Go To Heaven:

Go to Heaven Fulton Sheen, 2017-08-07 Why is it asks Bishop Fulton Sheen that one hears so often the expression Go to hell and almost never the expression Go to heaven Here at his most penetrating challenging and illuminating best is Bishop Sheen with his answer in a book that breathes new meaning into the truths about heaven and hell and new life into the concepts of faith tolerance love prayer suffering and death Beginning with The First Faint Summons to Heaven Sheen shows how unpopular it is today to be a true Christian and describes the struggle for living our faith amid the disorders of our times Keenly aware of evil in the myriad forms it takes in today s world Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character pride avarice envy lust anger gluttony and sloth linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians In Go to Heaven a great spiritual teacher and writer deeply aware of the human and spiritual conflicts being waged in the world shows us the way to heaven in a most eloquent book encouraging the reader to choose heaven now and to understand the reality of hell

The Resurrection and Immortality William West, 2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
