Gender, Migration and the Dual Career Household Irene Hardill,2002-11 This book explores the gender issues associated with international migration in dual career households Adopting a feminist approach the author explores post industrial managerial and professional careers

Work/Life City Limits H. Jarvis,2005-09-15 This book demonstrates how local contexts of urbanization and cultures of work are intimately meshed together Each chapter explores a discrete dimension of the way people organize their working lives in post industrial cities taking close account of the social and environmental impact of this balancing act The book features cross national and inter city comparative household level research highlighting significant contradictions underpinning the nature of production consumer expectation work life balance and urban environmental quality

Expatriate Identities in Postcolonial Organizations Pauline Leonard,2016-04-15 Expatriate Identities in Postcolonial Organizations offers a timely and contemporary discussion of the role of organizations in maintaining or challenging structures and cultures based on racism and discrimination It offers a key exploration of the relations between whiteness identity and organization in migratory contexts It delves into the experiences of expatriates in Hong Kong and the ways in which new identities are constructed in the destinations of migration by exploring the renegotiation of white identities and racialized relationships and the extent to which colonial imaginations still inform contemporary organizations By drawing on existing theoretical and empirical material on post colonialism identity making privileged migration relocation transnational work and organizations this volume brings disparate discussions together in a new and accessible way It will appeal to a range of sociology scholars as well as to those working in the fields of migration gender studies and cultural geography

Women's Rights Natasha Thomsen,2010-06-23 Examines the history and the current status of women s rights in the United States and abroad namely Denmark China Afghanistan and Kenya Gender and Family Among Transnational Professionals Anne Coles,Anne-Meike Fechter,2012-08-06 While interest in migration flows is ever growing this has mostly concentrated on disadvantaged migrants moving from developing to Western industrialised countries In contrast Euro American mobile professionals are only now becoming an emergent research topic Similarly debates on the connections between gender and migration rarely consider these kind of migrants This volume fills these gaps by investigating impact of relocation on gender and family relations among today s transnational professionals **Handbook of International Migration** Steven J. Gold,Stephanie J. Nawyn,2013-05-02 This revised and expanded second edition of Routledge International Handbook of Migration Studies provides a comprehensive basis for understanding the complexity and patterns of international migration Despite increased efforts to limit its size and consequences migration has wide ranging impacts upon social environmental economic political and cultural life in countries of origin and settlement Such transformations impact not only those who are migrating but those who are left behind as well as those who live in the areas where migrants

settle Featuring forty six essays written by leading international and multidisciplinary scholars this new edition showcases evolving research and theorizing around refugees and forced migrants new migration paths through Central Asia and the Middle East the condition of statelessness and South to South migration New chapters also address immigrant labor and entrepreneurship skilled migration ethnic succession contract labor and informal economies Uniquely among texts in the subject area the Handbook provides a six chapter compendium of methodologies for studying international migration and its impacts Written in a clear and direct style this Handbook offers a contemporary integrated resource for students and scholars from the perspectives of social science humanities journalism and other disciplines **Gender Divisions and**

Working Time in the New Economy Diane Perrons,2007-01-01 Contemporary societies are characterised by new and more flexible working patterns new family structures and widening social divisions This book explores how these macro level changes affect the micro organisation of daily life with reference to working patterns and gender divisions in Northern and Western Europe and the United States *Migration and Gender in the Developed World* Paul Boyle,Keith Halfacree,2002-11

This book demonstrates how migration is highly gendered with the experiences of women and men often varying markedly in different migration situations **Work-Life Advantage** Al James,2017-10-04 Work Life Advantage analyses how employer

provision of family friendly working arrangements designed to help workers better reconcile work home and family can also enhance firms capacities for learning and innovation in pursuit of long term competitive advantage and socially inclusive growth Brings together major debates in labour geography feminist geography and regional learning in novel ways through a focus on the shifting boundaries between work home and family Addresses a major gap in the scholarly research surrounding the narrow business case for work life balance by developing a more socially progressive workerist dual agenda Challenges and disrupts masculinist assumptions of the ideal worker and the associated labour market marginalization of workers with significant home and family commitments Based on 10 years of research with over 300 IT workers and 150 IT firms in the UK and Ireland with important insights for professional workers and knowledge intensive companies around the world

Economic Geography Sharmistha Bagchi-Sen,Helen Lawton-Smith,2006-09-27 The impact of economic geography both within and beyond the wider field of geography has been constrained in the past by its own limitations Drawing together the work of several eminent geographers this superb collection assesses the current state of knowledge in the sub discipline and its future direction In doing so the contributors show how economic geographers have offered explanations that affect places and lives in the broader context of the global economy Offering a discussion of theoretical constructs and methodologies with the purpose to show the need to combine different approaches in understanding spatial inter dependencies contributors also demonstrate the need to engage with multiple audiences and within this context they proceed to examine how geographers have interfaced with businesses and policy This excellent collection moves economic geography from a preoccupation with theory towards more rigorous empirical research with greater relevance for public policy With excellent breadth of coverage

