

"Please don't fire me sir, I'm sorry I rigged the swap class experiment" Mr Young pleaded with the principle in a school girls young body.

"Of course not" he said as he checked the teacher up and down in his new body. "As long as you put those plump lips to work and be a good little girl" he chuckled, aroused looking at Melissa's sexy teen body.

"What, you want me to blow you in her body. I'm not gay!" he cried after hearing his boss' demands. If you want to continue to work at this school, carry on with the swap class routine and find yourself in the hottest girls bodies then you will do me a favour every now and again.

Forced to comply with his boss' demands, he got down on his knees and unzipped the principal's pants. Using Melissa's soft lips, he gave his boss the best blowjob ever and one from a hot young girl.

Every year this would now become a tradition. mR Young would now have to rig the swap class to find himself in the hottest girls body. Then he would return the favour to his boss, every time learning something new about the female body and how it can be pleased.
