## **Go Home:**

*Go Home!* Rowan Hisayo Buchanan, 2018-02-19 An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of *On Earth We're Briefly Gorgeous* To be from nowhere is the state of Asian diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of *My Baby First Birthday* Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR.org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub

by their reaction and unsure of himself and his future Webber begins a search for a greater understanding of his artistic identity that takes him deep into New York's hectic social whirl to London with an uninhibited group of expatriates and to Berlin lying cold and sinister under Hitler's shadow He discovers a world plagued by political uncertainty and on the brink of transformation yet he finds within himself the capacity to meet it with optimism and a renewed love for his birthplace He is a changed man yet a hopeful one awake to the knowledge that one can never fully go back home to your family back home to your childhood away from all the strife and conflict of the world back home to the old forms and systems of things which once seemed everlasting but which are changing all the time      **Get Right Church & Let's Go Home** Cassandra J.

Snyder,2008-05-23 **Get Right Church and Let's Go Home** is a book birthed from the spirit of God Just imagine sitting at the foot of the throne with pen and paper and God telling you why He is concerned for the body of Christ Just imagine God allowing you to feel His emotions for His people If you can just picture the cross and the price that was paid and how the price has become so insignificant to the Church then you can understand what this book is designed to accomplish The things written in this book come straight from the word of God The only way to dispute it is to dispute the word the truth I often tell my children that the truth is the truth whether you choose to accept it or not You can analyze it You can show what you think is a better way You can even convince a nation that what you say is true but when Jesus Christ returns and declares the truth that will be it All issues will be settled all arguments will cease all those who are going to heaven will go and all those who are not will go to hell No it is not a damnation and hellfire book It is a book written out of love If God did not love us He would not bother to reach us He could just allow us to continue in this world's deception and end up where many of us are now separated from Him The words get right let us know that it is not too late This book is just a warning to let the Church and the world know that time is not on our side Time is insignificant to God but it means everything to us When time ends it ends Everyone will go to heaven once some to be judged and some to be welcomed home This book is designed to help you get home      **Yes Willie, You Can Go Home** Hazel Fritz,2013 After retiring from the Army W Laird Conrad returns home seeking employment to fulfill his lifelong dream of becoming a history teacher Because of their antics growing up he discovers his boyhood friend Chad carries scars of their wild adolescent behavior With the help of faithful friends the love of his wife and children Laird is able to help Chad It is a story about love of God country forgiveness and determination to not let the mistakes and cruelty of others deter one's ambition in life      **You Go Home Make More Money and Come Back** Edwin
