John Bull ,1820 **Instructor** ,1957 God's Calendar of Coming Events Ralph M. Riggs,1962-01-01 *The Feasts of the Lord* Irving Risch, Today is April 12th 2017 and this year we have a New Moon on April 26th New moons are always special on the Jewish calendar because of the feasts of God as celebrated in scripture Even though I am a Christian and do not celebrate Jewish feast days there are things we can learn from them as believers in Christ And along with the feasts of God we have the Jewish Calendar that applies to us Christians as well We will see this as we go on page margin 0 79in h1 margin bottom 0 08in h1 western font family Liberation Sans sans serif font size 18pt h1 cjk font family Noto Sans CJK SC Regular font size 18pt h1 ctl font family FreeSans font size 18pt p margin bottom 0 1in line height 120% a link so language zxx As with many things in scripture we find double meanings from these feast days and the events for Christians are all laid out for us in the Jewish Calendar I want you to look at these lessons as a teaching and not a preaching I want to cover a lot of ground here so sit back and be prepared to learn some things about the Feast Days of the Lord and the Calendar he gave to his earthly people Israel Introduction I have given this writing the title The Feasts of the Lord or God s Prophetic Calendar Both the title and subtitle apply to this teaching The idea of a Calendar originated with God but it was for man s benefit Second Peter 3 8 tells us But beloved be not ignorant of this one thing that one day is with the Lord as a thousand years and a thousand years as one day The calendar we are about to examine shows God s plan for the human race It begins with the death of Christ and it s followed by our need for sanctification Christ s resurrection the beginning of the Church the Rapture of the Church the Tribulation that follows the rapture The regathering and regeneration of Israel and final the return of the Messiah s return to reign on earth during the Millennium Kingdom God s prophetic calendar contained all of these events in sequence and located in one chapter of the Bible Leviticus chapter twenty three **Looking at God's Appointment**

Calendar Carl M. McConchie,2023-08-25 Pastor McConchie believes that when individuals begin to seek God He very often sets up an appointment whereby a servant of God is sent to meet with that person In this writing Pastor McConchie comments in detail concerning three stories which are presented in the book of Acts Philip is sent to a high ranking Ethiopian official Peter is sent to a Roman Centurion and Paul is sent to a woman from Thyatira whose name is Lydia The Ethiopian the Centurion and the business woman all have one thing in common They are all seeking to worship God before God s servant arrives on the scene Pastor McConchie also shares with us some of his own experiences in Belarus in which he has had a very strong sense that the Lord has set up an appointment for him with someone who is ready to know more about Him In the last section of the book Pastor McConchie looks to the future with a brief study of the book of Revelation What about the 144 000 people of Israel who have come to know Christ how does that happen *Where are We in God's Calendar?* Ivan Foster,2021

God's Prophetic Calendar Lehman Strauss, 1988-03-01 **Understanding Times And Seasons In God's Calendar** Apostle Frequency Revelator, 2019-11-16 Have you ever wondered why a multitude of people claim to have prayed fasted and done everything they know best yet their situations and circumstances haven't changed Have you ever given yourself a moment to think about dozens of believers who are entangled in a morass of debilitating poverty lack and limitation yet they claim to believe God Have you ever wondered why some people have even gone to the extent of being discouraged in their Christian walk because their prayers were not answered Have you ever wondered why certain things are taking so long to materialise in your life The answer to all the above scenarios is not in lack of power wisdom or prayer but it is simply an issue of lack of understanding of times and seasons in God In this publication Apostle Frequency Revelator cracks the mystery code and unveils the divine truth that many of God's people pray fast cry sow seeds confess scriptures and still experience frustration in their finances health jobs marriages and businesses because of lack of God's timing Many believers are agonised like this because they haven't learnt how to properly and correctly discern the times and seasons Some go to the extent of rushing ahead of their season without discerning their timing hence that they end up defeated depleted weary and distressed Demystifying the common myths of God's timing Apostle Frequency

Revelator reveals that the most vital and crucial matters that you must prioritise in the kingdom of God is how to understand times and seasons in God's calendar. Understanding times and seasons as expounded in this book will help you get prophetic direction and also prevent you from making wrong turns and unwise decisions in your life. If you understand the season you will know if it is the right time for you to make a move on a particular matter or not. If you understand the times and seasons of God you will be rightly positioned in the spirit realm and attuned to the frequency of God such that you will know when it is the right time for you to move to another city or switch to a new job or start a church. Because you are attuned to the spirit realm and aligned to God's purpose you will see all the right doors opening for you and everything falling into place according to his plan. Just like the sons of Issachar who had an acute understanding of the times and knew exactly what Israel ought to do at a time it is very important that you understand what season you are in order for you to enter into and fulfil your due season. In this publication Apostle Frequency Revelator contends that just like there are natural seasons on the earth there are also spiritual seasons. He therefore unveils the secrets of the rotational prophetic timeline of times and seasons which is a key to understanding where you are and how to number your days. The apostle further explores the divine truth that time is not one of the characteristics of God. He contends that God is not defined by time because He lives functions and operates in the eternal realm that is outside our time dimension. Time is not an absolute because it only exists when its parameters are defined by absolutes. God set the earth in time while man was created from the eternal realm. Although man lives on earth he doesn't operate according to earthly time because he was created in the eternal realm which falls outside the scope or domain of time hence man was never designed to function according to earthly time. **A Calendar Book**

Divine Appointments Tracy Krauss,2021-04-28 In the Bible God gave specific instructions about setting apart certain days weeks and special celebrations His appointed times This daily devotional walks readers through the summer season of the year by following the Hebrew months and is the second volume in this series Each day contains a short devotional scripture and prayer While many Jews continue to observe this schedule of events many Christians feel that it is not relevant or that the New Testament did away with these traditions Scripture does not back this up In fact both Jesus and the early church followed these appointed times One might argue that they did so because they were Jewish but Christians should be reminded that they have been grafted in to that very tree Observing God s calendar is not the same as taking up a burden of tradition and is not necessary for salvation Instead it is a way to celebrate and enhance our heritage as children of God
