## **God And His People Unfolding Story:**

*God's Unfolding Story of Salvation* Heather A. Kendall, 2012-06-12 No one can appreciate the size or shape of a forest without flying over top to view the big picture The Bible is like a forest and individual books are similar to trees Studying small portions of Scripture is worthwhile and necessary Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ centered Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament There is much more to the story than that In the Old Testament the Holy Spirit also points to Christ through preparation for his birth pictures or types and anticipation Since God's story ultimately affects each one of us it is worth the time and effort required to understand it If you do this you will discover a pearl of great value Forgiveness of sin and reconciliation with God are the greatest needs of everyone past present and future This redemption story brings glory to God and benefits believers

Dispensationalism and the History of Redemption D. Jeffrey Bingham, Glenn R. Kreider, 2015-08-25 Top level scholarship on an enduring tradition Dispensationalism has long been associated with a careful trustworthy interpretation of Scripture Reflective of its past and present status and strategic to its future Dispensationalism and the History of Redemption is a fresh defense of a time tested tradition Made up of ten essays from leading dispensationalist scholars this volume covers the critical elements to know An introduction to dispensationalism including its terms and biblical support The history and influence of dispensationalism from its roots in John Nelson Darby to its global reach through missions The hermeneutic of dispensationalism the interpretive principles behind the system Dispensationalism and redemptive history the story of salvation traced through the Old and New Testaments including their unity and diversity in relation to Christ Dispensationalism and covenant theology a comparison and contrast between two main evangelical perspectives on Scripture's unity With contributors from top tier schools like Dallas Theological Seminary and Wheaton College Dispensationalism and the History of Redemption is an expert treatment of an enduring yet developing tradition

*Just Ask* J. D. Greear, 2021-08-01 Making prayer a delight not a duty Prayer can be a struggle Sometimes we don't think it will make a difference or we rely on ourselves or we're just too busy And even if we do pray regularly it can feel more like a duty than a delight J D Greear shows us how prayer was a non negotiable daily staple in Jesus' life more essential to him than eating or sleeping and therefore why we need to pray as well He shows us how we can enjoy the same source of power as our Lord and the early church when we learn to just ask and depend on our heavenly Father as they did Giving specific practical tips for getting on with prayer in everyday life this book leaves readers wanting to pray rather than just feeling that they ought to In his introduction Pastor J D says Prayer is not a religious task to accomplish it's an invitation to lay your burdens down at Jesus' feet to share your heart with him and to be with the one in whose presence is the fullness of joy and at whose right hand are pleasures forevermore Psalm 16 v 11

*Attentive Church Leadership* Kevin G. Ford, Jim

Singleton,2024-04-02 The world has changed and we minister in places we have never been in before As the world screams for our focus it s essential to become attentive to God our congregation and our community Kevin Ford and Jim Singleton call for attentive churches with attentive leaders to discern cultural and organizational change and pivot accordingly Canon, Covenant and Christology Matthew Barrett,2020-02-20 All Scripture is breathed out by God 2 Timothy 3 16 From Paul s epistles the divine inspiration of Scripture may be confidently affirmed as well as its corollary attributes However on turning to Jesus and the Gospels it is hard to find an explicit approach like Paul s Matthew Barrett argues that Jesus and the apostles have just as convictional a doctrine of Scripture as Paul or Peter but it will only be discovered if the Gospels are read within their own canonical horizon and covenantal context The nature of Scripture presupposed by Jesus and the Gospel writers may not be addressed directly but it manifests itself powerfully when their words are read within the Old Testament s promise fulfilment pattern Nothing demonstrates Scripture s divine origin divine authorial intent and trustworthiness more than the gospel of Jesus Christ In the advent of the Son of God the Word has become flesh announcing to Jew and Gentile alike that the covenant promises Yahweh made through the Law and the Prophets have been fulfilled in the person and work of Christ **Christocentric Preaching Meets the Historical Jesus** Devon Duffield,2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric **Through the Valley** Jeff Wisdom,2011-09-14 A diagnosis of a stage IV cancer is quite a jolt for any family This is the news that came to Jeff Wisdom a husband and father in his mid forties When the diagnosis of an advanced cancer comes to a family it can challenge faith and hope Through the Valley is a biblical theological reflection on suffering It details what Scripture says about suffering and what God has promised both now and in the future It draws comfort and encouragement from some

lessons learned And it acknowledges and wrestles with some unresolved questions and issues Jeff s reflections as one who has endured cancer and chemotherapy help to bridge Scripture s message and the experience of living with a deadly disease Excerpts from his wife s journal are included to provide a window into this walk in a dark valley This book does not address every aspect of the Bible s teaching on suffering but it makes an important contribution to the topic of the suffering that comes seemingly unexplained as the result of living in a fallen world

**Intuitive Leadership (ēmerision: Emergent Village resources for communities of faith)** Tim Keel,2007-10-01 As our culture shifts from modern to postmodern pastors and church leaders are finding that old rigid church leadership systems and structures no longer seem to work Church leaders are searching for and discovering new creative ways of leading emphasizing intuition creativity narrative and an embrace of the chaos and tension of our time Tim Keel pastor of a thriving emergent church and a rising leader in the emergent church movement offers a thought provoking yet practical exploration of this new style he calls Intuitive Leadership His fresh approach will be welcomed by pastors and lay leaders interested in the emergent conversation and how Christian mission should look in our rapidly changing culture

