**Gender and Disability** Lina Abu-Habib,1997 With Gender and Disability Lina Abu Habib examines the situation of women with various types of disability in the Middle East context and describes the evolution of Oxfam s perspective on working with disabled women *Gender and Disability* Lina Abu-Habib,1997 **Gendering Disability** Bonnie G. Smith,Beth Hutchison,2004 Disability and gender are becoming increasingly complex in light of recent politics and scholarship This volume provides findings not only about the discrimination practised against women and people with disabilities but also about the productive parallelism between the two categories **Disability in the Ottoman Arab World, 1500-1800** Sara Scalenghe,2014-07-21 This book is the first on the history of both physical and mental disabilities in the Middle East and North Africa during Ottoman rule **The SAGE Handbook of Gender and Education** Christine Skelton,Becky Francis,Lisa Smulyan,2006-10-23 The Handbook of Gender and Education brings together leading scholars on gender and education to provide an up to date and broad ranging guide to the field It is a comprehensive overview of different theoretical positions on equity issues in schools The contributions cover all sectors of education from early years to higher education curriculum subjects methodological and theoretical perspectives and gender identities in education Each chapter reviews synthesises and provides a critical interrogation of key contemporary themes in education This approach ensures that the book will be an indispensable source of reference for a wide range of readers students academics and practitioners The first section of the Handbook Gender Theory and Methodology outlines the various feminist perspectives on researching and exploring gender and education The section critiques the notion of gender as a category in educational research and considers recent trends evident especially in the gender and underachievement debates to locate gender difference solely within biology This section provides the broad background upon which the issues and debates in the other sections can be situated Section two Gender and Education considers the differing ways in which gender has been shown to impact upon the opportunities and experiences of pupils students teachers and other adults in the different sectors of education It also includes a chapter on single sex schooling Section three Gender and School Subjects comprises chapters that cover gender issues within the teaching and learning of particular school subjects for example maths literacy and science It also includes topics such as sex education and assessment The chapters in section four Gender identity and educational sites address up to date issues which have a long history in terms of explorations into gender and educational opportunities More recent inclusions in the debates such as disability sexuality and masculinities are discussed alongside the more traditional concerns of race social class and femininities The final section Working in Schools and Colleges illuminates the working lives of teachers and academics The chapters cover such topics as school culture career progression and development and the gendered identities of professionals within educational institutions The contributors to this book have been selected by the editors as authorities in their specific area of gender and education and are drawn from the

international scholarly community      **Encyclopedia of Disability** Gary L Albrecht,2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist      *Handbook of Research on Race, Gender, and the Fight for Equality* Prescott, Julie,2016-03-31 Diversity in the workforce can be attributed to both a popular cultural shift and legislative intervention Despite these forces discrimination endures in all aspects of Western society from education to employment Unequal pay and opportunities for promotion are symptoms of a systematic discrimination of individuals based on race and gender The Handbook of Research on Race Gender and the Fight for Equality provides a critical look at race gender and modern day discrimination Focusing on workplace and educational dynamics the research found within this book addresses equal opportunity and diversity requirements from a myriad of perspectives This book is an essential reference source for professionals and researchers working in equality as well as managers and those in leadership roles      *Reproducing Sectarianism* Paul W. T. Kingston,2013-06-01 Examines the politics of civil society in modern Lebanon      **World Yearbook of Education 2010** AndreElias Mazawi,2017-07-05 The World Yearbook of Education 2010 volume Education and the Arab World Political Projects Struggles and Geometries of Power strives to do justice to the complex processes and dynamics behind the world of Arab education Western interest in all things Arab has greatly increased over the course of the decade but this interest runs the risk of forgetting that the Arab world is positioned within wider contexts of regional geopolitical and global processes This volume examines Arab education in a range of contexts regional diasporic and trans national to better understand how the field of Arab education is formed through local regional geopolitical and global engagements and resonances In doing so contributors from a range of disciplines open critical conversations about the intersections of history culture geopolitics policy and education The World Yearbook of Education 2010 offers new conceptual and empirical approaches that deal with some of the often neglected aspects of the study of Arab education contested political projects struggles towards emancipation recognition and liberation and a larger concern for social justice equity and political inclusion Andr lias Mazawi is associate professor in the Department of Educational Studies at the University of British Columbia Vancouver BC Canada He is also an associate fellow at the Euro Mediterranean Centre for Educational Research at the University of Malta Ronald G Sultana is professor in the Department of Education Studies at the University of Malta where he also leads the Euro Mediterranean Centre for Educational Research He is the founding editor of the Mediterranean Journal of Educational Studies      **An Introduction to Sociology** Pamela Abbott,Melissa Tyler,Claire Wallace,2006-02 This third edition of this best selling book confirms the ongoing centrality of feminist perspectives and research to the sociological enterprise and introduces students to the wide range of feminist contributions in key areas of sociological concern Completely revised this edition includes new chapters on sexuality and the media additional material on race and ethnicity disability and the body many new international and comparative examples the influence of theories of globalization and post colonial studies In addition the theoretical elements

