Gnostic Ethics And Mandaean Origins:

Gnostic Ethics and Mandaean Origins Edwin M. Yamauchi, 2004 **The Gnostic Imagination** Deutsch, 2023-09-20

The Gnostic Imagination is the first comprehensive study of the relationship between Gnosticism and Merkabah mysticism. It includes an exhaustive analysis of Gershom Scholem's views on the subject, an analytical survey of other secondary literature, and a focused examination of primary sources. The work explores a wide range of topics including myth, exegesis, ascent traditions, and cosmology. Although the main focus is on western Gnostic traditions and Merkabah mysticism, the book also includes relevant material from Mandaeism and from later stages of Jewish mysticism such as German Pietism and Kabbalah. Not only is this volume the first to survey and evaluate the history of scholarship on this complex subject, but it also creates new pathways for future studies by illuminating the crucial methodological and topical issues in the field. *John the Baptist and the Last Gnostics* Andrew Philip Smith, 2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity. Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq. These peace-loving people are now fleeing to the west. They are the last Gnostics, the only surviving remnant of the ancient sects who taught the direct knowledge of God, created their own gospels and myths, and were persecuted as heretical by the church in the second and third centuries. The Mandaeans place weekly river baptisms at the center of their religious life, and the primary exemplar of their religion is none other than John the Baptist. So what is the real history of this mysterious and long-lived sect? Can the Mandaean peoples really be traced back to the first century? And who was John the Baptist? This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West, their place in Islamic countries, their possible influence on the Templars, back to their origins as a first-century baptismal sect connected to John the Baptist and beyond. *The Gnostic World* Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today. These themes are examined across sixty-seven chapters in a variety of contexts from the ancient pre-Christian to the contemporary. The volume considers the intersection of Gnosticism with Jewish, Christian, Islamic, and Indic practices and beliefs, and also with new religious movements such as Theosophy, Scientology, Western Sufism, and the Nation of Islam. This comprehensive handbook will be an invaluable resource for religious studies students, scholars, and researchers of Gnostic doctrine and history. *Pre-Christian Gnosticism* Edwin M. Yamauchi, 2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism. So wrote the author in 1973 in the first edition. With the publication since then of the entire Nag Hammadi library, this observation has become even more incisive. Was there a pre-Christian Gnosticism? Did Gnosticism directly or indirectly influence nascent Christianity? Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles

formed their message about Jesus The author here analyzes the evidence used to support this thesis He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre Christian materials are not clearly Gnostic A new chapter in this paperback edition brings the discussion up to date

The Mandaean Edmondo F. Lupieri, 2001-11-07

The book is made even more valuable by the inclusion of an extensive anthology of translated Mandaean texts complete with notes This collection of writings presents the spiritual world of Mandaeanism with fragments of mythical theological texts and pages of ethical and historical meditations BOOK JACKET

The Ethics of The Tripartite Tractate (NHC I, 5) Paul Linjamaa, 2019-06-07 In The Ethics of The Tripartite Tractate NHC I 5 Paul Linjamaa explores the theoretical foundations and

