Mike and I and the Great Adventure Darrell Jordan ,2025-04-23 This book is the second installment in a series that consists of two books The initial volume in the collection is titled *State Hospital Number 2* For a comprehensive understanding we strongly advise you to prioritize reading this story before this one What happened in this narrative as the first book is entirely factual and based on real occurrences The events of the tale unfold in the summer of 1968 This account commences with the introduction of the

main character a high school student who encounters an older boy Their meeting sets the stage for our narrative to unfold The antics of these youths while occasionally amusing and humorous sometimes border on the utterly ridiculous and foolish showcasing a range of behaviors from the silly to the downright stupid In a display of their youthful recklessness they chose as many others in this time period to run away showcasing a blatant disregard for the consequences This factual account chronicles their journey from Kansas City to the legendary Haight Ashbury district of San Francisco Considering the widespread social unrest and upheaval that characterized 1968 their choice to join the many thousands of others who chose to withdraw from mainstream society was rational But unlike other teens they decided against dropping out and instead dropped in resulting in an extravagant adventure Throughout their trip they indulged in the finer things in life opting for high end resorts five star restaurants and shopping at top of the line clothing stores to create a truly opulent holiday They traveled from one city to the next in the lap of first class comfort This narrative includes meeting a pair of youthful women at the bus station in downtown Los Angeles who have skipped probation and run away from their homes They re joining these two young men adds another layer to the already complex plot These four runaways successfully embarked on an unbelievably amazing and memorable trip A manhunt engaging the resources of the military the FBI multiple state officials and even Mexican authorities attempts to locate these four individuals Despite repeated efforts to apprehend them they consistently and mysteriously elude all attempts at capture In the waning days of August in 1968 in the city of Chicago Illinois they were taken into custody Their arrest coincided with the highly contentious Democratic National Convention which was a time of intense disagreement and tension within the Party Upon apprehension a search of the girls belongings revealed 32 unique hotel room keys that had been kept as mementos of their travels In addition to other items they had retained airline tickets for eighty four separate flights A substantial number of them were for first class accommodations indicating a pattern of luxury travel In the final accounting they surprisingly found that their expenditures totaled a sum equivalent to 270 000 in today s money They did this within the short time span of a few weeks in the summer of 1968 Embark with them on their incredible and exciting journey filled with unexpected twists and turns Enjoy Darrell Jordan Author
