Gender Globalization And Postsocialism The Czech Republic After Communism:

Gender, Globalization, and Postsocialism Jacqui True, 2003 True examines political and gendered identities in flux in post communist Czech Republic She argues that the privatization of a formerly state economy and the adoption of consumer oriented market practices were shaped by ideas and attitudes about gender roles This book also offers a provocative general thesis about the inextricable linkages between political and economic changes and gender identities

Popular Culture and Subcultures of Czech Post-Socialism Ondřej Daniel, Tomáš Kavka, Jakub Machek, 2017-01-06 This book draws on wide range of inspirations to provide a well balanced picture of the popular culture and subcultures of Czech post socialism What were the continuities and discontinuities of the post socialist popular culture mentalities and society during the period of late state socialism What were the different mechanisms of creating the Other in popular culture and subcultures This volume shows the diverse trajectories of the late socialist and older national cultural practices and the related set of values and beliefs in new transitory circumstances Whereas many scholars emphasize the tendency to sustain in a more or less adapted form under the new circumstances the chapters and case studies of this book demonstrate a slightly different more nuanced development

Democracy, Gender, and Social Policy in Russia Andrea Chandler, 2015-12-17 Through compelling and insightful analysis of the Russian case this book explores the role that social welfare plays in regime transitions It examines the role that gender and social welfare has played in Russia's post communist political evolution from Yeltsin's assumption of the presidency to Putin's return for a third term as president in 2012

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

Neoliberalism, Personhood, and Postsocialism Nicolette Makovsky, 2016-04-22 Despite a growing literature debating the consequences of neo liberal political and economic policy in the former Eastern bloc the idea of neo liberal personhood has so far received limited attention from scholars of the region Presenting a range of ethnographic studies this book lays the groundwork for a new disciplinary agenda by critically examining novel technologies of self government which have appeared in the wake of political and economic liberalization Neoliberalism Personhood and Postsocialism explores the formation of subjectivities in newly

marketized or marketizing societies across the former Eastern Bloc documenting the rise of the neo liberal discourse of the enterprising self in government policy corporate management and education as well as examining the shifts in forms of capital amongst marginal capitalists and entrepreneurs working in the grey zone between the formal and informal economies A rich investigation of the tools of neo liberal governance and the responses of entrepreneurs and families in changing societies this book reveals the full complexity of the relationship between historically and socially embedded economic practices and the increasing influence of libertarian political and economic thought on public policy institutional reform and civil society initiatives As such it will appeal to anthropologists sociologists and geographers with interests in political discourse identity entrepreneurship and organizations in post socialist societies The Politics of Gender Culture under State Socialism Hana Havelková, Libora Oates-Indruchová, 2014-02-03 Though there has been much research on the incomplete emancipation project of state socialism in East and Central Europe very little has been published on how the state and its institutions conceived of gender as a concept This book seeks to understand if and how this conceptualization developed in the second half of the twentieth century and what impact it had on everyday life and on culture This study moves beyond the dichotomous gender perspectives and towards a nuanced understanding of the diverse discursive negotiations agendas actors and agency involved in state socialist gender practices Including a detailed case study on Czechoslovakia contributors explore these issues in a series of independent but collaboratively developed studies placing their research in the context of other East Central European countries The studies collected in the volume bring to light fresh material and consider it from the combined perspective of current gender theory and internal ideological dynamics of state socialism breaking new ground in gender theory cultural theory and studies of state socialism This book will be of interest to students and scholars of gender studies socialism Cold War politics and Eastern European politics and culture *Women's Artistic Dissent* Brenda A. Flanagan, Hana Waisserová, 2023-12-15 To survive Totalitarianism and retain their humanity Czech women writers went underground to write paint sculpt and create supportive communities This book explores fiction poetry and life sustaining activities of Eva Vankmajerová Mother of Czech Surrealism and Eda Krisevová journalist fiction writer essayist and activist who served in President Václav Havel's first Cabinet among other Czech women who wrote and engaged in dissent during the years when Czechoslovakia ached under Soviet rule *Women's Artistic Dissent: Repelling Totalitarianism in pre 1989 Czechoslovakia* highlights and unearths the work of women that is often undervalued and unacknowledged Flanagan and Waisserová carefully detail the variety of ways in which women resisted through literature and ecological activities shedding new light on the ways in which individuals and communities can retain their humanity even as they resist and repel dictatorial regimes in their countries **Feminism and International Relations** J. Ann Tickner, Laura Sjoberg, 2013-07-03 Feminist International Relations scholarship in the United States recently celebrated its 20th anniversary Over those years feminist researchers have made substantial progress concerning the question of how gender matters in

global politics global economics and global culture The progress has been noted both in the academic field of international relations and increasingly in the policy world Celebrating these achievements this book constructs conversations about the history present state of and future of feminist International Relations as a field across subfields of IR continents and generations of scholars Providing an overview and assessment of what it means to gender IR in the 21st century the volume has a unique format it features a series of intellectual conversations presenting cutting edge research in the field with provocative comments from senior scholars It examines issues including global governance the United Nations war peace security science beauty and human rights and addresses key questions including What does viewing the diverse problems of global politics through gendered lenses look like in the 21st Century How do feminisms accommodate differences in culture race and religion How do feminist theoretical and policy analyses fit together These conversations about feminist IR are accessible to non specialist audiences and will be of interest to students and scholars of Gender Studies Feminist Politics and International Relations

