God And The Gun

C. L. Crouch, Christopher B. Hays

God And The Gun:

God and the Gun Martin Dillon, 1998 Astonishing and terrifying in its revelations this work is the first of its kind to examine the role of religion in Northern Ireland by talking directly to those involved to the churchmen and the terrorists It shows how religious conditioning and history lead inexorably to violence and exposes the shocking role of British Intelligence in the conflict

God and Guns C. L. Crouch, Christopher B. Hays, 2021-11-02 Using the Bible as the foundational source and guide while also bringing contemporary sociological data to the conversation seven biblical scholars and theologians construct a powerful dialogue about gun violence in America concluding that guns are incompatible with the God of Christian Scripture God and Guns is the first book to argue against gun culture from a biblical studies perspective Bringing the Bible into conversation with contemporary sociological data the volume breaks new exegetical and critical ground and lays the foundations for further theological work The scholars assembled in this volume construct a powerful argument against gun violence concluding that a self identity based on guns is incompatible with Christian identity Drawing on their expertise in the Bible's ancient origins and modern usage they present striking new insights involving psychology ethics race gender and culture This collection carefully edited for clarity and readability will change conversations and our culture Contributors include T M Lemos David Lincicum Shelly Matthews Yolanda Norton Brent A Strawn

God and Guns in America Michael W. Austin, 2020-05-12 What if Christians did more than offer thoughts and prayers in response to gun violence Ethicist Michael Austin argues from a biblical but nonpacifist perspective that we can impose firearms restrictions to make our society safer and less fearful while still respecting the rights of gun owners God and Guns in America is a thoughtful measured and articulate treatment of a polarizing topic that is too often treated with more heat than light

God, Guns & Rock'N'Roll Ted Nugent, 2001-08-14 Rock and Roll legend Ted Nugent contends that a lot of what is wrong with this country could be remedied by a simple but controversial concept gun ownership

God, Guns, and Charter Schools William Allen Burley, 2018-01-09 After defending her Connecticut town against the installation of a nuclear waste repository attorney Maryann MacKenzie is facing a new legal challenge When a cult like sect arrives in Roxbridge Maryann is forced to question the group's intentions Meanwhile after a yearlong stint as a visiting professor Annie's husband Rob is recruited as a public school science teacher While he confronts student cynicism about the validity of the scientific method the Klein siblings Mo Lars and Curly Q narrate controversies enveloping Roxbridge After Mos dog is accidentally shot he and Lars become immersed in a gun ownership debate At the same time Curly Q rails against for profit schools that undermine public school funding When social trends in their county both trouble and discourage the MacKenzies they consider relocation while Mo chronicles their decision and sets the stage for their future God Guns and Charter Schools continues the tale of an attorney and her scientist husband as they are pitted against religious superstitions Second Amendment abuses and encroaching charter schools in their Connecticut town

God, Guns, and Sedition Bruce Hoffman, Jacob Ware, 2024-01-02 Winner 2025

Airey Neave Memorial Book Prize Airey Neave Trust Shocking acts of terrorism have erupted from violent American far right extremists in recent years including the 2015 mass murder at a historic Black church in Charleston and the January 6 2021 attack on the U S Capitol These incidents however are neither novel nor unprecedented They are the latest flashpoints in a process that has been unfolding for decades in which vast conspiracy theories and radical ideologies such as white supremacy racism antisemitism xenophobia and hostility to government converge into a deadly threat to democracy *God Guns and Sedition* offers the definitive account of the rise of far right terrorism in the United States and how to counter it Leading experts Bruce Hoffman and Jacob Ware trace the historical trajectory and assess the present day dangers of this violent extremist movement along with the harm it poses to U S national security They combine authoritative nuanced analysis with gripping storytelling and portraits of the leaders behind this violence and their followers Hoffman and Ware highlight key terrorist tactics such as the use of cutting edge communications technology the embrace of leaderless resistance or lone wolf strategies infiltration and recruitment in the military and law enforcement and the movement's intricate relationship with mainstream politics An unparalleled examination of one of today's great perils *God Guns and Sedition* ends with an array of essential practical recommendations to halt the growth of violent far right extremism and address this global terrorist threat

God, Guns, Gold and Glory Lauren Langman, George Lundskow, 2016-09-12 America beginning as a small group of devout Puritan settlers ultimately became the richest most powerful Empire in the history of the world but having reached that point is now in a process of implosion and decay This book inspired by Frankfurt School Critical Theory especially Erich Fromm offers a unique historical cultural and characterological analysis of American national character and its underlying psychodynamics Specifically this analysis looks at the persistence of Puritan religion as well as the extolling of male toughness and America's unbridled pursuit of wealth Finally its self image of divinely blessed exceptionalism has fostered vast costs in lives and wealth But these qualities of its national character are now fostering both a decline of its power and a transformation of its underlying social character This suggests that the result will be a changing social character that enables a more democratic tolerant and inclusive society one that will enable socialism genuine participatory democracy and a humanist framework of meaning This book is relevant to understanding America's past present and future

