

BOOK II BIOGRAPHY OF GOD

Everyone operates on a different degree of bible understanding, and this book aims to increase our awareness of God. And when our awareness increases, so will our faith in Him.

If a book could grow wings and fly into the heavens, then this book would. It would land before the throne of God, bow before our great Creator, and seek His approval concerning his incredible biography.

Indeed, this book endeavors to reveal a portion of His excellent and eventful biography. And because the word of God is the beautiful pinnacle of importance, I believe the stories written in this book will increase our faith in Him by many folds.

Furthermore, after you read the words of this book, your awareness will increase to the level of the angels. And I am sure many of the mysteries you seek to know will be answered.

This unique and rare book purposely focuses on supernatural miracles accomplished by God. And His miracle accomplishments are essential to understand before we can understand the Creator God of Heaven and Earth.

Positively, after reading this book, a mustard seed will not compare to the faith you'll ascend to in your daily walk. And when the mustard seed is tiny compared to your faith, you'll move mountains and be stronger than the mightiest oak tree.

If this book has one advantage to its storytelling, it will increase awareness of God. It's also a fact; that the level of our understanding cannot grow unless the love of God overwhelms our hearts.

Indeed, the supernatural things He accomplishes should be understood and recognized as God-made remarkable things. And we should seek to know and understand the characteristics of God; and we can know Him well simply by the details of His story examples.

Because His works are a picture of Him without revealing a face, we can know Him by knowing His supernatural works. And there's no other way to know God than through His revealing word. And it's necessary to know that His excellent word and unique works perfectly portray His character.
