**Heaven Has No Ground** Hana Andronikova, 2023-11-14 Heaven Has No Ground is the fierce intimate story of Ama a young woman who is reckoning with the death of her father when she receives her own cancer diagnosis and contrary to the wishes of family and friends decides to seek alternative treatments rather than conventional chemotherapy and radiation While this book was published as a work of fiction to great acclaim in the Czech Republic it follows very closely the life story of its author Hana Andronikova who wrote the book during a period of optimism in her own battle with breast cancer Much like Hana Ama travels the world to find guidance and healing going to Peru to consult a shaman and receive the Amazon's wisdom to communities of Christian believers and Native Americans in the Nevada desert and to the holy sites of Israel Using striking metaphors and intensely emotional language in journal entries emails and narrative fragments Andronikova takes us with her on a remarkable journey as she comes to grips with her human limitations and celebrates her place in the circle of life

*Don't Make a Scene* Valerie Block, 2008-12-18 As Diane Kurasik nears the rapids of her fortieth birthday it seems her world is taking on the bittersweet tones of a life change comedy from the 1970s something starring Glenda Jackson or Jill Clayburgh The director of a Greenwich Village revival house cinema and a single woman who has watched everyone else move on Diane is reminded daily of her status and her limitations Clearly there is some lesson she was supposed to have learned by now but what it is continues to elude her Vladimir Hurtado Padr n has troubles of his own Although he fled Cuba a decade earlier he still can't convince his estranged wife in Havana to grant him a divorce When Diane meets and falls for Vladimir he is up front about the stalemate in his personal life letting her make her own decisions Diane considers the minor role he has to offer and wonders Would Ingrid Bergman put up with this An eviction notice jolts Diane out of her home and her routine aren't all New York stories ultimately about real estate Diane shuttles between the couches of friends and family dodging advice and criticism in equal measure and touring countless fatally flawed Manhattan apartments Meanwhile Vladimir refuses to succumb to nostalgia as he deals with the exile's dilemma What happens when you can't go home Then an unexpected visitor from Vladimir's past arrives on the scene and

becomes captivated by Diane just as her ardor for Vladimir is cooling Diane considers returning his affections and wonders if she's lost her mind An unabashed valentine to cinema Don't Make a Scene is a sparkling witty novel that asks Do movies satisfy the yearning or merely fan the flames Valerie Block uses tart humor and a deceptively light touch in this fiercely intelligent look at how the movies shape and haunt us and what happens when the eternal allure of classic movies collides with the daily indignities of contemporary life Don't Make a Scene is a refreshing comedy about finding fascination irritation and joy in unexpected places *Go Vertical!* Rico Racosky, 2003 Country Life, 1911 **Country Life in America**, 1916

**Another Kind of Madness** Ed Pavlic, 2019-03-12 An ode to Chicago Kenya and soul music as humanity's worldwide hum a remarkable and groundbreaking novel Colorado Review Ndiya Grayson returns to her hometown of Chicago as a young professional but even her high end job in a law office can't protect her from half-repressed memories of childhood trauma One evening vulnerable and emotionally disarrayed she goes out and meets Shame Luther Luther is a no-nonsense construction worker by day and a self-taught piano player by night The love story that ensues propels them on an unforgettable journey from Chicago's South Side to the coast of Kenya as they navigate the turbulence of long buried pasts and an uncertain future A stirring novel tuned to the clash between soul music's vision of our essential responsibility to each other and a world that breaks us down and tears us apart Another Kind of Madness is an indelible tale of human connection In prose by turns lyrical and mesmerizing Pavlic taps deeply into what it means to be Black in America tossing in some surprising narrative tricks along the way Booklist **Department of Defense appropriations for 1987** United States.
