**Jesuitry in Masonry** Helena Petrovna Blavatsky, 2019-02-01 Neither the Zohar nor any other kabbalistic volume contains merely Jewish wisdom The doctrine itself being the result of whole millenniums of thought is the joint property of the adepts of every nation under the sun The Masonic commandment mouth to ear and the word at low breath is an inheritance from the Tanna m and the old Pagan Mysteries Elias Ashmole was the first operative Mason of any consequence and the last of the Rosicrucians and Alchemists That crafty learned conscienceless terrible soul of Jesuitism within the body of Romanism is slowly but surely possessing itself of the whole prestige and spiritual power that clings to it A French Parliamentary Report exposed the great moral harm inflicted in this world by the Jesuits more harm than all the fiendish armies of the mythical Satan The horrifying principles and malignant influence of the Society of Jesus is now all powerful in Rome So disgustingly licentious hypocritical and demoralizing are nearly all of their precepts that it was found impossible to put many of them in print except in a dead language Clericalism Ultramontanism and Jesuitism are one and the same thing Catholicism The knowledge possessed by the Secret Schools whether Magian Egyptian or Jewish was derived from both sides of the Himalayas In the pre Edenic epoch to feed the hungry give drink to the thirsty clothe the naked bury the dead formed the first duty of a pious man But in recent times the spirit became too deeply buried under physical clothing to reassert its inherent purity and potency Adulterous Catholic priests are licensed to murder husbands and commit parricide A man in the Catholic communion may do what the common law and public morality stamp as criminal and still continue in the odour of Jesuitical sanctity With what disgust may we now turn from this religious farce called modern Christianity to the noble faiths of old By Christianity we do not mean the teachings of Christ but those of his alleged servants the clergy The Egyptian Funeral Ritual was divinely inspired for it is Thoth the Deity itself that reveals to the elect the will of God and the arcana of divine things In the Egyptian notions as in those of all other faiths founded on esoteric philosophy man was not merely as with the Christians a union of soul and body his dual nature was made a trinity by the spirit glittering at the apex

strictures upon Masonry Clogged up as the Order has been by the rubbish and drift of absurd biblical legends it is no wonder that its usefulness has been impaired and its work as a civilizer hampered The temple at Jerusalem which recent arch ologists have shown to be a structure with nothing like the pretended antiquity of its erection and incorrectly called after a monarch whose name proves his mystical character Sol Om On the name of the sun in three languages plays a considerable share in Masonic mystery That bastard foundling of Freemasonry the Ancient and Accepted Scottish Rite which is unrecognized by the Blue Lodges was the enunciation primarily of the brain of the Jesuit Chevalier Ramsay Notwithstanding its many faults for speculative Masonry is but human and therefore fallible there is no institution that has done so much and is yet capable of such great undertakings in the future for human religious and political improvement But the sectarian Christian spirit in Masonry must be put down The Temple of Solomon is only an allegory The real temple can be reared without the sound of the hammer or any tool of iron being heard in the house while it is in building Throughout the countries of the Orient wherever magic and the wisdom religion are studied its practitioners and students are known among their craft as builders for they build the temple of knowledge of secret science Having acquainted himself with its mysterious contents which revealed to him the mysteries of creation the initiated became a builder himself for he was made acquainted with the geometrical figure on which the universe was built That we may not be accused of vain boasting we shall now give the keys to several of the secret ciphers of the most exclusive and important of the so called higher Masonic degrees Various hitherto secret ciphers hieroglyphs and examples of Jesuit cryptography are also revealed Jehovah is not the sacred name at all It is simply a fancy and a perversion of the Holy Name He is neither the deity worshiped by Moses nor the Father of Jesus not even the Ineffable Name of the Kabbalists He is an androgyne secondary deity But we are quite ready to show to the Lord God of Israel the same respect as we do to Brahm to Zeus and to any other secondary deity The archaic wisdom religion or the Secret Doctrine embodied in the Oriental Kabbalah did not die out with the Philaletheians of the last Eclectic school Gnosis lingers still on earth and its votaries are many albeit unknown Even the Copts the sole remnants of the true Egyptian race remain silent Had the keys to the hieratic writings and the secret of Egyptian and Hindu symbolism been known to the Christian Fathers they would not have allowed a single monument of old to stand un mutilated Many are the candidates at the doors of those who are supposed to know the path that leads to the secret brotherhoods The great majority are refused admittance for the Rosy Crux becomes is not made
