## **Gender And Ethnicity In Contemporary Europe:**

*Gender and Ethnicity in Contemporary Europe* Jacqueline Andall, 2003-04-01 Contemporary Europe is in the midst of a cultural and social crisis Debates over how European societies should respond to their changing ethnic profile lie at the heart of this crisis whilst the issues raised have been given sharper focus by nationalist political parties espousing an anti immigration agenda This book examines the relationship between gender and ethnicity in Europe viewed from within an immigration framework To date much of the research on Europe has treated gender and ethnicity in isolation The contributors to this collection rectify this They make the links between these two areas thus giving ethnic minority women greater visibility within the European context They consider the relationship between gender and ethnicity from a number of thematic perspectives including the feminization of migration political mobilization by ethnic minority women women and Islam and the formation of identity The case studies examine Islamic cultures in Italy Turkish identity in Germany the political experience of South Asian women in the UK migrant women in Spain challenges to the social reputation of Muslim women in the Netherlands evolving perceptions in Post Communist Russia and political activism in France The book also considers white women s identity and questions whether or not a service caste drawn from contemporary migrant women is emerging in today s Europe Throughout we learn about the new and different forms of Europeanness that these women are forging

*Ethnic Europe* Roland Hsu, 2010-02-05 Ethnic Europe examines the increasingly complex ethnic challenges facing the expanding European Union Essays from eleven experts tackle such issues as labor migration strains on welfare economies the durability of local traditions the effects of globalized cultures and the role of Islamic diasporas separatist movements and threats of terrorism With Europe now a destination for global immigration European countries are increasingly alert to the difficult struggle to balance minority rights with social cohesion In pondering these dilemmas the contributors to this volume take us from theory history and broad views of diasporas to the particularities of neighborhoods borderlands and popular literature and film that have been shaped by the mixing of ethnic cultures

*Nation and Gender in Contemporary Europe* Vera Tolz, Stephenie Booth, 2005 Building on the growing body of theoretical literature on the gendered nature of nationalism this book offers a systematic examination of similarities and differences in the construction of gender and national identities in post communist societies of Eastern and East Central Europe as well as established and the more stable democracies of Western Europe It points to some of the key sources of inevitable tensions in the future united Europe which stem from different perceptions of national and gender roles in different parts of the continent

**Gender and Cosmopolitanism in Europe** Ulrike M. Vieten, 2016-04-15 Gender and Cosmopolitanism in Europe combines a feminist critique of contemporary and prominent approaches to cosmopolitanism with an in depth analysis of historical cosmopolitanism and the manner in which gendered symbolic boundaries of national political communities in two European countries are drawn Exploring the work of prominent scholars of new cosmopolitanism in Britain and Germany including

Held Habermas Beck and Bhabha it delivers a timely intervention into current debates on globalisation Europeanisation and social processes of transformation in and beyond specific national societies A rigorous examination of the emancipatory potential of current debates surrounding cosmopolitanism in Europe this book will be of interest to sociologist and political scientists working on questions of identity inclusion citizenship globalisation cosmopolitanism and gender Queering the Migrant in Contemporary European Cinema James S. Williams,2020-08-27 This exciting and original volume offers the first comprehensive critical study of the recent profusion of European films and television addressing sexual migration and seeking to capture the lives and experiences of LGBTIQ migrants and refugees Queering the Migrant in Contemporary European Cinema argues that embodied cinematic representations of the queer migrant even if at times highly ambivalent and contentious constitute an urgent new repertoire of queer subjectivities and socialities that serve to undermine the patrolled borders of gender and sexuality nationhood and citizenship and refigure or queer fixed notions and universals of identity like Europe and national belonging based on the model of the family At stake ethically and politically is the elaboration of a transborder consciousness and aesthetics that counters the homonationalist xenophobic and homo trans phobic representation of the migrant to Europe figure rooted in the toxic binaries of othering the good vs bad migrant host vs guest indigenous vs foreigner Bringing together 16 contributors working in different national film traditions and embracing multiple theoretical perspectives this powerful and timely collection will be of major interest to both specialists and students in Film and Media Studies Gender and Queer Studies Migration Mobility Studies Cultural Studies and Aesthetics **Nation and Identity in Contemporary Europe** Brian Jenkins,Spyros A. Sofos,2003-09-02 The resilience of nationalism in contemporary Europe may seem paradoxical at a time when the nation state is widely seen as being in decline The contributors of this book see the resurgence of nationalism as symptomatic of the quest for identity and meaning in the complex modern world Challenged from above by the supranational imperatives of globalism and from below by the complex pluralism of modern societies the nation state in the absence of alternatives to market consumerism remains a focus for social identity Nation and Identity in Contemporary Europe takes a fully interdisciplinary and comparative approach to the national question Individual chapters consider the specifics of national identity in France Germany Britain Italy Iberia Russia the former Yugoslavla and Poland while looking also at external forces such as economic globalisation European supranationalism and the end of the Cold War Setting current issues and conflicts in their broad historical context the book reaffirms that nations are not natural phenomena but constructed forms of social identity whose future will be determined in the social arena Gender and Fraternal Orders in Europe, 1300-2000 Máire Fedelma Cross,2010-09-30 What have medieval nuns parrot shooting Freemasonry and Shetland revelry got in common This study of monastic orders guilds Freemasonry and friendly societies over centuries and across frontiers provides new insights into their contribution to the gendering of public space and the evolution of separate spheres in Europe **Identity and Migration in Europe:**