Workplace Abuse, Incivility and Bullying Maryam Omari, Megan Paull, 2015-10-05 This book bridges an existing gap in the literature relating to the study of workplace abuse incivility and bullying It provides broad perspectives to capture some of the diversity associated with the study of negative human behaviours using different methodological approaches and in different cultural contexts Studies in the area have grown in leaps and bounds over the last few decades As we come to know more about the nature of these adverse behaviours the reasons they happen and the impact they have on individuals and beyond new gaps in knowledge emerge On one hand the paucity of research is assisting in better understanding and management of these negative behaviours on another generalised information without an appreciation of the context in which the behaviours unfold may be detrimental to the cause especially given a globalised and multicultural world *Workplace Abuse Incivility and Bullying* presents findings from under researched methodological and unique cultural perspectives Such an approach will allow us to gain deep insights into the diversity and complexities associated with perceiving being subjected to and experiencing negative behaviours at work The book has applicability across a broad range of audience from academics through to practitioners and even victims and suspected perpetrators

Gender and Social Policy in a Global Context Shireen Hassim, 2006-04-27 This book illustrates why both academic research and policy thinking need to factor in gender hierarchies and structures if they are to address some of the key challenges of contemporary societies the widespread informality and insecurity of paid work and the crisis of care

Militarizing Men Maya Eichler, 2011-10-26 A state's ability to maintain mandatory conscription and wage war rests on the idea that a real man is one who has served in the military Yet masculinity has no inherent ties to militarism The link between men and the military argues Maya Eichler must be produced and reproduced in order to fill the ranks engage in combat and mobilize the population behind war In the context of Russia's post communist transition and the Chechen wars men's militarization has been challenged and reinforced Eichler uncovers the challenges by exploring widespread draft

evasion and desertion anti draft and anti war activism led by soldiers mothers and the general lack of popular support for the Chechen wars However the book also identifies channels through which militarized gender identities have been reproduced Eichler s empirical and theoretical study of masculinities in international relations applies for the first time the concept of militarized masculinity developed by feminist IR scholars to the case of Russia

Domestic Violence in Postcommunist States Katalin FÁibiÁin,2010-07-16 Domestic violence has emerged as a significant public policy issue of transnational character and mobilization in the postcommunist era in Europe and Eurasia as global forces have interacted with the agendas of governments local and international women s groups and human rights activists The result of extensive collaboration among scholars and activist practitioners many from postcommunist countries this volume examines the development of state policies changes in public perceptions and the interaction of national and international politics

Gender and the Environment Nicole Detraz,2017-05-23 Climate change natural disasters and loss of biodiversity are all considered major environmental concerns for the international community both now and into the future Each are damaging to the earth but they also negatively impact human lives especially those of women Despite these important links to date very little consideration has been given to the role of gender in global environmental politics and policy making This timely and insightful book explains why gender matters to the environment In it Nicole Detraz examines contemporary debates around population consumption and security to show how gender can help us to better understand environmental issues and to develop policies to tackle them effectively and justly Our society often has different expectations of men and women and these expectations influence the realm of environmental politics Drawing on examples of various environmental concerns from countries around the world *Gender and the Environment* makes the case that it is only by adopting a more inclusive focus that embraces the complex ways men and women interact with ecosystems that we can move towards enhanced sustainability and greater environmental justice on a global scale This much needed book is an invaluable guide for those interested in environmental politics and gender studies and sets the agenda for future scholarship and advocacy

Traversing Susanna Trnka,2020-05-15 *Traversing* is about our ways of seeing experiencing and moving through the world and how they shape the kinds of people we become Drawing from concepts developed by two phenomenological philosophers Martin Heidegger and Jan Pato ka and putting them in conversation with ethnographic analysis of the lives of contemporary Czechs Susanna Trnka examines how embodiment is crucial for understanding our being in the world In particular *Traversing* scrutinizes three kinds of movements we make as embodied actors in the world how we move through time and space be it by walking along city streets gliding across the dance floor or clicking our way through digital landscapes how we move toward and away from one another as erotic partners family members or fearful ethnic others and how we move toward ourselves and the earth we live on Above all *Traversing* focuses on tracing the ways in which the body and motion are fundamental to our lived experience of the world so we can develop a better understanding of the empirical
