## **Gender And Tribe Women Land And The Forests:**

**Gender and Tribe** Govind Kelkar, Dev Nathan, 1991 Discusses the position of women in the adivasi tribal communities of the Jharkhand region in Northeastern India

**Gender Relations in Forest Societies in Asia** Govind Kelkar, Dev Nathan, Pierre Walter, 2003-12-06 Extrait de la couverture Of the numerous available studies on forest management in Asia only a few mention the role of women or pay attention to gender relations Even projects are largely designed in terms of households or communities where men are the decision makers and the owners or managers of forests This important volume views gender relations as a crucial factor in the management of land and forests and maintains that the continuing invisibility of women in these areas only compounds poverty shortages and the increased workloads of forest based women Based on fieldwork conducted in several forest societies in China Thailand India and Malaysia the contributors explore the changes in gender relations within indigenous communities from matrilineal and or gender egalitarian systems to ones where male domination is the norm

**Women, Land and Power in Asia** Govind Kelkar, Maithreyi Krishnaraj, 2020-11-29 Across the world women constitute an integral part of the agricultural sector This volume is based on feminist responses to farming women s struggle for economic rights and social justice in Asia and seeks to provide a greater understanding of the development consequences of women s marginal limited ownership rights to land and other productive assets Using comprehensive analyses quantitative and qualitative data and case studies from India China Bangladesh Bhutan Nepal and other countries of the Asia Pacific region this volume brings together scholars and activists engaged with women s unmediated entitlement to land and productive assets While generally taking a position in favour of asset redistribution the volume addresses two major issues first the conflict between legal measures and socio cultural norms in a context where laws that seek to secure gender equality and women s economic empowerment are often overruled by norms that favour men and second how changes in the global economy in relation to traditional farming practices have adversely impacted women s rights especially in regions where they previously enjoyed more customary rights in asset control and management The book draws attention to issues of economic security gender equitable access to resources and asset building human rights and law land based livelihoods caste and ethnic diversity and voices in the women s movements This book will be useful to policy makers civil society organisations researchers and students of gender and women s studies development studies sociology economics and agriculture

**South Asia in a Globalising World** Bob Bradnock, Glynn Williams, 2014-09-25 A comprehensive introduction to the important economic social and political processes and development issues in this extremely popular region South Asia provides one of the world s most challenging development contexts and The authors take a different approach to most traditional development texts making the latest research teacher friendly and presenting material in an accessible manner for non specialists

**Eye to Eye** Susan Perry, Celeste Marguerite Schenck, 2001 Focusing on seven crucial debates in the field of gender and development this compilation shows why development policy must respond to cultural differences and

illustrates the rewards of doing so      **Narratives from the Margins** Sanjukta Das Gupta, Raj Sekhar Basu, 2012 Adivasis have principally been studied in the context of rebellion environmental history and the politics of identity However preoccupations with definitions and notions of identity while important in themselves tend to shift attention away from the inner lives of these communities This book deals with different aspects of the histories of adivasi communities from Rajasthan in the west to Bengal and Orissa in the east The essays in this book discuss a range of issues affecting the socio economic and cultural life of adivasis and explore the long term continuities and discontinuities between different political regimes They also reflect some of the new concerns that have come up relating to methodology and sources historiography and colonial concerns the impact of missionaries gender issues the agrarian situation famines and migration Some of the issues addressed in this volume are the genesis and development of tribal studies in India during the colonial period the peasantization of adivasi groups and their assimilation within the Hindu caste fold as reflected in Tulsidas Ramcharitmanas the work of the Protestant missions among the Santals of Chotanagpur the social and ritual relations between the Bhils and the Rajput ruling dynasties of Dungarpur in southern Rajasthan the aspect of agrarian change among the Hos of Singhbhum the factors behind the migration from Chotanagpur its nature and organization and its impact upon the adivasi village community the question of women s agency in colonial Chotanagpur and an exploration of land rights witchcraft employment patterns and how women challenged patriarchy in their everyday lives and the impact of globalisation and liberalization upon adivasis in contemporary India The book will be of use to students and scholars of history anthropology and sociology and also to policy planners      Global Criminology K. Jaishankar, Natti Ronel, 2013-04-25 Global criminology is an emerging field covering international and transnational crimes that have not traditionally been the focus of mainstream criminology or criminal justice Global Criminology Crime and Victimization in a Globalized Era is a collection of rigorously peer reviewed papers presented at the First International Conference of the South Asian Society of Criminology and Victimology SASCV that took place in Jaipur India in 2011 Using a global yardstick as the basis for measurement the fundamental goal of the conference was to determine criminological similarities and differences in different regions Four dominant themes emerged at the conference Terrorism In a topic that operates at the intersection of international law international politics crime and victimization some questions remain unanswered Is terrorism a crime issue or a national defense issue Should terrorists be treated as war criminals soldiers or civil criminals How can international efforts and local efforts work together to defeat terrorism Cyber Crimes and Victimization Cyber space provides anonymity immediate availability and global access Cyber offenders easily abuse these open routes As cyber space develops cyber crime develops and grows To achieve better cyber security global criminologists must explore cyber crimes from a variety of perspectives including law the motivation of offenders and the impact on victims Marginality and Social Exclusion Globalization is manifest in the fast transition of people between places societies social classes and cultures Known social constructions are destroyed for new ones and marginalized