practical implications of the ethics in the longest Valentinian text extant today As such it is one of the first serious explorations of early Christian determinism The Neo-Mandaic Dialect of Khorramshahr Charles G. Häberl,2009 Neo Mandaic is the only surviving dialect of Aramaic to be recognized as a direct descendant of any of the classical dialects of Late Antiquity The Mandaean who speak it are adherents of a pre Islamic Gnostic sect the only such sect to survive to the present day As such Mandaic may be considered as both a living language of the modern Middle East and also the vehicle of one of the great religious traditions of that region along with Hebrew Arabic and Persian Unfortunately Neo Mandaic is severely endangered and all signs indicate that the current generation of speakers is likely to be the last As a description of an endangered language this work addresses one of the chief concerns of linguists in the 21st century namely the impending loss of the majority of the world s languages and the immense threat to both linguistic and cultural diversity that it represents This grammar is the first account of a previously undocumented dialect of Neo Mandaic and most thorough description of any Neo Mandaic dialect In addition to a description of its phonology inflectional paradigms and morphosyntax it includes a collection of ten texts transcribed and translated as well as a concise lexicon of the vocabulary found within these texts **Heirs to Forgotten Kingdoms** Gerard Russell,2015-12-01 Despite its reputation for religious intolerance the Middle East has long sheltered many distinctive and strange faiths one regards the Greek prophets as incarnations of God another reveres Lucifer in the form of a peacock and yet another believes that their followers are reincarnated beings who have existed in various forms for thousands of years These religions represent the last vestiges of the magnificent civilizations in ancient history Persia Babylon Egypt in the time of the Pharaohs Their followers have learned how to survive foreign attacks and the perils of assimilation But today with the Middle East in turmoil they face greater challenges than ever before In Heirs to Forgotten Kingdoms former diplomat Gerard Russell ventures to the distant nearly impassable regions where these mysterious religions still cling to survival He lives alongside the Mandaeans and Ezidis of Iraq the Zoroastrians of Iran the Copts of Egypt and others He learns their histories participates in their rituals and comes to understand the threats to their communities Historically a tolerant faith Islam has since the early 20th century witnessed the rise of militant extremist sects This development along with the rippling effects of Western invasion now pose existential threats to these minority faiths And as more and more of their youth flee to the West in search of greater freedoms and job prospects these religions face the dire possibility of extinction Drawing on his extensive travels and archival research Russell provides an essential record of the past present and perilous future of these remarkable religions Beyond the Jordan Glenn A. Carnagey,Glenn Carnagey,Keith N. Schoville,2005-02-02 Beyond the Jordan is a collection of essays written to honor the life and labors of W Harold Mare Dr Mare spent much of his academic career as Professor of New Testament at Covenant Theological Seminary in St Louis A man of indefatigable energy broad interests and an unswerving commitment to the Christian faith his research expanded from New Testament interests to the archaeology of that world including ancient

Canaan and Israel as well as the eras following the establishment of Christianity Apart from his work in textual studies W Harold Mare will be remembered for his excavations of Abila of the Decapolis in Jordan yet he also published a study of the archaeology of Jerusalem Thus the title of this volume is ambiguous enough to allow a broad spectrum of topics relative to either side of the River Jordan *The Mandaean* Jorunn Jacobsen Buckley, 2002-11-14 The Mandaean are a Gnostic sect that arose in the middle east around the same time as Christianity What little study of the religion there has been has focused on the ancient Mandaean and their relation to early Christianity Buckley examines the lives and religion of contemporary Mandaean who live mainly in Iran and Iraq but also in New York and San Diego She provides a comprehensive introduction to the religion and shows how its ancient texts inform the living religion and vice versa Dictionary of Paul and his letters GERALD F HAWTHORNE, RALPH P MARTIN, DANIEL G REID, 2020-05-21 The Dictionary of Paul and his letters is a one of a kind reference work Following the format of its highly successful companion volume the Dictionary of Jesus and the Gospels this Dictionary is designed to bring students teachers ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship No other single reference work presents as much information focused exclusively on Pauline theology literature background and scholarship In a field that recently has undergone significant shifts in perspective the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies In depth articles focus on individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul's theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church **Word and Glory** Craig A. Evans, 1993-11-01 Word and Glory challenges recent claims that Gnosticism especially as expressed in the Nag Hammadi tractate Trimorphic Protennoia is the most natural and illuminating background for understanding the Prologue of the Fourth Gospel Scriptural allusions and interpretive traditions suggest that Jewish wisdom tradition mediated by the synagogue of the diaspora lies behind the Prologue and the Fourth Gospel as a whole not some form of late first century Gnosticism Several features of the Fourth Gospel reflect the synagogue and nascent Christianity's struggle to advance and defend its beliefs about Jesus who as God's son and Agent was understood as the embodiment of the Divine Word All of the ingredients that make up Johannine christology derive from dominical tradition refracted through the lens of Jewish interpretive traditions There is no compelling evidence that this christology derived from

