God Beyond Gender Feminist Christian God Language:

God Beyond Gender Gail Ramshaw, 1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns

New & Enlarged Handbook of Christian Theology Donald W. Musser, Joseph Price, 2011-09-01 This handbook provides thorough introductory articles on important themes in Christian theology Along with cross references and select bibliographies it is an indispensable reference source The Handbook consists of 148 topical entries arranged alphabetically Instead of a Table of Contents a Routes For Reading page suggests related entries and cross referencing makes surfing this volume easier than ever

Feminist Reconstructions of Christian Doctrine Kathryn Greene-McCreight, 2000 What is the relationship between feminist theology and classical Christian theology Is feminist theology Christian and if so in what respect and to what extent This study seeks to analyze and evaluate the relation of feminist reconstructions to traditional Christian teaching Greene McCreight uses the extent to which the biblical depiction of God is allowed to guide theological hermeneutics as a test of orthodoxy She looks at the writings of a wide range of contemporary feminist theologians discusses their doctrinal patterns and demonstrates how the Bible is used in undergirding their theological reconstructions

Believing Women in Islam Asma Barlas, 2019-01-16 Does Islam call for the oppression of women Non Muslims point to the subjugation of women that occurs in many Muslim countries especially those that claim to be Islamic while many Muslims read the Qur an in ways that seem to justify sexual oppression inequality and patriarchy Taking a wholly different view Asma Barlas develops a believer s reading of the Qur an that demonstrates the radically egalitarian and antipatriarchal nature of its teachings Beginning with a historical analysis of religious authority and knowledge Barlas shows how Muslims came to read inequality and patriarchy into the Qur an to justify existing religious and social structures and demonstrates that the patriarchal meanings ascribed to the Qur an are a function of who has read it how and in what contexts She goes on to reread the Qur an s position on a variety of issues in order to argue that its teachings do not support patriarchy To the contrary Barlas convincingly asserts that the Qur an affirms the complete equality of the sexes thereby offering an opportunity to theorize radical sexual equality from within the framework of its teachings This new view takes readers into the heart of Islamic teachings on women gender and patriarchy allowing them to understand Islam through its most sacred scripture rather than through Muslim cultural practices or Western media stereotypes For this revised edition of *Believing Women in Islam* Asma Barlas has written two new chapters Abraham s Sacrifice in the Qur an and Secular Feminism and the Qur an as well as a new preface an extended discussion of the Qur an s wife beating verse and of men s presumed role as women s guardians and other updates throughout the book

The Doctrine of God in African Christian Thought James Henry Owino Kombo, 2007-05-30 The Christian faith knows and

worships one God who is revealed in the Son and in the Holy Spirit This is the meaning of the doctrine of the Trinity in Christian thought Although Christian orthodoxy defines the doctrine of the Trinity the intellectual tools used to capture it significantly vary At different times and in different places Western Christianity has for instance used neo Platonism German Idealism and the conceptual tools of the second century Greeks Taking elements from the known African intellectual framework this book argues that for African Christians the respective pre Christian African understanding of God and the Ntu metaphysics in particular function as conceptual gates for an attempt towards articulating the Trinity for African Christian audiences *Conversations about Divine Mystery* Stephen Burns,HyeRan Kim-Cragg,2023-09-05 For decades Gail Ramshaw has lent her liturgical and theological creativity to the church s life in worship Her past presidency of the North American Academy of Liturgy is a signal of her gravitas in the academy not to mention the more than two dozen books she has produced For the churches and not only her own Evangelical Lutheran Church in America she has internationally and ecumenically and in part through active involvement in the World Council of Churches WCC had her work included in the ritual books of many traditions around the world Here in a fitting recognition of a life of scholarship and reflection is an esteemed collection of writing by liturgical and homiletical scholars honoring and engaging with Gail Ramshaw s work and extending it further to new questions contexts and concerns The volume is organized around the key themes of Ramshaw s work lectionary patterns prayer forms and theological horizons **Eucharist and Globalization** Cláudio Carvalhaes,2013-10-30 The ritual of eating and drinking together is one of the most important Christian events Often called Eucharist Lord s Supper or Communion this sacrament is about the presence of Christ transforming not only those who participate in it but also the world In this book the author engages this Christian liturgical act with movements of people around our globalized world and checks the sacramental borders of hospitality The author calls our attention to the sacramental practices of Reformed churches and from this liturgical practice challenges Christian churches to expand the borders of hospitality Engaging several critical lenses around the notion of the sacrament namely Greco Roman meals Calvin s theology and feminist and Latin American theologies the author challenges theological and liturgical understandings of the Eucharist He fosters an interreligious dialogue around the table and ends up using ritual theory to expand the circles of traditions vocabularies and practices around the sacrament Proposing a borderless border eucharistic hospitality the author encourages readers to ask who and where we are when we get together to eat and drink and how this liturgical act around Jesus table meal can transform the lives of the poor our communities societies and the world **Imago Trinitatis** Mark S. Medley,2002-03-07 Imago Trinitatis contributes to the contemporary task of seeking to retrieve the central Christian symbol of the triune God It interfaces the trinitarian theology of Catherine LaCugna and new anthropological models based on women s interpreted experience of relationality offered by feminist theologians especially the vision of the post patriarchal self of Catherine Keller in order to delineate a theological conception of the human person as communion By reinterpreting

imago Dei as imago Trinitatis Mark Medley offers a proposal towards claiming that a trinitarian feminist theological anthropology understands human personhood as being formed and transformed in one's personal existence to God's personal existence as persons of communion

