Johnson, 2000 Offering 365 daily devotions and prayers this gem taps into the inspiration generated by well known and not so well known African American spirituals Each devotion consists of a Negro spiritual that for decades has helped define African American religious culture **The Living Church**, 2001 **Daily Feast:**

Caldwell, Jana Riess, 2013-01-01 Feasting on the Word has quickly become the most popular lectionary commentary series in use today This series of daily devotionals draws from the wealth of writing in the commentaries to present inspirational reflections for each day of the lectionary year Each day of the week contains Scripture passages for the coming Sunday from the Revised Common Lectionary excerpts from the commentaries for reflection a response and a prayer Additional material is provided for each Sunday These handsome volumes are packaged in a soft leather like cover with rounded corners a stamped cover and a sewn in ribbon to help you keep your place Daily Feast is ideal for daily meditation journaling teaching and worship preparation

The African American Church Leonidas A. Johnson, 2006 Waking Up to God's Missionary Call In the pages of this book Rev Leonidas A Johnson eloquently shares how God's missionary call like an aromatic stew has been simmering within the African American church According to him The African American church will play a critical role in spreading the gospel message to people groups living in areas of the world that represent the last strongholds and citadels of satanic power attempting to stop God's Mission Feasting on the Word Lenten Companion David L. Bartlett, Barbara Brown Taylor, Kimberly Bracken Long, 2014-12-31 This new volume in the Feasting on the Word series will serve as an all in one pastor's companion for Lent and Holy Week providing worship materials and sermon preparation tools for both lectionary and nonlectionary preachers In keeping with other Feasting on the Word resources four essays provide theological pastoral exegetical and homiletical perspectives on an Old Testament and a Gospel text for each Sunday A complete order of service is provided for each of the Sundays in Lent plus Holy Thursday Good Friday Holy Saturday and Easter Sunday Hymn suggestions midweek services and children's sermon suggestions make this an invaluable resource for the season of Lent

The African American Pulpit, 2000 *Feasting on the Word: Year A, Volume 2* David L. Bartlett, Barbara Brown Taylor, 2010-10-12 With the twelve volume series Feasting on the Word Westminster John Knox Press offers one of the most extensive and well respected resources for preaching on the market today When complete the twelve volumes will cover all of the Sundays in the three year lectionary cycle along with moveable occasions The page layout is truly unique For each lectionary text preachers will find brief essays one each on the exegetical theological pastoral and homiletical challenges of the text Each volume will also contain an index of biblical passages so that nonlectionary preachers may make use of its contents The printed volumes for Ordinary Time include the complementary stream during Year A the complementary stream during the first half of Year B the semicontinuous stream during the second half of Year B and the semicontinuous stream

during Year C Beginning with the season after Pentecost in Year C the alternate lections for Ordinary Time not in the print volumes will be available online at feastingontheword.net *Lent Through Eastertide* David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God's Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L.