**Multidisciplinary Perspectives** MariaCaterina La Barbera,2014-11-24 This book addresses the impact of migration on the formation and transformation of identity and its continuous negotiations Its ground is the understanding of identity as a complex social phenomenon resulting from constant negotiations between personal conditions social relationships and institutional frameworks Migrations understood as dynamic processes that do not end when landing in the host country offer the best conditions to analyze the construction and transformation of social identities in the postcolonial and globalized societies Searching for novel epistemologies and methodologies the research questions here addressed are how identity is negotiated in migration processes and how these negotiations work in contemporary multiethnic Europe This edited volume brings to the field a novel convergence of theoretical and empirical approaches by gathering together scholars from different countries of Europe and the Mediterranean area from different disciplines and backgrounds challenging the traditional discipline division

New Perspectives on Gender and Migration Nicola Piper,2013-09-13 This book discusses recent theoretical and empirical developments in international migration from a gender perspective Its main objective is to analyse the diversification and stratification of gendered migratory streams with regard to skill level labour market integration and legal status In turn a migrant s position in relation to these axes influences access to entitlements and rights Conceptually the book builds upon the recent shift in scholarly research on migration with women centred research shifting more toward the analysis of gender Migration is now viewed as a gendered phenomenon that requires more sophisticated theoretical and analytical tools than sex as a dichotomous variable Theoretical formulations of gender as relational and as spatially and temporally contextual have begun to inform gendered analyses of migration The contributions to this book elaborate in more detail the broader social factors that influence migrating women s and men s roles access to resources facilities and services Empirically all major regions are discussed pointing to common trends such as the increasing significance of the regionalization of migration flows as well as some noteworthy differences

Gender Equality, Citizenship and Human Rights Pauline Stoltz,Marina Svensson,2010-04-05 This comparative volume examines the ways in which current controversies and political legal and social struggles for gender equality raise conceptual questions and challenge our thinking on political theories of equality citizenship and human rights Bringing together scholars and activists who reflect upon challenges to gender equality citizenship and human rights in their respective societies it combines theoretical insights with empirically grounded studies The volume contextualises feminist political theory in China and the Nordic countries and subsequently puts it into a global perspective It tackles a complex set of tensions across a dense and shifting landscape and addresses issues including labour health democracy homosexuality migration and racism By cutting across geographical and disciplinary boundaries this book will be of interest to students and scholars of comparative politics gender studies human rights and also those interested in Scandinavian and Asian politics

Handbook of Contemporary European Social Theory Gerard Delanty,2006-09-27 This innovative publication maps out the broad and interdisciplinary field of contemporary

European social theory It covers sociological theory the wider theoretical traditions in the social sciences including cultural and political theory anthropological theory social philosophy and social thought in the broadest sense of the term This volume surveys the classical heritage the major national traditions and the fate of social theory in a post national and post disciplinary era It also identifies what is distinctive about European social theory in terms of themes and traditions It is divided into five parts disciplinary traditions national traditions major schools key themes and the reception of European social theory in American and Asia Thirty five contributors from nineteen countries across Europe Russia the Americas and Asian Pacific have been commissioned to utilize the most up to date research available to provide a critical international analysis of their area of expertise Overall this is an indispensable book for students teachers and researchers in sociology cultural studies politics philosophy and human geography and will set the tone for future research in the social sciences