Worship Matters Jane Rogers Vann, 2011-02-01 Sunday worship is the central act of the Christian faith yet few people truly understand what is happening during the service and why and how Based on numerous visits with congregations of many denominations Jane Rogers Vann examines how we can eliminate the barrier between the preacher and the people in the pew and offers practical advice directed not just toward church leaders but to worship committees and church members all who are yearning to be fully engaged in worship Photographs of many of the churches she visited are included

Women's Ways of Worship Teresa Berger, 1999 The richness of recent research on women's worship gives witness to the scholarly interest in its contemporary practice reflection and construction On the other hand feminist scholarship has had little impact on liturgical historiography In *Women's Ways of Worship* Teresa Berger reconstructs liturgical history from the perspectives of women She shows that the invisibility of women in the traditional liturgical narrative draws into question the credibility of that narrative especially at a time when research into women's history has unearthed much material relevant to women's liturgical lives Berger focuses on thirteen key interpretative principles that guide the reconstruction of women at worship from a reconfiguration of the canon of sources and a re-Visioning of liturgical periodization to re-interpretation of anthropological basics and of liturgical texts On the basis of these principles she analyzes liturgical dynamics in two time periods crucial to the history of women at worship the early centuries of the Christian Church and the twentieth century liturgical renewal Within the twentieth century liturgical renewal Berger focuses on two specific foci of renewal the classical liturgical movement of the first half of the century and as a case of history in the making the women's liturgical movement of the present day *Women's Ways of Worship* narrates both past and present liturgical developments from the perspectives of women's lives heeding such dynamics as the genderization of liturgical space women specific liturgical taboos gender specific devotional practices and the emergence of feminist liturgies An epilogue confronts the question of a future liturgy beyond gender Convinced that reconstructing the history of women at worship will offer a new Vision of the place of the women's liturgical movement within liturgical history as a whole Berger puts this movement on a continuum of women at worship which is a continuum of struggle against the historic marginalization of women in most liturgical contexts As this struggle has come to the forefront today *Women's Ways of Worship* provides a context for change with women themselves being agents of both the questioning and the transformation Chapters are Reconstructing Women's Ways of Worship In Search of Methodological Principles Liturgical History Reconstructed I Early Christian Women at Worship Liturgical History Reconstructed II Women in the Twentieth Century Liturgical Movement and Liturgical History in the Making *The Women's Liturgical Movement* Teresa Berger is associate professor of Ecumenical Theology at the Divinity School of Duke University Durham North Carolina She is the author of

numerous books and contributor to a variety of journals including *Worship* published by The Liturgical Press *Biblical Foundations for Manhood and Womanhood* Wayne Grudem, 2002-10-04 For years a debate has raged over how to define true masculinity and true femininity While there is agreement that men and women share equally in the privilege of being made in God's image some views of manhood and womanhood blur God-given gender distinctions Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships marriage and life purposes The contributors to this book include John Piper Pastor of Bethlehem Baptist Church Minneapolis Minnesota Bruce A Ware Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W Hove Director of Campus Crusade for Christ at Duke University Daniel Doriani Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R Heimbach Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues including the interchangeability of male female roles the meaning of submission and the historical novelty of egalitarian interpretations of Scripture This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences differences that celebrate the excellence of men and women as God created us

Reading from the Underside of Selfhood Lisa E. Dahill, 2009-01-01 Dietrich Bonhoeffer's example of self-sacrificing discipleship has for over fifty years inspired Christians around the world in both their resistance to evil and their devotion to Jesus Christ Yet for some readers particularly those who suffer trauma abuse and other forms of violence Bonhoeffer's insistence on self-sacrifice on becoming a person for others may prove more harmful than liberating For those already socialized into self-abnegation uncritical applications of Bonhoeffer's teachings may reinforce submission rather than resistance to evil This study explores Bonhoeffer's understandings of selfhood and spiritual formation both in his own experience and writings and in light of the role of gender in psycho-spiritual development The central constructive chapter creates a mediated conversation between Bonhoeffer and these feminist psychologists on the spiritual formation of survivors of trauma and abuse including not only dimensions of his thinking to be critiqued from this perspective but also important resources he contributes toward a truly liberating Christian spirituality for those on the underside of selfhood The book concludes with suggestions regarding the broader relevance of this study and implications for ministry The insights for spiritual formation developed here provide powerful proof of Bonhoeffer's continuing and concretely contextualized relevance for readers across the full spectrum of human selfhood **Wisdom's Feast** Reid, 2016 *Woman Wisdom in Proverbs 9* invites any who want to learn her ways to come and eat at her table an image for the rich and satisfying teaching that she offers In this book Barbara Reid invites readers to this feast drawing on women's wisdom to offer fresh new interpretations of biblical texts in a way that promotes equal dignity and value for women and men alike Reid begins by

presenting feminist methods of biblical interpretation and explaining why they are important giving attention not only to gender perspectives but also to race class and culture as determinative factors in how one understands the biblical text She then presents fresh readable feminist interpretations of selected Old and New Testament texts Each chapter concludes with discussion questions for group or personal use Making feminist interpretation of Scripture understandable compelling and usable Wisdom s Feast will be valuable to any readers hungry to learn from the rich insights of feminist biblical scholars
