God As Symbol:

The God-symbol Paul Diel, 1986 God as Symbol John M. Shackleford, 2004 Although this work is written from a Christian viewpoint it also presents the symbolic visions of the non believer The symbolic examination of God helps us to uncover what it means to be human and where we are heading as a species Symbols aid in conveying the abstract ideas that human languages are too limited to express In the broadest sense God symbolizes all the mysteries of existence Any thinking person must ask the question what is the ultimate significance of this frail and vulnerable flesh that clothes the human ego God symbolizes these important mysteries and beckons us to approach him for answers *Jesus, Symbol of God* Roger Haight, 1999 Already hailed as a landmark in contemporary Catholic theology Jesus Symbol of God surveys scriptural data the key moments in the development of doctrine and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community the decisive mediation of God's salvation or in other words the symbol of God **The Symbols of the Church** Maurice Dilasser, 1999 Science has its own language the arts have another Religion uses especially the language of the arts for it uses signs and symbols like bridges from the visible to the invisible from the depths to the heights from the earthly world to the heavenly one from humanity to God The symbol is not an object of worship but invites to worship It leads to the encounter with the divine Its language takes an object or an action and from it evokes something other which is often inexpressible by virtue of some correspondence natural association or convention From publisher description *A Brief Systematic Theology of the Symbol* Joshua Mobley, 2021-11-18 How do Christians understand the Trinity How does this understanding relate to other Christian teachings In conversation with key thinkers in contemporary and classical theology particularly Henri de Lubac Karl Rahner Thomas Aquinas and Augustine this book argues that a theology of symbols can help us glimpse the mystery of the Trinity and see how this central Christian teaching corresponds to Christian understandings of creation humanity and the church A symbol is not here understood as an arbitrary sign but as a sign that mediates the presence of the symbolized Joshua Mobley examines the understanding of the Father as symbolized in the Son who is the symbol of the Father by the symbolism of the Spirit the personal agent of unity between Father and Son These trinitarian relations then structure creaturely relations to God God is symbolized in creation which is a symbol of God by participation in the Son and the church is symbolism the union of creation with God by the power of the Spirit Mobley thus argues that a theology of symbol helps coordinate trinitarian theology with key themes in Christian dogmatics The Idea of the Symbol M. Jadwiga Swiatecka, 1980-07-03 The author examines the meaning and imprecisions of symbol in this interdisciplinary study of nineteenth century writers **Symbols of Faith and the Miracles of God** Keith G Allen, 2006 The Six Symbols of the Gospel Mark Randell McNees, Dr, Mark Randell McNees, John Bickley, 2013-01-05 IF THE GOSPEL IS THE GREATEST STORY EVER TOLD THEN WHY DON'T CHRISTIANS TELL THE WHOLE STORY It's all too

prevalent in the 21st century American church to find a Gospel that begins and ends with the cross And with it God's whole story is forgotten among Christians who have lost the context of their faith in Jesus This same one dimensional Gospel has kept the Church from embracing its full calling and finding hope in its future This book lays out the whole Gospel in six easy to remember symbols Each symbol reveals part of the whole narrative of God's love for His creation How God Thinks
David Vancelette,2021-09-08 Mankind is the symbol using animal American philosopher Charles Peirce famously wrote It's vital literally that we grasp our relation to symbols God himself thinks in symbols Since we are made in God's image everything we think and do is symbolic as well Moses failed to follow God's symbolism and was harshly punished forbidden to enter the Promised Land Keeping or breaking symbolism will decide how each of us fares on Judgment Day Understand symbolism or suffer the consequences PRAISE FOR HOW GOD THINKS Winner of the Pacific Book Award for Best Spirituality Finalist of the Pacific Book Award for Best Philosophy Thorough and thought provoking this book is a must read for anyone interested in the Bible its history and its society shaping role US Review of Books Discussing the symbolic illustration in a Christian marriage between one man and woman versus homosexuality divorce polygamy and polyandry Vancelette dives deeper into what it means to be a man and a woman in the eyes of God San Francisco Book Review It reads like top shelf philosophy with pragmatic commentary and poetic sensibilities Seattle Book Review David Vancelette's HOW GOD THINKS is a fascinating and original attempt to do what no theologian has ever accomplished to get inside the mind of God IndieReader QUESTIONS ANSWERED BY UNDERSTANDING SYMBOLISM How has Satan made himself equal to God through broken symbolism Why do hardened feminists and the LGBTQ community reject the symbolism God designed into human sexuality What alternative was Jesus actually praying for in the garden when he prayed let this cup of crucifixion pass from me Why do many Jews see Jesus as broken symbolism not as the Messiah This gripping ambitious book will answer these and much more ABOUT THE AUTHOR David Vancelette holds a degree in computer science and has worked some four decades as a computer systems analyst at Fortune 500 companies He has attended both the University of Pennsylvania and Philadelphia Biblical University He also studied philosophy at American Public University David vitally believes that sound analysis logic and reliance upon the Holy Spirit must be brought together to properly interpret the Bible David Vancelette is an amazing author Pacific Book Review *To Pray God's Will* Ben Campbell Johnson,1987-01-01 Looking upon Christian life as a spiritual journey Ben Campbell Johnson discusses the importance of prayer for those who want to continue their progress toward God He shows that the life of prayer involves all the human faculties reason imagination emotion and will As ways of deepening knowledge and love of God he considers meditation and contemplation and gives helpful suggestions for their practice He shows how a deeper awareness of God has social implications and leads to a vision of a transformed world Johnson discusses his own need for a guide on the spiritual journey illustrating how such a companion can help others He emphasizes the importance of keeping a journal and gives practical help in getting started with it **Symbols of Jesus**

Robert C. Neville, 2001 Symbols of Jesus is a systematic theology focusing on what makes Jesus important in Christianity

God and the Creative Imagination Paul Avis, 2013-01-11 A mere metaphor only symbolic just a myth these tell tale phrases reveal how figurative language has been cheapened and devalued in our modern and postmodern culture In God and the Creative Imagination Paul Avis argues the contrary we see that actually metaphor symbol and myth are the key to a real knowledge of God and the sacred Avis examines what he calls an alternative tradition stemming from the Romantic poets Blake Wordsworth and Keats and drawing on the thought of C. S. Lewis and Newman and experience in both modern philosophy and science God and the Creative Imagination intriguingly draws on a number of non theological disciplines from literature to philosophy of science to show us that God is appropriately likened to an artist or poet and that the greatest truths are expressed in an imaginative form Anyone wishing to further their understanding of God belief and the imagination will find this an inspiring work

Relating God and the Self Jan-Olav Henriksen, 2016-04-08 Religion is not only about understanding the world it is just as much about how to develop and shape the self's experience of itself Because the religious self is shaped by our symbols of God and symbols of God are also shaped by the self theology and philosophy of religion cannot ignore this interplay or the psychological dimension when they discuss what symbols of God are adequate and not By discussing critically different ways the symbol of God functions in the formation of the self the book develops a nuanced and original approach to the interplay between God and the self It suggests that play is actually an important metaphor in order to develop a dynamic understanding of religion's way of relating God and the Self This approach challenges understandings of religion focussing only its cognitive claims as well as those who emphasize doctrinal orthodoxy as the most important element in religion