Gender and Migration Anna Amelina, Helma Lutz, 2018-10-30 From its beginnings in the 1970s and 1980s interest in the topic of gender and migration has grown Gender and Migration seeks to introduce the most relevant sociological theories of gender relations and migration that consider ongoing transnationalization processes at the beginning of the third millennium These include intersectionality queer studies social inequality theory and the theory of transnational migration and citizenship all of which are brought together and illustrated by means of various empirical examples With its explicit focus on the gendered structures of migration sending and migration receiving countries Gender and Migration builds on the most current conceptual tool of gender studies intersectionality which calls for collective research on gender with analysis of class ethnicity race sexuality age and other axes of inequality in the context of transnational migration and mobility The book also includes descriptions of a number of recommended films that illustrate transnational migrant masculinities and femininities within and outside of Europe A refreshing attempt to bring in considerations of queer theory and sexual identity in the area of gender migration studies this insightful volume will appeal to students and researchers interested in fields such as sociology social anthropology political science intersectional studies and transnational migration

**The Roma and Their Struggle for Identity in Contemporary Europe** Huub van Baar, Angéla Kóczé, 2020-02-03 Thirty years after the collapse of Communism and at a time of increasing anti migrant and anti Roma sentiment this book analyses how Roma identity is expressed in contemporary Europe From backgrounds ranging from political theory postcolonial cultural and gender studies to art history feminist critique and anthropology the contributors reflect on the extent to which a politics of identity regarding historically disadvantaged racialized minorities such as the Roma can still be legitimately articulated

*Gender and Insecurity* Jane Freedman, 2017-07-05 This title was first published in 2003 Migration is a phenomenon which is at the heart of global politics and within the EU governments are continually trying to reinforce their controls of migration These controls designed to increase the security of European populations may however have the adverse effect of increasing the insecurity of migrants This is particularly true for the many women who migrate to Europe and find themselves in insecure

positions because of their lack of independent legal status the difficulty of access to adequate health and social security provision and their particular vulnerability to both domestic and institutional forms of violence They are often in economically weak positions either unemployed or in badly paid part time or domestic jobs with no forms of social protection Gender and Insecurity addresses these various forms of insecurity and details ways in which they might be addressed Further it looks at the ways in which immigrant women have themselves tried to fight against these insecurities through their own political mobilisation      *Gender and International Migration in Europe* Eleonore Kofman, Annie Phizacklea, Parvati

Raghuram, Rosemary Sales, 2005-06-20 *Gender and International Migration in Europe* is a unique work which introduces a gender dimension into theories of contemporary migrations As the European Union seeks to extend equal opportunities increasingly restrictionist immigration policies and the persistence of racism deny autonomy and choice to migrant women This work demonstrates how processes of globalisation and change in state policies on employment and welfare have maintained a demand for diverse forms of gendered immigration The authors examine state and European Union policies of immigration control family reunion refugees and the management of immigrant and ethnic minority communities Most importantly this work considers the opportunities created for political activity by migrant women and the extent to which they are able to influence and participate in mainstream policy making This volume will be essential reading for anyone involved in or interested in modern European immigration policy      *Gender, Migration, and the Public Sphere, 1850-2005*

Marlou Schrover, Eileen Yeo, 2011-01-13 Exploring theories of difference in labor market participation network formation and the immigrant organising process on belonging and diaspora and a theory of vulnerability A Global History of Gender and Migration looks critically at two centuries of the migration experience from the perspectives of women and men separately and together      *Gender, Nation and Religion in European Pilgrimage* Catrien Notermans, 2016-04-22 Despite the forces of

secularization in Europe old pilgrimage routes are attracting huge numbers of people and given new meanings in the process In pilgrimage religious or spiritual meanings are interwoven with social cultural and politico strategic concerns This book explores three such concerns under intense debate in Europe gender and sexual emancipation trans national identities in the context of migration and European unification and religious identifications in a changing religious landscape The interdisciplinary contributions to this book explore a range of such controversies and issues including Africans renewing family ties at Lourdes Swedish women at midlife or young English men testing their strength on the Camino to Santiago de Compostela New Age pilgrims and sexuality Saints festivals in Spain and Brittany conservative Catholics challenging Europe's liberal policies on abortion Polish migrants and French Algerians reconfiguring their transnational identity by transporting their familiar Madonna to their new home new sacred spaces created such as the shrine of Our Lady of Santa Cruz traditional Christian saints such as Mary Magdalene given new meanings as new age goddess and foundation legends of shrines revived by new visionaries Pilgrimage sites function as nodes in intersecting networks of religious discourses

geographical routes and political preoccupations which become stages for playing out the boundaries between home and abroad Muslims and Christians pilgrimage and tourism Europe and the world This book shows how the old routes of Europe are offering inspirational opportunities for making new journeys *Thamyris Overcoming Boundaries: Ethnicity, Gender and Sexuality*.