have also been fully rethought in light of recent developments in social theory Written by three experienced teachers and examiners this book gives students of sociology and women s studies an accessible overview of the feminist contribution to all the key areas of sociological concern **Gender, Development and Marriage** Caroline Sweetman,2003 This book traces the economic and social impact of inequality in marriage and considers its implications for development Looking at child marriage the link between women s economic contribution equality within marriage NGO responses to domestic violence and the need to understand particular forms of marriage for appropriate development policy **Exploring Disability** Colin Barnes,Geof Mercer,2018-05-21 The second edition of this widely used text has been carefully rewritten to ensure that it is up to date with cutting edge debates evidence and policy changes Since the book s initial publication there has been an expansion of interest in disability in the social sciences and disability has come to play an increasingly prominent role in political debates The new edition takes account of all these developments and also gives greater emphasis to global issues in order to reflect the increasing and intensifying interdependence of nation states in the twenty first century The authors examine amongst other issues the changing nature of the concept of disability key debates in the sociology of health and illness the politicisation of disability social policy and the cultural and media representation of disability As well as providing an excellent overview of the literature in the area the book develops an understanding of disability that has implications for both sociology and society The second edition of Exploring Disability will be indispensable for students across the social sciences and in health and social care who really want to understand the issues facing disabled people and disabling societies

**Perspectives on Disability and Rehabilitation** Karen Whalley Hammell,2006-02-22 The eBook version of this title gives you access to the complete book content electronically Evolve eBooks allows you to quickly search the entire book make notes add highlights and study more efficiently Buying other Evolve eBooks titles makes your learning experience even better all of the eBooks will work together on your electronic bookshelf so that you can search across your entire library of Occupational Therapy eBooks Please note that this version is the eBook only and does not include the printed textbook Alternatively you can buy the Text and Evolve eBooks Package which gives you the printed book plus the eBook Please scroll down to our Related Titles section to find this title The book provides an accessible introduction to many of the current theoretical perspectives on disability enabling readers to challenge the taken for granted nature of traditional knowledge and assumptions within the rehabilitation health and community care industries and encouraging a more critical approach both to the nature of rehabilitation following injury or illness and to the problem of physical difference and disability Through its interrogation and exploration of new theoretical perspectives on disability and rehabilitation this book provides a unique text for students and practitioners of nursing occupational therapy physiotherapy and social work and for educators and researchers in these fields Although rehabilitation practitioners claim to aspire to client centred practice and advocate participatory modes of research rehabilitation theory remains curiously estranged both from theoretical perspectives