God, Guns, Grits, and Gravy Mike Huckabee, 2015-01-20 The New York Times bestseller from the conservative commentator and 2016 presidential candidate In *God Guns Grits and Gravy* Mike Huckabee explores today's fractious American culture where divisions of class race politics religion gender age and other fault lines make polite conversation dicey if not downright dangerous As Huckabee notes the differences between the Bubble villes of the big power centers and the Bubba villes where most people live are profound provocative and sometimes pretty funny Here Huckabee takes on government bailouts politician pig outs and popular culture provocations from Jay Z and Beyoncé to Honey Boo Boo and Duck Dynasty The former Arkansas Governor also discusses gun rights gay marriage the

decline of patriotism and the mainstream media's contempt for those who cherish a faith based life The trouble with Democrats the even bigger trouble with Republicans our national security complex and how our Constitution is eroding under our noses God, Guns and Israel Jill Hamilton,2009-04-01 The roots of today's Middle East conflict are extremely deep and exceedingly tangled and Jill Hamilton has done a wonderful job in unravelling a complicated story Describing the background to the present conflict she intertwines the sad story of mistakes and broken promises with the age old fascination that Jerusalem holds for Jews Muslims and Christians New insights are given into the decisions taken by the key men in the British and American governments and the effect on Old Testament beliefs and Nonconformity in their decisions is examined Woven into the narrative is the story of David Ben Gurion and the other soldiers in the Jewish Legion It follows them from their first tottering steps on the moors of Devon to their quarter century as members of the secret underground army the Haganah to May 1948 when Ben Gurion read the Declaration of Independence of the new state of Israel God, Guns and Missionaries-A Study of Christian Identity and the Influence of Colonialism V. Basil Hans,2025-03-21 God Guns and Missionaries A Study of Christian Identity and the Influence of Colonialism by V Basil Hans explores the historical intersection of faith power and colonial expansion This thought provoking book examines how Christianity often accompanied by military and political forces shaped societies and identities across the world Through an academic lens the author delves into the complex relationship between religion and colonial rule offering critical insights into its lasting impact on cultures governance and global history A must read for scholars historians and those interested in the profound influence of religion in world affairs God, Guns and Government on the Central Australian Frontier Peter Vallee,2007 Was Mounted Constable William Willshire really the cold blooded killer of literally thousands of Aboriginal people in Central Australia Or was he the first white man to write a love poem to an Aboriginal woman Was he both Did the Finke River missionaries imprison and beat their recalcitrant converts or did they mark out a future path for a people abandoned by South Australian society Did the mission connive at the murder of the men who opposed them Did they really convert anyone to Lutheran Christianity And what did the people and governments of South Australia know and care about their northern frontier Could a policeman be hanged for murder This book goes beyond the stereotypes to answer these questions It brings back to life some remarkable people *God and the Gun* Martin Dillon,1998-12 God and Guns Jeff Robinson,2012-03-15 God and Guns is a biblical view of the right to bear arms If you love either God or Guns you'll love this book as you see how guns lower crime and even prevent crime God and Guns is packed with helpful tactics that will prepare you in an encounter including the aftermath Also included is a gun log and safety tips to keep you and your loved ones safe First we must find out what Jesus has to say about the subject of putting our faith in a man made weapon for survival You might be surprised and find a new sense of joy as you realize He promoted the carrying of weapons Be careful this life changing book may alter the world as you see it **Many in One** Saligrama K. Aithal,2013-09-19 The short stories in the collection Many in One seek to build bridges across countries

and cultures A product of globalization they have literary ancestry in both the eastern and the western hemispheres While giving the final touches to the preparations for his own prospective death and cremation Madhav the common protagonist of the stories receives a call from his daughter in the United States telling him that she has obtained all the necessary documents for his emigration from India to the US and that he must join the family in the US at the earliest Down goes the drain all his plans and preparations and on his relocation his preoccupation with death gives way to the pursuit of happiness not only for himself but for the world The stories in the volume describe the numerous roles he assumes fitting the title Many in One to promote peace and understanding among people Madhav appropriates even the role of the writer and claims he is the true author of the stories in the collection With the single mission of removing walls and giving the right of choice of salvation for all and a free pass to all to heaven in a democratic spirit Madhav talks about religion literature music and business Assuming one role after another Madhav waltzes the reader through the chaos of the world building bridges across cultures and between nations Simultaneously serious lighthearted and witty the stories should appeal to a wide spectrum of audience from the general reader to students and teachers of literature *The Hand of God* Roma Caleb Garner,1925
