Your Devil Is Too Big Jeremy Burge,2021-10-26 How do you allow someone or something to become larger than life without knowing it You consciously or unconsciously give it a title that is more grandiose than it deserves As a society this is what we have done with the devil Your Devil Is Too Big takes aim at some of the areas of life in which we have unknowingly allowed the enemy to blind us from truth construct lives that shy away from asking deeper questions and ultimately keep us under his control To understand the battle you must understand the enemy Your devil is too big until you remember that God

is bigger **You Can Truly Be Saved Too - My Spiritual Journey** George Chiou,2022-09-28 Many people looking at the world we live in today perhaps are confused discouraged and even depressed They might find themselves asking some tough questions about life Why is there so much suffering in the world We see serious physical and mental illnesses broken families deadly global pandemics huge natural disasters We see relentless job and financial insecurities abject poverty senseless violence against innocent people and horrific wars just to name a few In fact we human beings are pointing at each other with more than 10 000 nuclear warheads which are more than enough to wipe out ourselves out of existence many times over at the push of a button perhaps by some crazy political leaders In the meantime many lies frauds and evil acts go unpunished Is there any way out of this chaos and madness What is the meaning of life amid all these afflictions What brings real happiness Is it fame and wealth Some talk about God but if a good and just god exists why would that god allow such terrible things to happen Why does that god not stop the calamities now Others advocate that liberating yourselves will bring freedom and happiness But would setting my own rules and caring only about my own interests really work in a human society with billions of people As for religion is it compatible with science How can I even consider Christianity when I saw so called Christians behave so badly that it came across as hypocrisy What about other religions Are they not offering good solutions too What are the differences George Chiou was born and raised in Taiwan When he was 32 while working in the U S he was profoundly transformed from a nominal traditional Christian to a truly born again believer At 46 he quit his good paying job and enrolled in a seminary After graduation Mr Chiou served as a pastor and later on as a college professor In his book Chiou shares his down to earth personal experiences on how he was truly saved and what it is like in his daily life to be free from the fear of helplessness sickness and death and be filled with the peace and the wisdom from Jesus Moreover he will introduce the beliefs of the world s major religions and offer his analyses and thoughts on each faith In addition Chiou will answer many more questions people ask beyond those mentioned here Above all Chiou shares how everyone can truly be saved too if he or she wants to and how one can begin to grow and learn to live a new life that is purposeful hopeful and in fact even joyful despite challenges and difficulties he or she might face in the world Mr Chiou holds a master s degree in business administration and a master s in theology He and his wife of 39 years Margaret live in Florida **Families in Troubled Times** Rand Conger,2020-11-25 This book documents the experiences of rural Iowa families who lived through the farm crisis years of the 1980s in a fashion that might help families of the future cope more successfully with economic reversals The documentation could be used to fashion more effective social policies **Absolutely True Retellings: the Saga of Shamus** Jason DeGray,2009-04-29 Get in the Game Kevin Atlas,2020-02-25 Be inspired by the story of Kevin Atlas formerly Laue whose faith and perseverance helped him become an NCAA Division I basketball player despite being born with only one arm Even before entering the world Kevin Atlas was a fighter He should have died in childbirth as the umbilical cord was wrapped around his neck twice but he survived because his left arm was in the middle of it allowing blood

to flow to his brain But since circulation was cut off in that arm he was born with his left arm ending just below his elbow

GET IN THE GAME is Kevin s story of transformation Moving from anger to joy From embarrassment to confidence From the sidelines and wishing his life was different to getting in the game and showing who he is Kevin s arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less than perfect circumstances whether physical mental or environmental Kevin doesn t encourage readers to simply accept and live with their challenges hurts and losses He spurs them on to believe any weakness can in reality become the one thing that propels them to achieve their greatest potential As Kevin has learned throughout his life you can t win if you don t get in the game
