Rethinking Teaching is based upon one very simple idea teachers teach people That very simple idea is expressed as Teachers as Collaborative Leaders Teachers wishing to redefine how they work in the classroom must focus on three key ideas 1 They must build and maintain relationships with and among their students 2 They must view Content as the foundation for personal learning not the end product and 3 When people change and learn they get to keep much of what they already know and can do Veteran teacher Mickey Kolis provides the background information to implement those three key ideas as well as skills to make them work in the classroom He also offers a mechanism to manage that change process a 3 changes in 30 days model **See Jane Hit** James Garbarino,2007-01-30 From one of America s leading authorities on

juvenile violence comes a groundbreaking investigation of the explosion of violent behavior in girls With *Lost Boys* James Garbarino became our foremost explicator of violent behavior in boys Now he turns his attention to its increasing incidence in girls Twenty five years ago ten boys were arrested for assault for every one girl Now that ratio is four to one and dropping Combining clinical experience with incisive analyses of social trends Garbarino traces the factors many of them essentially positive behind the epidemic girls increased participation in sports and greater comfort with their physicality but also their lack of training in handling aggression See Jane Hit goes beyond diagnosing the problem to outline a clear eyed

compassionate solution Federal Register ,1999-07-14 **Women and Sport** Ellen J.
