Lissoni, 2017-06-26 The bantustans or homelands were created by South Africa's apartheid regime as ethnically defined territories for Africans Granted self governing and independent status by Pretoria they aimed to deflect the demands for full political representation by black South Africans and were shunned by the anti apartheid movement In 1972 Steve Biko wrote that politically the bantustans are the greatest single fraud ever invented by white politicians With the end of apartheid and the first democratic elections of 1994 the bantustans formally ceased to exist but their legacies remain inscribed in South Africa's contemporary social cultural political and economic landscape While the older literature on the bantustans has tended to focus on their repressive role and political illegitimacy this edited volume offers new approaches to the histories

Memorials of Missionary Labours in Western Africa William Moister,1866 **The Church at War** Kilton Moyo,2014-03-04 The Church at War is an interesting book that seeks to inspire believers into practical works that can transform communities In this book the author is calling the Body of Christ back to its fighting faith and calling in order to manifest the love and the kingdom of God in the communities that are afflicted by so many issues The church seems to have gone to sleep and to be sidetracked by other doctrines that could be a deception and a way of making the whole church lukewarm and not effective The book reminds the church that the gospel of Jesus Christ is confrontational in its nature and focuses and requires a church that has a great appetite to engage therefore Kilton calls on the church to put on a warrior attitude and resist the schemes of the devil imposed on the communities in the nations *Christian Students and World Problems* Student Volunteer Movement for Foreign Missions. International

Convention,1924 **The Hallelujah Side** Rhoda Huffey,2012-06-12 It had been a Second Coming sky all day which meant they might be in heaven by this evening So begins the uproarious and tender tale of Roxanne Fish daughter of Sister Zelda Fish and Pastor Winston Fish of the First Assembly of God Church of Ames Iowa who believe fervently in the imminent return of Jesus to take the Christians up to heaven The Fishes older daughter Colleen wants no part of their exuberant faith Where are you going young lady To find my real family but Roxy longs to be saved even as she fears her sinful desires such as marrying Elvis Presley when she grows up If she grows up Roxy lives in a world populated by angels with blue noses and demons who follow her around whispering God doesn t like you And sinners sinners everywhere easily identifiable by their makeup and capri pants and knowledge of television programs Her soul s journey through this wicked world to her own particular salvation with an assist from the Queen of Soul herself Aretha Franklin is unforgettable Rhoda Huffey s affection for her characters shines in every line She handles large themes with a sure hand perfect comic timing and an utter originality that make The Hallelujah Side a joy