*Engaging Theology* Ben C. Blackwell,R.L. Hatchett,2019-10-29 Theology today is faced with increasing amounts of religious and theological pluralism What is distinctive about Christian theology Why do these ideas matter And the biggest question of all Who cares Key aspects of orthodox theology are seen as speculative and irrelevant to authentic Christianity and to personal spirituality While not succumbing to the pragmatism of the age this book shows that key elements of Christian theology ground an integrated worldview and are essential for spiritual formation Engaging Theology is an introductory theology textbook that grounds a treatment of standard systematic topics in the wider context of life and practice and shows the relevance of each doctrine to the church The book treats the essential doctrines of Christian orthodoxy by following the pattern of story doctrinal exposition theological relevance and spiritual relevance Story Each chapter begins with a brief and engaging account of the historical situation out of which the doctrine arose or where it played an essential role in the development of the church showing students that orthodox theology matters and introducing them to most of the key theologians in the history of the church Doctrinal Exposition The heart of the chapter is exposition of key elements of the doctrine highlighting core and debated elements while clarifying heterodox perspectives Integrated with the narrative account this section also models the contextualized nature of theology Each chapter includes biblical historical and contemporary views on the issue and notes key figures in the debates and their influence Theological Relevance While theological relevance is clear throughout each chapter this section highlights relevance to the modern setting and concerns including interaction with heterodox and non Christian faiths It identifies current theological problems besetting the church and shows how a proper understanding and integration of orthodox theology addresses these problems It also points to other problems the church is facing for interesting discussion starters Spiritual Relevance Since orthodox theology has a direct influence on one s own spiritual

formation and practice each chapter concludes with practical encouragements and discussions about how each doctrine can be integrated in one's personal and corporate life Engaging Theology is ideal for students and everyday people living in a post Christian era to help them seriously engage with the Christian faith

Book Jacket [The Whole Gospel for the Whole World](#) Franklin Pyles, Lee Beach, 2016-10-03 Like most Protestant denominations the Christian and Missionary Alliance CMA was founded upon ideas that shaped its vision and ethos throughout its history Also like most denominations over time the influence of these ideas on the movement tends to diminish Denominations like any organization have to consistently revisit their original vision in order to remain vitally sustained by those things that gave it a reason for existing in the first place This book addresses six key ideas that have shaped the Christian and Missionary Alliance throughout its history Jesus as our savior sanctifier healer and coming king which are known as the fourfold gospel as well as the concepts of Jesus only and world mission These ideas are at the heart of the CMA identity However there has long been a sense within CMA circles that these core ideas are not always given the kind of attention that they deserve so that they can dynamically shape the movement as it faces the challenges of being the church in the twenty first century This volume is a resource for Alliance churches that will help them re engage with the central tenets of Alliance theology and spirituality in a way that will ultimately inspire greater passion for the cause of Christ in the world as it is uniquely expressed through the movement known as the Christian and Missionary Alliance

Porter, Cynthia Long Westfall, 2012-10-26 The church is one of the most intriguing and significant institutions on earth Because its essence and character are so widely misunderstood this is a timely book The church is not a mere human institution though it is made up of human beings in community Its roles and responsibilities are momentous but all the elements of its organization came about as the church developed and attempted to fulfill its divine mandate not as forms given at its founding These papers from a Bingham Colloquium at McMaster Divinity College treat the church then in studies of the church in the various parts of the New Testament canon followed by a historical study of the church under attack in places where it did not survive The latter part of the book contains essays by several church practitioners from now who discuss their insights about and experiences with postmodern society home churches megachurches and the missional church Such a combination of biblical theology history and practice makes this a valuable book for scholars and practitioners in fact for all thinking members of the church founded by Jesus Christ **The Books of the Bible** David Alouidor, 2022-08-05 God used to talk to the prophets before Now He talks to us by His words Let us follow His words by learning them practicing them in our lives *ESV Global Study Bible* Crossway Bibles, 2012 The *ESV Global Study Bible* is a one volume study resource for globally minded Christians everywhere It has been designed to be highly accessible and priced for distribution on a global scale **The Blessing of Ephraim and Manasseh** Ahmed Musa, 2024-12-14 The blessing of Ephraim and Manasseh is not just a story of two sons being blessed by their grandfather it is a moment that encapsulates the very nature of God's relationship with His people It speaks to the ways in which God's blessings often defy human expectations and it is a reminder that the future of God's people is not determined by human standards but by divine will This blessing is a pivotal moment that reflects the heart of God's covenant with Israel a covenant that would carry through the generations through moments of prosperity and failure and ultimately find its fulfillment in the coming of the Messiah **A Promise of Hope: Micah Foretells Bethlehem** Ahmed Musa, 2024-12-09 In *A Promise of Hope* journey back to a time when darkness clouded the future and a small humble town was named as the birthplace of salvation This book beautifully retells the prophecy of Micah the prophet who foretold that Bethlehem seemingly insignificant among the clans of Judah would become the cradle of the greatest hope the world has ever known Through vivid storytelling discover the faith and courage of Micah as he delivers his message the hope it inspired in the hearts of the faithful and the profound fulfillment of this promise centuries later with the birth of Christ This inspiring tale weaves themes of faith hope and divine providence reminding readers of God's power to use the humble and overlooked to accomplish extraordinary things Perfect for those seeking a deeper connection to the Christmas story and the enduring hope it brings to all
