Henry J. Latham, 1889 **Doing God's Business** R. Paul Stevens, 2006-08-10 Stevens explores the potential of business as both a location for practicing everyday spiritual disciplines and a source of creativity and deeper relationship with God This volume should encourage and challenge businesspersons in all segments of the marketplace to more faithfully integrate their faith and work lives **Managing God's Business** Malcolm Torry, 2017-03-02 Religious and faith based organisations

constitute a large and important group of organisations This is the first book to study systematically their characteristics and the distinctive challenges they pose to the people managing them Malcolm Torry discusses how to define religious and faith based organisations how to study them and the secular context in which they operate in Western Europe and the USA There are chapters on congregations denominations governance membership the clergy leadership and religious and faith based organisations relationship to civil society The book relies on research based literature and case studies and contains full bibliographies making it an essential tool for anyone studying this important new field Why Business Matters to God Jeff Van Duzer, 2010-09-07 This book explores the nature and meaning of doing business and finds it calls for much more than most think Seattle Pacific School of Business Dean Jeff Van Duzer presents a robust Christian approach that integrates biblical studies with the disciplines of business and displays a vision of business that contributes to the very purposes of God

**The Eternal Business of Almighty God'S Glory Is Producing Disciples** Dr. Roger R. Hagwood, 2014-04-07 This book is written for people of all ages especially those who are busy trying to make a living instead of living in the word of God God wants Christians to take care of His business and He will take care of their business He wants to excite readers about His business Also Gods glory is evident in this book in a tangible presence to anoint and to ignite a supernatural revival Now it is time to see signs wonders and miracles in our churches I pray as one reads this book a sense of oneness with Almighty God is developed and they become enveloped in His presence immediately Doing business in the Kingdom of God is where we

belong as believers Dr Roger R Hagwood Fieldale VA **DISCOVERING GOD'S KINGDOM BUSINESS** Solomon Hailu , he kingdom of God is a profit driven business not simply a charitable organization or a non profit business Jesus presented the kingdom of God as a profitable business in all of his messages The kingdom of God is a place to work for God not just a place of begging God for something God gives every believer equal opportunity to work in His kingdom The very reason we are here on earth is to fulfil God s mandate of expanding His kingdom on earth However the Kingdom of God must involve in

our lives before we involve in God's kingdom business The kingdom of God must shape our lives before we get involved in God's kingdom business One qualifies to do business in the kingdom of God if personally admitted to the Kingdom of God by being born again The book draws Biblical examples of people who effectively used their God-given talents to work in the Kingdom of God and those who missed the opportunity in the kingdom of God by wasting their God-given talents **Making Your Business God's Business** Jeff Buckman, 2020-09 This book is a combination of business advice and memoir but is mostly a plea to Christian business people to dedicate their companies and talents to the glory of God and the advance of the Gospel The more the Lord prospers us the more we can give In so doing we get a front row seat to watch God at work in the world With practical tips engaging stories and spiritual wisdom the author encourages us to adopt an eternal perspective on our lives and businesses **God's Business Faith** Tim Porter, 2020-09-27 God's Business Faith is a foundation for biblical success God's word contains hope for your financial future faith for success and a clear economic agenda Woven throughout the Bible are business terms principles of commerce and financial roadmaps to serve as a guide Be equipped and empowered to deploy the God-type of business faith you need It is time to experience and encounter God in every aspect of your life and business Welcome to a new dimension in business the spiritual dimension As you read the following chapters you will be challenged to believe that the bible is far from being outdated or obsolete more applicable than ever to business commerce and the marketplace It is time for the ekklesia the assembly of believers to exist everywhere In business education the arts all places not just the church The church ekklesia has been called to disciple nations Nations refers to ethnos meaning race or tribe that participate in their own customs Customs or habits refer to their culture their way of doing things We are to disciple or teach cultures Cultures are the areas of influence a nation has such as politics business education and more Why I Speak So Strongly About Business One's priorities should be God family and country in that order Business is used by God to change one's heart develop the soul and increase our faith Business provides for and equips the family Business and commerce are the soul and backbone of a nation a nation to disciple **Business for the Glory of God** Wayne Grudem, 2022-04-25 Can business activity in itself be morally good and pleasing to God Sometimes business can seem so shady manipulating the bottom line deceiving the consumer or gaining promotions because of whom you know But Wayne Grudem introduces a novel concept business itself glorifies God when it is conducted in a way that imitates God's character and creation He shows that all aspects of business including ownership profit money competition and borrowing and lending glorify God because they are reflective of God's nature Though Grudem isn't naive about the easy ways these activities can be perverted and used as a means to sin he knows that Christians can be about the business of business This biblically based book is a thoughtful guide to imitating God during interactions with customers coworkers employees and other businesses See how your business and your life in business can be dedicated to God's glory **Make God Your Senior Partner** Thor Holubowich, 2004-11 Anyone who is struggling spiritually mentally physically socially and or financially can touch God's heart by reading this daily