it provides an outstanding introduction to research topics and approaches The SAGE Handbook of Housing Studies David F Clapham, William A V Clark, Kenneth Gibb, 2012-04-20 Cross disciplinary and critical in its approach The SAGE Handbook of Housing Studies is an elucidating look at the key issues within the field It covers the study of housing retrospectively but also analyses the future directions of research and theory demonstrating how it can contribute to wider debates in the social sciences A comprehensive introductory chapter is followed by four parts offering complete coverage of the area Markets examines the perception of housing markets how they function in different contexts and the importance of housing behaviour and neighbourhoods Approaches looks at how other disciplines economics geography and sociology have informed the direction of housing studies Context traces the interactions between housing studies and other aspects of society providing context to debate housing through issues of space social welfare and the environment Policy is a multi disciplinary and comprehensive take on the major policy issues and the causes and possible solutions of housing problems such as regeneration and homelessness Edited by leading names in the field and including international contributions the book is a stimulating wide ranging read that will be an invaluable resource for academics and researchers in geography urban studies sociology social policy economics and politics **OCR Sociology for A Level Book 1** Sue Brisbane, Katherine Roberts, Paul Taylor, Steve Chapman, Jannine Jacobs-Roth, Nayda Ali, 2015-10-30 Exam Board OCR Level A level Subject Sociology First Teaching September 2015 First Exam June 2016 Build students confidence to tackle the key themes of the 2015 OCR A Level Sociology specification with this clear and accessible approach delivered by a team of leading subject authors Develop knowledge and understanding of key Year 1 concepts in a contemporary context including globalisation and the digital social world Strengthen essential sociological skills with engaging activities at every stage of the course Reinforce learning and prepare for exams with practice and extension questions and exercises **Job Stress and the Librarian** Carol Smallwood, Linda Burkey Wade, 2013-08-03 Practicing academic public school and special librarians and LIS faculty in the United States offer practical how to essays on managing stress as working librarians Creative methods of diffusing stress are emphasized adaptive to various types of libraries and job descriptions The book is divided into several parts Defusing and Reducing Conflict at Work Stress Management Library Programs for Patrons and Staff Balancing the Professional and the Personal Juggling Responsibilities Easing Stress on a Budget Overcoming Challenges and Navigating Career Transitions Facing budget and staff cuts increasingly diverse patrons and rapidly changing technology librarians have stressful jobs and this collection helps meet a concrete need **Transnational Geographies of The Heart** Katie Walsh, 2018-04-03 Transnational Geographies of the Heart explores the spatialisation of intimacy in everyday life through an analysis of intimate subjectivities in transnational spaces Draws on ethnographic research with British migrants in Dubai United Arab Emirates during a phase of rapid globalisation and economic diversification in 2002 2004 Highlights the negotiation of inter personal relationships as enormously significant in relation to the dialectic of home and migration Includes four empirical chapters

focused on the production of expatriate subjectivities community and friendships sex and romance and families Demonstrates that a critical analysis of the geographies of intimacy might productively contribute to our understanding of the ways in which intimate subjectivities are embodied emplaced and co produced across binaries of public private and local global space

Cities and Gender Helen Jarvis,Jonathan Cloke,Paula Kantor,2009-06-02 Men and women experience the city differently in relation to housing assets use of transport relative mobility spheres of employment and a host of domestic and caring responsibilities An analysis of urban and gender studies as co constitutive subjects is long overdue Cities and Gender is a systematic treatment of urban and gender studies combined It presents both a feminist critique of mainstream urban policy and planning and a gendered reorientation of key urban social environmental and city regional debates It looks behind the headlines on issues of transport housing uneven development regeneration and social exclusion for instance to account for the hidden infrastructure of everyday life The three main sections on Approaching the City Gender and Built Environment and finally Representation and Regulation explore not only the changing environments working practices and household structures evident in European and North American cities today but also those of the global south International case studies alert the reader to stark contrasts in gendered life chances differences between north and south as well as inequalities and diversity within these regions while at the same time highlighting interdependencies which globally thread through the lives of women and men as the result of uneven development This book introduces the reader to previously neglected dimensions of gendered critical urban analysis It sheds light through competing theories and alternative explanations on recent transformations of gender roles state and personal politics and power relations across intersecting spheres of home work the family urban settlements and civil society It takes a household perspective alongside close scrutiny of social networks gender contracts welfare regimes and local cultural milieu In addition to providing the student with a solid conceptual grounding across broad structures of production consumption and social reproduction the argument cultivates an interdisciplinary awareness of and dialogue between the everyday issues of urban dwellers in affluent and developing world cities The format of the book means that included with each chapter are key definitions boxed concepts and case study evidence along with specifically tailored learning activities and further reading This is both a timely and trenchant discussion that has pertinence for students scholars and researchers

The Routledge Handbook of Heterodox Economics Tae-Hee Jo,Lynne Chester,Carlo D'Ippoliti,2017-07-28 The Routledge Handbook of Heterodox Economics presents a comprehensive overview of the latest work on economic theory and policy from a pluralistic heterodox perspective Contributions throughout the Handbook explore different theoretical perspectives including Marxian radical political economics Post Keynesian Sraffian economics institutionalist evolutionary economics feminist economics social economics Regulation theory the Social Structure of Accumulation approach and ecological economics They explain the structural properties and dynamics of capitalism as well as propose economic and social policies for the benefit of the majority of the population This book aims firstly to provide

realistic and coherent theoretical frameworks to understand the capitalist economy in a constructive and forward looking manner Secondly it delineates the future directions as well as the current state of heterodox economics and then provides both heat and light on controversial issues drawing out the commonalities and differences among different heterodox economic approaches The volume also envisions transformative economic and social policies for the majority of the population and explains why economics is and should be treated as a social science This Handbook will be of compelling interest to those including students who wish to learn about alternative economic theories and policies that are rarely found in conventional economics textbooks or discussed in the mainstream media and to critical economists and other social scientists who are concerned with analyzing pressing socio economic issues