people are excluded from important material social and human resources This section examines how we can provide inclusion for marginalized individuals in the global era and protect them from victimization Theoretical and Practical Models of Criminal Victimization The process of globalization as mentioned above creates new elements of victimization But globalization can also become an opportunity for confronting and defeating victimization through improved sharing of knowledge and increased understanding of the humanity of the weak The emerging global criminology comprises diversity of attitudes explanations and perspectives The editors of this volume recognize that in the global village there is room for solid contributions to the field of criminology and criminal justice This collection is a move in this direction It is hoped that these articles will help to expand the boundaries of criminology criminal justice and victimology with a view towards reducing crime worldwide

A Time for Tea Piya Chatterjee,2001-11-29 An innovative ethnography of the production circulation and consumption of tea centered on the lives of the mostly women workers who produce it **Dreams, Questions, Struggles** Amrit Wilson,2006-02-20 From schoolgirls to matriarchs single mothers to extended families and businesswomen to factory workers the experience of Asian women in Britain today is polarised by class and religion This book explores the lives and struggles of two generations of British Asian women to present a political account of their experiences personal and public individual and collective their struggles take on power structures within the family the community and on occasion the British state Combining their personal testimony within a theoretical framework Amrit Wilson locates their experiences in the wider context of global and regional politics She examines what impact the feminist movement has had on their lives and explores issues such as domestic violence Asian marriages representations of Asian women mental disturbance and suicide

**Religious Division and Social Conflict** Peggy Froerer,2019-07-23 This book is an ethnographic account of the emergence of Hindu nationalism in a tribal adivasi community in Chhattisgarh central India It is argued that the successful spread of Hindu nationalism in this area is due to the involvement of the Rashtriya Swayamsevak Sangh RSS a militant Hindu nationalist organization in local affairs While active engagement in civilizing strategies has enabled the RSS to legitimize its presence and endear itself to the local community the book argues that participation in more aggressive strategies has made it possible for this organization to fuel and attach local tensions to a broader Hindu nationalist agenda *Primitive Tribal (PVTGs) of Central India* S.N. Chaudhary,2016-01-01 Particularly Vulnerable Tribal Groups PVTGs are more backward and under developed in comparison to other tribes in terms of their socio economic and health status Over the time various institutional and voluntary efforts have been made for their upliftment Their exposures to outside world have also increased over the period Articles covered in this volume make attempt to examine impact of these initiatives on their status from human rights and social justice point of view Attempts have been made to present comprehensive picture of their condition with the help of both Book View and Field View The book will be quite useful for planners researchers and change agents working in the area of tribal development **Political Economy of Development in India** Darley Kjosavik,Nadarajah

Shanmugaratnam,2015-06-05 In the Global South indigenous people have been continuously subjected to top down and often violent processes of post colonial state and nation building This book examines the development dilemmas of the indigenous people adivasis of the Indian state of Kerala It explores the different facets of change in their lives and livelihoods in the context of modernisation under different political regimes As part of the Indian Union Kerala followed a development approach in tune with the Government of India with regard to indigenous communities However within the framework of India s quasi federal polity the state of Kerala has been tracing a development path of its own which has come to be known as the Kerala model of development Adopting a historical political economic approach the book locates the adivasi communities in the larger contextual shifts from late colonialism through the post independence years and critically analyses the Kerala model of development with particular reference to the adivasis changing political status and rights to land It pays special attention to policy dynamics in the neoliberal phase and the actual practices of decentralisation as a way of including the socially excluded and marginalised Offering a theoretical elaboration of the interaction between class and indigeneity based on intensive fieldwork in Kerala the book addresses adivasi development in relation to the general development experience of Kerala and goes on to relate this particular study to the global context of indigenous people s struggles It will be of interest to those working in the fields of South Asian Development Political Economy and South Asian Politics Tools of Justice

Kalpana Kannabiran,2013-02-01 In the years since independence the Indian subcontinent has witnessed an alarming rise in violence against marginalized communities with an increasing number of groups pushed to the margins of the democratic order Against this background of violence injustice and the abuse of rights this book explores the critical insurgent possibilities of constitutionalism as a means of revitalising the concepts of non discrimination and liberty and of reimagining democratic citizenship The book argues that the breaking down of discrimination in constitutional interpretation and the narrowing of the field of liberty in law deepen discriminatory ideologies and practices Instead it offers an intersectional approach to jurisprudence as a means of enabling the law to address the problem of discrimination along multiple intersecting axes The argument is developed in the context of the various grounds of discrimination mentioned in the constitution caste tribe religious minorities women sexual minorities and disability The study draws on a rich body of materials including official reports case law and historical records and uses insights from social theory anthropology literary and historical studies and constitutional jurisprudence to offer a new reading of non discrimination This book will be useful to those interested in law sociology gender studies politics constitutionalism disability studies human rights social exclusion etc

