Not Happy? Get Happy! Elizabeth Schadrack, 2010-10-07

It is my desire to help young people lost in a life that brings them so much unhappiness Drugs and alcohol ware off and must be replaced material things wear out break down and leave you more unhappy than you were before Real happiness comes when you find inner peace its a gift from God cannot be bought or sold never wears out and never needs to be replaced Get a natural high on life and everyday living full of love life and contentment

The Dark Side of Eden Stephen P. Matava, 2012-01-10 What begins as a routine one car automobile accident takes an insurance claims man down a path of mystery in a small New England town He finds no help from the police or the family of the occupants of the vehicle The claims man discovers more than he bargained for when his investigation reveals the crash was not an accident but a well conceived murder The murderer tries to hide the evil plan and resorts to another murder The novel takes us through various lives in the small town where the loyalties are not always on the side of justice The investigator follows his instincts which are not always correct but he solves the crime just as an attempt is made on his life On the surface the town of Newton Crossing is a sleepy little hamlet of hardworking people living in the foothills of the Berkshire Mountains

of Northern Connecticut but under the layer of respectability lives a cross section of the inhabitants who observe their own illegal agenda The claims man wades through the mire and solves the mystery The author has lived within the values of the small town He has also seen the dark side **California. Enjoying the Tune of Phrase: An Emotional Symphony within **Go Blow Your Nose**

In a world taken by screens and the ceaseless chatter of instant interaction, the melodic splendor and psychological symphony created by the prepared term usually diminish into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, set within the pages of **Go Blow Your Nose** a stunning literary value brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this interesting masterpiece conducts readers on an emotional trip, well unraveling the concealed songs and profound affect resonating within each carefully constructed phrase. Within the depths with this touching examination, we can investigate the book's main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
