

The striker has seven balls to go 1v1 with the goalkeeper - the ball is in play when the striker gets into the penalty area.

The goalkeeper must come off his line and try to smother the ball before the striker can take a shot.

Once the ball has been played the goalkeeper must race back to touch his goal line and then defend another ball.

The attacker must race to the next ball and quickly get it into play to try to beat the keeper.

If you have two keepers, remove the net and run back-to-back sessions.
