Gender And Policing Comparative Perspectives:

Gender and Policing Jennifer Brown, Frances Heidensohn, 2000 This study surveys women's role in policing drawing both on the authors original comparative research and on the questions theories and findings raised by existing literature Within a global and historically sensitive framework the book explores such themes as the gender dimension of policing the representation of policewomen the extent to which different national traditions diverge or converge the strategies adopted by policewomen and their colleagues or organisations in order to address the particular problems and challenges that their role raises

Gender and Policing Louise Westmarland, 2002 Derived from extensive ethnographic research involving police responses to gangland shootings high speed car chases as well as more routine policing activities this book examines the way police attitudes and beliefs combine to perpetuate a working culture which is dependent upon traditional conceptions of male and female In doing so it challenges previously held assumptions about the way women are harassed manipulated and constrained focusing rather on the more subtle impact of structures and norms within police culture

Women Policing across the Globe Cara Rabe-Hemp, Venessa Garcia, 2019-10-16 Women Policing across the Globe provides a cross cultural comparison of the integration of women in policing across the globe paying special attention to the unique contributions that women make to the field along with the shared challenges and resistance they face Individual chapters within the book provide students with a snapshot of the status of women in modern police agencies in the countries of the United States Kuwait China the United Kingdom Australia the United Arab Emirates and Taiwan However shared issues and successes of women police in many more countries worldwide are discussed throughout the entire book This book allows students to explore the different origins of entry specialized roles their experiences of resistance and effects of historical events that have shaped the experiences of modern women police from across the world The authors discuss the new gains women are making despite the obstacles they face and ways they are transforming how policing is done every day And finally this book closes with collective issues and successes faced by women police worldwide

Comparative Perspectives on Gender Violence Rashmi Goel, Leigh Goodmark, 2015 The United States has exported its law on gender violence without regard to effectiveness or cultural context and without asking about efforts to combat gender violence in the rest of the world This book answers that question by surveying the work being done around the world to eradicate gender violence

Women Police in Contemporary China Anqi Shen, 2021-11-11 This is the first book to look at women in policing in the mainland of the People's Republic of China Informed by empirical data as well as rich secondary information drawn from a wide range of published materials and written by a former police officer in China this book offers a detailed discussion of key issues concerning women in the Chinese police Mainly drawing on face to face interviews with police officers and student probationers in multiple force areas Women Police in Contemporary China offers rich insights into women's lives in Chinese policing The book first discusses how Chinese women were introduced to the male only organisation and their representation

in the Chinese police today It elaborates women s experiences as female officers in the police and more specifically their everyday work contributions to policing women police s own perceptions of their roles and positions in the police profession and the gendered challenges and concerns facing them It also looks at police occupational culture from a gendered lens This book is illuminating reading for all those engaged in policing studies gender and justice policymaking comparative criminal justice and all those interested in a woman s role in the Chinese police *Women in Policing around the World* Venessa Garcia,2021-03-24

Women in Policing around the World is a historical legal political and social examination of women in policing The book opens with a comparison of cultural definitions of gender and how this affects women s work in general and policing specifically The book then takes the reader through women in policing in the Eastern and Western Hemispheres featuring several countries within the major regions of the world Major commonalities and differences are identified in the areas of recruitment training deployment promotion and violence against women Among the key features of this book is a balanced coverage of historical and timely events that led to the current status of women police in their respective countries The book identifies the commonalities that women police experience throughout the world relying on the most current research The book also dedicates coverage of policing violence against women in society as well as within the police organization itself The author includes tables to allow for national comparisons throughout the book as well as current and historical photos This book is intended for researchers and students of police culture and women in policing It does not rely heavily on one country or region thus allowing for an enlightening international comparison Study Skills for Criminology

