*God Among Us* Edward Schillebeeckx, 1983      *Eschatological Hermeneutics* Daniel Minch, 2018-09-20 Eschatology is the foundation for exploring Edward Schillebeeckx's work Daniel Minch provides an in depth analysis of his hermeneutical theology informed by access to original texts previously unavailable in English He examines the historical and doctrinal origins of his methodology hermeneutics as human experience and the continuing relevance of the approach for today's socio economic context Today economics drives our predictions for the future But Minch shows that Schillebeeckx's work reminds us of a new image of humanity as well as a new image of God part of the Catholic shift to a future oriented theology of hope that took place after the Second Vatican Council These resist both economic logic and fundamentalist views of God and history that have become pervasive in popular notions of Christianity      **Foundations for Preaching and Teaching®:**