developed by disabled disability theorists and from critical perspectives on disability that are emerging from other academic disciplines Thus immune from alternate views rehabilitation practitioners fail to question the premise that their professional assumptions are correct or right Contemporary theorists raise important questions for example about professional power concepts of normality independence and the physical body issues central to rehabilitation as well as to the role of the cultural environment in producing prejudice the role of the social environment in creating disadvantage and to issues of power and privilege and of the systemic oppression of disabled people This book provides an introduction to the expanding body of critical work on disability by theorists from a range of perspectives illustrating ways in which their theories and insights contest or support assumptions within rehabilitation theory The book argues for a cross fertilisation of ideas and challenges hierarchies of power in which nurses and therapists privilege their own assumptions perspectives and knowledge while overlooking or ignoring the perspectives both of disabled people and of other theorists Provides an accessible introduction to current theoretical perspectives on disability Demonstrates how these theoretical perspectives can inform a practitioner s approach to rehabilitation Relevant for all the rehabilitation and health care professions

**Sociologies of Disability and Illness** Carol Thomas,2017-09-16 This book critically compares conflicting perspectives and overlapping themes within the study of disability and illness across recent decades With fresh interpretation of traditional theory in medical sociology and informed commentary on theoretical debates in disability studies it is provocative reading for students and scholars in this field

**Women's Global Health and Human Rights** Padmini Murthy,Clyde Lanford Smith,2009-04-01

**Feminist Perspectives on Disability** Barbara Fawcett,2018-10-08 Feminist Perspectives on Disability provides a unique introduction to the key debates in relation to both feminism and disability The author considers contemporary similarities differences and contentious areas and how concepts drawn from postmodern feminism can be usefully applied to the disability arena The book explores many important aspects of the field including biological debates issues of power knowledge equality difference subjectivity and the body interface of public and private care and community medical and social barriers politics citizenship and identity Feminist Perspectives on Disability will be compulsory reading for students of all levels in Women s Studies Gender Relations Social Policy Social Work Social Care and social Science

**Disability and Vocational Rehabilitation in Rural Settings** Debra A. Harley,Noel A. Ysasi,Malachy L. Bishop,Allison R. Fleming,2017-11-03 This first of its kind textbook surveys rehabilitation and vocational programs aiding persons with disabilities in remote and developing areas in the U S and abroad Contributors discuss longstanding challenges to these communities most notably economic and environmental obstacles and ongoing barriers to service delivery as well as their resilience and strengths Intersections of health social structural and access disparities are shown affecting rural disabled populations such as women racial and sexual minorities youth and elders In terms of responses a comprehensive array of healthcare and health policy solutions and recommendations is critiqued with regard to health employment and service effectiveness outcomes Included among the

topics Healthcare initiatives strategies and challenges for people with disabilities in rural frontier and territory settings Challenges faced by veterans residing in rural communities The Asia and Pacific region rural urban impact on disability Challenges after natural disaster for rural residents with disabilities Meeting the needs of rural adults with mental illness and dual diagnoses Capacity building in rural communities through community based collaborative partnerships Disability and Vocational Rehabilitation in Rural Settings makes a worthy textbook for graduate students and upper level undergraduates in the fields of social work community and environmental psychology public health sociology education and geography Its professional audience also includes vocational rehabilitation counselors serving these dynamic populations *Negotiating Disability* Stephanie L. Kerschbaum, Laura T. Eisenman, James M. Jones, 2017-11-15 Disability is not always central to claims about diversity and inclusion in higher education but should be This collection reveals the pervasiveness of disability issues and considerations within many higher education populations and settings from classrooms to physical environments to policy impacts on students faculty administrators and staff While disclosing one's disability and identifying shared experiences can engender moments of solidarity the situation is always complicated by the intersecting factors of race and ethnicity gender sexuality and class With disability disclosure as a central point of departure this collection of essays builds on scholarship that highlights the deeply rhetorical nature of disclosure and embodied movement emphasizing disability disclosure as a complex calculus in which degrees of perceptibility are dependent on contexts types of interactions that are unfolding interlocutors long and short term goals disabilities and disability experiences and many other contingencies
