahl Sasson Dr Alicia Tisdale Maggie Kerr Kala Ambrose Mirabai Devi Linda West Derek O'Neill Alan Oken John Holland and Austyn Wells For the past forty years there have been a growing number of people who believe that nothing less than a cataclysmic change is coming in the evolution of Mankind From the dawning of the Age of Aquarius to cosmic forces read Aliens coming to engineer our DNA to the doomsday scenarios triggered by the end of the Mayan calendar there have been those who are sure that the world as we know it is coming to an end And soon But that cataclysmic end has not materialized or has it In 2012 new data was discovered in Guatemala that gives us concrete evidence of a new paradigm concerning the Mayans and their calendar We are now faced with the idea that perhaps we aren't staring at Armageddon but stand in the middle of a 33 year transformative process While the Mayans might have seen a change for humanity it isn't an ending per se And if there is change why does that change need to imply destruction Couldn't it be an opportunity for mankind to assess their place in the universe and engage in a positive rebirth in a new era Beyond The Mayan Prophecy posits that our modern day weakness or confusion can be attributed to a less spiritual way of thinking Perhaps our left side brain thinking has held us back from discovering and accepting higher planetary secrets for centuries To move forward with more balanced understanding Paul Shavelson a multi media story teller and former Executive Producer of the hit psychic television show CROSSING OVER has spent the last decade exploring the world of psychics and mystics Paul has assembled a psychic dream team to decode the past and to predict the future With famed metaphysical experts such as Char Margolis Rick Levine Maggie Kerr Alan Oken and Numerologist Glynis McCants Paul covers everything from alien communication to instant collective thinking The Collective Unconscious being cultivated on the internet The dialogue and interviews will be discussed through sidebars by psychic medium author and TV personality John Edward who also provides the forward and afterword of this provocative subject With positive energy and a willingness to have us think outside the box and a personal journey by the author that brings an unexpected and moving aspect to the experience Beyond The Mayan Prophecy is an entertaining thought provoking work that will let the reader embrace why the second half of this transition could be remarkable and inspiring At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

## **Glynis Has Your Number Introduction**

In today's digital age, the availability of Glynis Has Your Number books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Glynis Has Your Number books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Glynis Has Your Number books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Glynis Has Your Number versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Glynis Has Your Number books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Glynis Has Your Number books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Glynis Has Your Number books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Glynis Has Your Number books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Glynis Has Your Number books and manuals for download and embark on your journey of knowledge?