or was influenced by gnostic mythology Word and Glory also develops and tests criteria for assessing the relative value of post New Testament sources for the interpretation of New Testament documents **Johannine Christianity** D. Moody Smith,2006-04-01 Brings together ten important essays on the sources setting and theology of the Gospel of John This book provides an overview of the setting for Johannine Christianity and a survey of the different approaches that scholars have used to integrate these three aspects of the gospel **Gnostic Secrets of the Naassenes** Mark H. Gaffney,2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from The Refutation of All Heresies by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed A Refutation of All Heresies in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ s message In fact much of what passes as Christianity has nothing to do with the original teachings of its founder The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus wisdom teachings The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine The teachings involved the awakening of spirit and included practices aimed at restoring the soul s lost connection with God Immanence in the true sense intended by Jesus thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions Guardians of the Gate Nathaniel Deutsch,2023-07-10 This exploration of the phenomenon of angelic vice regency in Late Antiquity compares figures from Judaism Mandaism and Gnosticism The first part of the book is devoted to the question of mediation in Late Antiquity and to the role of exegesis in the formation of vice regent myths The second part of the book examines the Jewish figures Metatron and Akatriel the Mandaean figure Abathur and the Gnostic figure Sabaoth After a final chapter on the types of communities which may have produced these myths the volume concludes with appendices which briefly examine Christian Muslim and Hermetic traditions This volume is especially helpful to those interested in the connections between late antique mythologies and in particular the many parallels between Jewish mysticism and Mandaism *Mercer Dictionary of the Bible* Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus **The Routledge Companion to Early Christian Thought** D. Jeffrey Bingham,2009-12-15 The shape and course which Christian thought has taken over its history is largely due to the contributions of individuals and

communities in the second and third centuries Bringing together a remarkable team of distinguished scholars The Routledge Companion to Early Christian Thought is the ideal companion for those seeking to understand the way in which Early Christian thought developed within its broader cultural milieu and was communicated through its literature especially as it was directed toward theological concerns Divided into three parts the Companion asks how Christianity's development was impacted by its interaction with cultural philosophical and religious elements within the broader context of the second and third centuries examines the way in which Early Christian thought was manifest in key individuals and literature in these centuries analyses Early Christian thought as it was directed toward theological concerns such as God Christ Redemption Scripture and the community and its worship

[A History of the Jews and Judaism in the Second Temple Period, Volume 4](#)

Lester L. Grabbe, 2021-07-29 This is the fourth and final volume of Lester L. Grabbe's four volume history of the Second Temple period collecting all that is known about the Jews during the period in which they were ruled by the Roman Empire Based directly on primary sources such as archaeology inscriptions Jewish literary sources and Greek Roman and Christian sources this study includes analysis of the Jewish diaspora mystical and Gnosticism trends and the developments in the Temple the law and contemporary attitudes towards Judaism Spanning from the reign of Herod Archelaus to the war with Rome and Roman control up to 150 CE this volume concludes with Grabbe's holistic perspective on the Jews and Judaism in the Second Temple Period

Gnostic Ethics And Mandaean Origins Introduction

Gnostic Ethics And Mandaean Origins Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gnostic Ethics And Mandaean Origins Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gnostic Ethics And Mandaean Origins : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gnostic Ethics And Mandaean Origins : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gnostic Ethics And Mandaean Origins Offers a diverse range of free eBooks across various genres. Gnostic Ethics And Mandaean Origins Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gnostic Ethics And Mandaean Origins Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gnostic Ethics And Mandaean Origins, especially related to Gnostic Ethics And Mandaean Origins, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gnostic Ethics And Mandaean Origins, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gnostic Ethics And Mandaean Origins books or magazines might include. Look for these in online stores or libraries. Remember that while Gnostic Ethics And Mandaean Origins, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Gnostic Ethics And Mandaean Origins eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gnostic Ethics And Mandaean Origins full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gnostic Ethics And Mandaean Origins eBooks, including some popular titles.

FAQs About Gnostic Ethics And Mandaean Origins Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gnostic Ethics And Mandaean Origins is one of the best book in our library for free trial. We provide copy of Gnostic Ethics And Mandaean Origins in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gnostic Ethics And Mandaean Origins. Where to download Gnostic Ethics And Mandaean Origins online for free? Are you looking for Gnostic Ethics And Mandaean Origins PDF? This is definitely going to save you time and cash in something you should think about.
