Go Make Disciples

Dr. Ian Traill

Go Make Disciples:

Go, Make Disciples Peter Varieur, 2016-11-20 The purpose of this book is to assist you in carrying out the commission that was commanded by Jesus Christ before he ascended into Heaven as stated in Matt 28 19 20 Go therefore and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you and lo I am with you always even to the end of the age It will help you to be more effective in praying for the sick and setting the captive free just as Jesus and the Apostles did *This Is My Story* Paul

Beasley-Murray, 2018-06-28 *This Is My Story* is an unusually fascinating account of one man's life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader

Ongoing Conversion: From Good to Better Fr. Henry J. Charles, 2014 This book is a compilation of homilies of Fr Henry Charles composed and delivered over a period of at least twenty years The homilies were written out and were eventually typed up and it is possible that Fr Henry had himself thought about publishing them though we do not know this for sure While many persons were privileged to receive emailed copies and others actually heard his preaching the homilies were thought to be deserving of a wider audience The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance courage and discipline critical elements of the process he terms ongoing conversion In addition Fr Henry advocates moral excellence not settling for the merely moderate or the mediocre but striving always to be perfect Fr Henry faces up to and wrestles with the perplexities of the Gospel and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes and that as a consequence we are required to see things from a different perspective not as we are normally inclined to see them but as God sees them The homilies have been arranged thematically On God On Jesus What Jesus Calls Us To Be What Jesus Calls Us To Do Faith Hope Love Loss Suffering Death and Heaven Virtues and Vices Human Dignity Spirituality Church Liturgy and Ritual and Culture Society and Leadership There is of course considerable overlap among the various themes The subjects he refers to and the examples he gives are contemporary and relevant not only to a Caribbean audience but we think to audiences globally The style is informal and conversational for the most part and this quality of the writing has been maintained The homilies have been edited for clarity and for obvious errors and omissions in the transcripts and some have been retitled but they have otherwise been reproduced and stand as he wrote them Pastoring Men Patrick

How To Conduct Discipleship Training Rufus McDowell, D. Min., 2022-03-09 Leadership Training In Discipleship For Christians With Prior Drug and Alcohol Dependence This book is resultant of my Doctor of Ministry Research Project providing a means for leaders and teachers to learn dynamics to disciple Christians that had prior drug or alcohol dependence Before implementation of this dissertation I discovered that there was not a definitive manual to train individuals to facilitate or conduct discipleship programming exclusive and conducive to this group This book is not only meant to be academic the intent is to offer concise information and instruction to aid ministers pastors church laity and others delivering drug and alcohol rehabilitative pastoral care Further usage will aid participants in traditional church institution chaplaincy prison workplace and other faith based settings Fundamentally this book insinuates spiritual social and emotional suggestions for anyone desiring development in both personal and spiritual formation In addition this book will equip you with biblical principles and modalities to teach holistically These standpoints entail examination of a biblical philosophy of discipleship centered on the Great Commission and Great Commandment in developing a comprehensive strategy involving a theological and practical study and teaching approach Throughout this study a small group format is emphasized for training and evaluation giving particular attention to Christ's model of discipleship with regards to facilitating and coaching This book will aid in revealing that the culture of the church consists of a unique group of Christians some whom have abused drugs or alcohol served time in prison and misunderstood in church ministries

Back cover **the "_____ " disciple** Johnny Titus Cerilli, 2020-11-05 There are many books and teachings about what a disciple is and how to become a disciple etc There are many outlines guides steps classes courses and programs in churches to help in that process JC have been through many of them and all of them felt like work or performance Of course if you throw in the Holy Spirit roles it seems like all will be well But honestly are all these things really working Are our churches now filled with mighty men of GOD filled with the Spirit of God disciple making sons of GOD On August 12 2012 after sharing at a men's breakfast at his church about being Jesus's disciple he felt confused and disappointed Since his main study and passion was living as a doulos slave of God how does this all tie in together Then by the Holy Spirit he saw it to be the Lord's disciple you first must become His willing obedient slave And that's how he came up with the title of this book By filling in the blank with the missing ingredient Slave bondservant one who was in a permanent relation of servitude to Him GOD

Dodson,2022-03-03 A Gospel Rich Reproducible Model for Making Disciples as Jesus Intended Biblical discipleship emphasizes encouragement repentance and spiritual growth essential parts of the Christian life However well meaning believers often struggle to follow Jesus unaware their views are too legalistic licentious or individualistic How can churches and Christians develop a healthy successful path to disciple making In this second edition of Gospel Centered Discipleship Jonathan Dodson presents an effective Spirit led model for sanctification Reminding readers that real discipleship is imperfect yet transformational Dodson encourages Christians to engage more authentically with others as they grow in faith Drawing from his own failures and successes while following Jesus Dodson defines discipleship describes the heart of a disciple and gives practical guidance for

Zemek,2005-09-19 **The Living Hope: Meditations on Easter** David Elston,2016-02-28 Two thousand years ago there was a man who wrote no books created no art ruled no country won no battle and invented no technology He was born in a stable to a teenage mother and her poor husband He lived in obscurity for thirty years as a carpenter until he began a ministry that lasted three meager years until he was falsely accused as a criminal and put to death on a Roman cross So why two thousand years later are we still talking about him Why are the world s museums filled with paintings of him Why do people still gather every week to hear stories about him Why is his face still seen on magazines Why are there entire libraries of books written about him Because this man came back from the dead I have not written this book convince you of that I have written this book first to tell you the story of this man Jesus Christ and the events surrounding his death and resurrection and second to tell you the implications of his resurrection are if it really happened *Living in Christ's Presence* Dallas Willard,2013-12-26 Dallas Willard explores what it means to live well now in light of God s kingdom This book is adapted from the talks given at the February 2013 Dallas Willard Center Knowing Christ Today conference Each chapter is followed with an illuminating dialogue between Dallas Willard and John Ortberg A Handbook of New Testament Exegesis Craig L.