Skills hub for tips quizzes and videos on study success *Police Administration* Gary W. Cordner, 2013-03-18 This text examines police administration from multiple perspectives a systems perspective emphasizing the interrelatedness among units and organizations a traditional structural perspective administrative principles management functions and the importance of written guidelines a human behavioral perspective the human element in organizations and a strategic management perspective communications and information systems performance evaluation strategies and tactics and prevailing and promising approaches to increasing effectiveness of police agencies Coverage of management functions and organizational principles is streamlined while providing a stronger emphasis on diversity principles and on developing police agencies as learning organizations A concluding chapter covers contemporary issues including community engagement collaboration globalization racial profiling mass media cyber crime terrorism and homeland security The Theoretical Foundations of Criminology Jayne Mooney, 2019-12-06 To confront the challenges criminologists face today and to satisfactorily critique the theories on which criminology is founded we need to learn from the past To do this we must give context to both theorist and theory Written from a critical perspective this book brings criminological theory to life It presents the core theories of criminology as historical and cultural products and theorists as producers of culture located in particular places writing in specific historical periods and situated in precise intellectual networks and philosophical controversies This book illustrates that theory does not arise out of the blue and highlights the importance of understanding how and why ideas emerge at certain points in time why they gained currency and the influence that they have had It follows the trajectory of criminology from pre Enlightenment society through to the present day and the proliferation of criminological thinking It explores Setting the Stage for the Emergence of Criminology Classicist Criminology The Search for Justice Equality and the Rational Man The Positivist Revolution Physiognomy Phrenology and the Science of Othering Chicago School of Sociology An Explosion of Ideas Developing a Sociological Criminology Durkheim Du Bois Merton and Tannenbaum Feminism Redressing the Gender Imbalance Confronting the Establishment The Emergence of Critical Criminology From Theoretical Innovations to Political Engagement The Theoretical Foundations of Criminology provides an invaluable contribution to the growing conversation about criminology s origin story and the level that this is grounded in the idiosyncrasies of the North Atlantic world and its historical development This book will be invaluable reading to students and academics engaged in studies of criminology and criminal justice **A History of Police and Masculinities, 1700-2010** David G. Barrie, Susan Broomhall, 2012 Bringing together international scholars this book explores how ideologies about masculinities have shaped police culture policy institutional organization from the 18th century to the present day It provides an in depth study of how gender ideologies have shaped law enforcement civic governance under old new police models **Criminology** Eamonn Carrabine, Pamela Cox, Pete Fussey, Dick Hobbs, Nigel South, Darren Thiel, Jackie Turton, 2014-03-21 Building on the success of the second edition *Criminology A Sociological Introduction* offers a comprehensive overview of the

study of criminology from early theoretical perspectives to pressing contemporary issues such as the globalization of crime crimes against the environment and state crime Authored by an internationally renowned and experienced group of authors in the Sociology department at Essex University this is a truly international criminology text that delves into areas that other texts may only reference This new edition will have increased coverage of psychosocial theory as well as more consideration of the social political and economic contexts of crime in the post financial crisis world Focusing on emerging areas in global criminology such as green crime state crime and cyber crime this book is essential reading for criminology students looking to expand their understanding of crime and the world in which they live **Interrogating The Shield** Nicholas

Ray, 2012-09-27 When The Shield first appeared on US television in March 2002 it broke ratings records with the highest audience rated original series premiere in cable history In the course of its subsequent seven season run the show went on to win international acclaim for its abrasive depiction of an urban American dystopia and the systemic political and juridical corruption feeding it The first book dedicated to the analysis of this immensely successful series Interrogating The Shield brings together ten critical essays written from a variety of methodological and theoretical perspectives Topics range from an exploration of the series derivation genre and production to expositions of the ethics aesthetics and politics of the show As may be expected from a multiauthored collection this volume does not seek to present a homogenized account of The Shield The show is variously applauded and critiqued In their critical variety however the essays in this book are a testament to the cultural significance and creative complexity of the series As such they are a reminder of the renewed power of quality television drama today Breaking the Brass Ceiling Dorothy M. Schulz, 2004-11-30 Constituting fewer than 15% of the

