Seibert,2023-11-07 One the greatest challenges the church faces today writes Jerome F D Creach is to interpret and explain passages in the Bible that seem to promote or encourage violence Violence in Scripture 1 In the past fifteen years a number of books have been published to help people make sense of God s violent behavior in the Bible Yet very little has been written about how to use these and other violent texts constructively in church This leaves religious practitioners pastors priests Sunday school teachers worship ministers lay leaders and others at a real disadvantage What should they do with stories that sanction genocide or praise individuals for killing others How can they use these violent texts in sermons liturgies Christian educations classes and elsewhere without promoting the violent ideologies they contain In *Redeeming Violent Verses* Eric Seibert addresses these questions by focusing on a wide range of practical ways to use violent biblical texts responsibly in the church and beyond With chapters devoted to using violent verses when preaching sermons teaching Sunday school and leading worship this book is filled with guidelines and specific practices designed to help ministers use violent verses responsibly Seibert includes
