**Gemma the Rag Doll** Tony Harsley-Vanner,1994-08-01      **Gemma** Meg Tilly,2025-06-25 After Hazen Wood kidnaps twelve year old Gemma Sullivan the two embark upon a cross country journey that tests the limits of Gemma s endurance In scenes of physical and sexual violence Hazen tries to destroy the young girl s will When she does manage to escape he drags her back and threatens to have her arrested for the violent acts he performs It is only Gemma s resilience and fertile imagination that protects her from the worst of the trauma she suffers And in the end it is the healing power of unconditional love that gives Gemma the courage to speak out against her abuser at last and claim the life she deserves Alternating between the voices of Gemma and Hazen Wood Meg Tilly has brilliantly brought to life powerful and unforgettable characters that will leave you thinking about them long after you turn the last page      *Nobody's Rag Doll* Kate Swift,2011-06-01 DescriptionThis book takes you into the centre of my childhood and shows you how everything is not always what it seems To the outside world we were a normal family and that is just how my mother liked it to appear But behind the closed front door was drinking abuse addiction violence and for a time a man who posed as a family friend in order to gain access to the boys I take you from my childhood through my teens and on the very rocky journey of my healing from the past I share with you my innermost thoughts during some of the most difficult times of my life so far This book gives you an insight into a victim of child abuse working her way through to becoming a survivor Along the journey I too fell into relationships where domestic violence was common place and I share with you my experiences and what made me finally walk away This book is about survival it is about how you can go to rock bottom and come back up again How you can feel that your life is finished and then find a whole new purpose and energy for living In my previous book *This Tangled Web* I shared my poetry written in the years after my abuse here we have the untangling of that web and the story behind the poetry About the AuthorKate Swift was born into a family of 5 other siblings in the spring of 1977 Kate s early years were not a great introduction into family life and the world around her Her father worked hard and drank even harder coming home to sleep off the alcohol For Kate as a child of 3 4 5 he was a loud and scary person who ranted and raved Kate found solace by hiding under the table until the shouting was done Kate was a mummy s girl she adored and idolised her mother Whilst her father was someone she felt never particularly wanted her Kate enjoyed school and thrived on the love of her mother Life was never quiet with 5 other siblings around and the ups and downs of every day living When Kate was in her 8th Year she was just like any other child enjoying school playing with her dolls drawing pictures making mud pies just being a child until the day her life would change forever The day her older brother placed his hand somewhere she had never been touched before It was the school summer holidays a bright sunny day and they were watching cartoons on television That was the beginning of the end of her childhood and what followed was a further 8 years of being sexually abused Kate would be woken up in the middle of the night by him climbing into her bed In her sleepy state she would be told what was expected of her not always

with words in fact often with silent physical prompting Always when he got what he wanted from her he would turn and walk away never looking back or speaking Kate was left with her soft toys for comfort It won't surprise you to know she suffered nightmares and was so afraid of the dark Night times held a ritual for Kate before she would go upstairs to bed she would send her dad up What did she want him to check for I guess her parents thought they were checking for monsters under the bed Her curtains had to be shut tight no gaps the light had to be on the windows locked Kate was trying to feel safe in a world where the danger was inside the house and silent The sexual abuse was everything from touching to rape Kate never knew when next he would come to abuse her She would listen out for the floor board that creaked in a certain spot on the landing No time of the day or night was off bounds to him depending on the availability of his victim and the right opportunity Life continued as normally as was possible for Kate in between these times Looking back there were signs that adults could have picked up on but for whatever reasons missed When Kate was 15 years old the ordered chaos in her mind descended into complete terror and panic Here she was a student at senior school who thought she was expecting her brother's baby The torment was too much and *Silver is Mine* Jason Roger Philips, 2017-02-13 Marcel is an average man He blends into a crowd You see him everyday but never notice him Without talent to boast or money to burn he's the sort of person who doesn't deserve your attention In fact he's so average that he's invisible the perfect disguise for a crime He left work early without permission now he's a fugitive running from anything that resembles average life But a man can't outrun his conscience He can't hide from his past Mothers know their sons Lovers know their lovers Somewhere in the back of Marcel's mind he knows there'll be a price to pay And every soul has its price *The Gemma Doyle Trilogy* Libba Bray, 2015-08-11 The three books of the New York Times USA Today and Publishers Weekly bestselling Gemma Doyle trilogy available together for the first time from the author of The Diviners series and Going Bovine This collection contains the complete text of the three Gemma Doyle novels a deliciously sweeping and haunting saga that won't let you go It's the only way to get all three of Libba Bray's critically acclaimed novels in one bundle A Great and Terrible Beauty Gemma Doyle finds an icy reception at the Spence Academy in London where she becomes entangled with the leader of the school's most powerful clique and discovers her own mother's connection to a shadowy group called the Order Rebel Angels Gemma is looking forward to spending time in London over Christmas but her troubled visions of three girls dressed in white are intensifying and only the enchanted realms can give Gemma the answers she needs The Sweet Far Thing In a world where rules are everything can a girl like Gemma survive The conclusion to the bestselling series Praise for Libba Bray's novels A Great and Terrible Beauty A delicious elegant gothic PW Starred Shivery with both passion and terror Kirkus Reviews A true boarding school drama full of cattiness Victorian repression and steamy schoolgirl dreams of being ravished by virile gypsies The Bulletin Recommended Rebel Angels This extraordinary novel moves along at breathtaking speed from beginning to end astounding VOYA in a Perfect 10 Review Remarkable SLJ The Sweet Far Thing A rare treat that offers a bit of everything