nation s police officers women have found it especially difficult to rise through the ranks and achieve higher posts Here those few women who have made it to the top about 1% of the chiefs and sheriffs in American policing share their stories and describe the challenges they faced as they rose to their positions Each of the chiefs compted for their offices with other candidates almost always male The sheriffs virtually all elected officials came under even closer scrutiny While few in number these top cops illustrate the emergence of women as more than token leaders of American sheriff and police departments They are unique groundbreakers who have managed to breach the brass ceiling Here is the fascinating story of how individual women are setting a pace for other women in one of the most male dominated public service fields in America second only behind firefighting in its image as a place where few women have successfully negotiated careers to the top Who are these women and how did they earn the top spot Are they nontraditional women or women in nontraditional positions Do they share common characteristics in terms of family backgrounds race ethnicity age or marital status To what do they attribute their success in the face of overwhelming obstacles How can their experiences with education careers service and assignments help other women achieve similar success in this field or in others Schulz answers these questions as she vividly recounts the paths to the top for these determined and exceptional women **Handbook on Sexual Violence** Jennifer

Brown, Sandra Walklate, 2011-10-19 This book contextualizes the complexity of sexual violence within its broader context from war to the resolution of interpersonal disputes and covers a wide span including sexual harassment bullying rape and murder as well as domestic violence Written by leading academics from a variety of disciplines contributions also include commentaries that relate the research to the work of practitioners Despite advances made in the investigation of sexual offences evidence still points to a continued belief in the culpability of victims in their own victimization and a gap between the estimated incidence of sexual violence and the conviction of perpetrators Adopting an implicitly and explicitly critical stance to contemporary policy responses that continue to fail in addressing this problem this book focuses on attitudes and behaviour towards sexual violence from the point of view of the individual experiencing the violence perpetrator and victim and situates them within a broader societal frame It is through an understanding of social processes and psychological mechanisms that underpin sexual violence that violence can be combated and harm reduced and at this individual level that evidence based interventions can be designed to change policy and practice The Handbook is split into four sections Legacies Setting the Scene offers a critical overview of historical legal and cultural processes which help to explain the origins of current thinking and offer steers for future developments Theories and Concepts examines contemporary thinking on sexual violence and reviews explanatory frameworks from a number of perspectives Acts of Sexual Violence reviews a number of specific types of sexual violence elaborating the range of circumstances victims and perpetrators with a view to addressing the general and pervasive nature of such violence thus contradicting narrow cultural stereotyping Responding to Sexual Violence overviews and evaluates current policies and practices and offers new ideas to develop different types of interventions The editors conclusion not only draws out the key themes and ideas from contributions to the Handbook but also considers the nature of and the extent to which any progress has been made in understanding and responding to sexual violence This will be a key text for students and academics studying sexual violence and an essential reference tool for professionals working in the field including police officers probation staff lawyers and judges

The Mysterious Case of the Victorian Female Detective Sara Lodge, 2024-11-05 A revelatory history of the women who brought Victorian criminals to account and how they became a cultural sensation From Wilkie Collins to the adventures of Sherlock Holmes the traditional image of the Victorian detective is male Few people realise that women detectives successfully investigated Victorian Britain working both with the police and for private agencies which they sometimes managed themselves Sara Lodge recovers these forgotten women's lives She also reveals the sensational role played by the fantasy female detective in Victorian melodrama and popular fiction enthralling a public who relished the spectacle of a cross dressing fist swinging heroine who got the better of love rats burglars and murderers alike How did the morally ambiguous work of real women detectives sometimes paid to betray their fellow women compare with the exploits of their fictional counterparts who always save the day Lodge's book takes us into the murky underworld of Victorian society on both sides of the Atlantic revealing the female detective as