### **The Life, Legacy and Theology of M. M. Thomas** Jesudas M. Athyal,George Zachariah,Monica

Melanchthon,2016-04-20 M M Thomas was one of the chief architects of the modern ecumenical movement An outstanding theologian his original and rather unconventional explorations into ecumenical social ethics remain highly relevant even today Long before liberation theology burst on the scene Thomas raised his prophetic voice for the liberation of humanity

from the dehumanizing structures Focusing on the theological and social contributions of M M Thomas and his legacy for our times and published with the support of the Council for World Mission to coincide with the centenary of Thomas birth this collection brings together an international panel of distinguished scholars theologians and church leaders *Reinventing Revolution* Gail Omvedt,1993-06-18 This study describes and analyses the new social movements that have arisen in India over the past two decades in particular the anti caste movement of both the untouchables and the lower middle castes the women s liberation movement the farmers movement centred on struggles arising out of their integration into a state controlled capitalist market and the environmental movements opposition to destructive development including resistance to big dam projects and the search for alternatives Rooted in participant observation it focuses on the ideologies and self understanding of the movements themselves The central themes of this book are the origin of movements in the socio economic contradictions of post independence India their effect on political developments in particular the disintegration of Congress hegemony their relation to traditional Marxist theory and Communist practice and their groping toward a synthesis of theory and practice that constitutes a new social vision distinct from traditional Marxism **Capital Accumulation and Women's Labor in Asian Economies** Peter Custers,2012-05-01 The global impact of Asian production of the wage goods consumed in North America and Europe is only now being recognized and is far from being understood Asian women most only recently urbanized and in the waged work force are at the center of a process of intensive labor for minimal wages that has upended the entire global economy First published in 1997 this prescient study is the best available summary of this crucial process as it took hold at the very end of the twentieth century This new edition brings the discussion up to 2011 with an extensive introduction by world famous economist Jayati Ghosh of New Delhi s Jawaharlal Nehru University Drawing on extensive data concerning the laboring conditions of women workers and peasant women this ambitious book provides a theoretical interpretation of the rapidly changing economic conditions in the contemporary global economy and particularly in Asia and their consequences for women It is based on prolonged field research in India Bangladesh and Japan combined with a broad comparative study of currents in international feminism Peter Custers reasserts the relevance of Marxist concepts for understanding processes of socio economic change in Asia and the world but argues forcefully that these concepts need to be enlarged to include the perspective of feminist theoreticians In the process he assesses the theoretical relevance of several currents in international feminism including ecofeminism the German feminist school and socialist feminism With its strong theoretical framework supported by massive amounts of evidence this important book will interest all those involved in women s studies social movements economics sociology and social and economic theory **Culture and the Environment in the Himalaya** Arjun Guneratne,2009-12-24 Drawing on Himalayan ethnography to interrogate and critique contemporary theorizing about the environment this book examines how the environment is conceptualized among different social groups in the region A new approach to the study of the environment in South Asia this book

introduces the new thinking in environmental anthropology and geography into the study of the Himalaya      **The Modern Anthropology of India** Peter Berger, Frank Heidemann, 2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers in the field of Indian anthropology ethnography regional anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India      Tribal Studies in India Maguni Charan Behera, 2019-11-09 This book provides comprehensive information on enlargement of methodological and empirical choices in a multidisciplinary perspective by breaking down the monopoly of possessing tribal studies in the confinement of conventional disciplinary boundaries Focusing on anyone of the core themes of history archaeology or anthropology the chapters are suggestive of grand theories of tribal interaction over time and space within a frame of composite understanding of human civilization With distinct cross disciplinary analytical frames the chapters maximize reader insights into the emerging trend of perspective shifts in tribal studies thus mapping multi dimensional growth of knowledge in the field and providing a road map of empirical and theoretical understanding of tribal issues in contemporary academics This book will be useful for researchers and scholars of anthropology ethnohistory ethnoarchaeology and of allied subjects like sociology social work geography who are interested in tribal studies Finally the book can also prove useful to policy makers to better understand the historical context of tribal societies for whom new policies are being created and implemented      Eco-socialism as Politics Qingzhi Huan, 2010-03-11 This volume consists of analyses by experts from both the West and the East on the up to date development of Eco socialism as a red green politics within the context of capitalist globalisation It investigates whether and or in what sense Eco socialism can offer a better explanation to the causes of ecological problems than the other Green discourses such as deep ecology and ecological modernisation theory and thus has more contributions to make in dealing with the deteriorating ecological crisis throughout the world