both an unacknowledged labourer and a feminist icon Criminology Tim Newburn,2017-02-22 Comprehensive and accessible Tim Newburn's bestselling Criminology provides an introduction to the fundamental themes concepts theories methods and events that underpin the subject and form the basis for all undergraduate degree courses and modules in Criminology and Criminal Justice This third edition includes A new chapter on politics reflecting the ever increasing coverage of political influence and decision making on criminology courses New and updated crime data and analysis of trends plus new content on recent events such as the Volkswagen scandal the latest developments on historic child abuse as well as extended coverage throughout of the English riots A fully revised and updated companion website including exam review and multiple choice questions a live Twitter feed from the author providing links to media and academic coverage of events related to the concepts covered in the book together with links to a dedicated textbook Facebook page Fully updated to reflect recent developments in the field and extensively illustrated this authoritative text written by a leading criminologist and experienced lecturer is essential reading for all students of Criminology and related fields Find online resources for both students and instructors at <https://routledge.textbooks.com/textbooks/9781138643130> Rape Miranda A. H. Horvath,Jennifer M. Brown,2022-08-09 Rape Challenging Contemporary Thinking 10 Years On takes stock of current thinking and research about rape and the way it is handled in practice within the criminal justice system as well as challenging some of the widely held but inaccurate beliefs about rape The second edition of Rape Challenging Contemporary Thinking 10 Years On is not a traditional new edition although it does provide updated versions of substantive issues covered in the first edition Bringing the book to the cutting edge it incorporates both old and new contexts where sexual exploitation takes place identifying some knowledge gaps especially when considering the voices of complainants victims survivors who are invisible or muted numerous new areas of research including the implications arising from MeToo and Black Lives Matter movements the limitations of our present criminal justice systems and radical alternatives to closing the justice gap The new book reflects the global reach of research and thinking about rape including more international coverage with material from India the US Canada Australia and New Zealand as well as the UK In order to learn from our shared history in this field two authors reflect on their careers and other authors were encouraged to move away from conventional academic formats to convey their stories Bringing together leading researchers in the field of psychology sociology and law considering new research and presenting new data from a strong theoretical and contextual base the chapters are provocative and engage in innovative thinking whilst remaining grounded in the available evidence This book is essential reading for students of criminology forensic psychology sociology criminal justice law media studies and women's gender studies It also aims to inform professionals engaged in the investigation prosecution of rape support and preventative services **Addressing Offending Behaviour** Simon Green,Elizabeth Lancaster,Simon Feasey,2013-05-13 Offending behaviour is one of the most talked about issues in contemporary society What can be done to stop people reoffending What can be done to help people

escape their criminal lifestyles This book aims to review and analyse the different ways in which these questions are addressed in practice drawing upon the expertise of academics and practitioners The book provides a critical reference text for practitioners students and researchers interested in devising the most effective means of addressing offending behaviour Its focus is on the actual work undertaken with offenders and draws upon generic issues of practice applicable across the voluntary community and statutory sectors Addressing Offending Behaviour aims to bridge the gap between practice and research It explores a wide range of innovative techniques for offender intervention along with some of the most challenging academic theories It also considers the wider social political and legal context in which this work takes place and explores the values and bias which operate at both individual and institutional levels It will be key reading for both students and practitioners involved in the fields of criminology and criminal justice law policing probation prisons youth justice and social work

Routledge Handbook of Critical Criminology Walter S. DeKeseredy, Molly Dragiewicz, 2011-10-27 The Routledge Handbook of Critical Criminology is a collection of original essays specifically designed to offer students faculty policy makers and others an in depth overview of the most up to date empirical theoretical and political contributions made by critical criminologists around the world Special attention is devoted to new theoretical directions in the field such as cultural criminology masculinities studies and feminist criminologies Its diverse essays not only cover the history of critical criminology and cutting edge theories but also the variety of research methods used by leading scholars in the field and the rich data generated by their rigorous empirical work In addition some of the chapters suggest innovative and realistic short and long term policy proposals that are typically ignored by mainstream criminology These progressive strategies address some of the most pressing social problems facing contemporary society today and that generate much pain and suffering for socially and economically disenfranchised people The Handbook explores up to date empirical theoretical and political contributions and is specifically designed to be a comprehensive resource for undergraduate and post graduate students researchers and policy makers

Contesting Bodies and Nation in Canadian History Patrizia Gentile, Jane Nicholas, 2013-01-01 In this first collection on the history of the body in Canada an interdisciplinary group of scholars explores the multiple ways the body has served as a site of contestation in Canadian history in the nineteenth and twentieth centuries

Gender And Policing Comparative Perspectives Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gender And Policing Comparative Perspectives has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gender And Policing Comparative Perspectives has opened up a world of possibilities. Downloading Gender And Policing Comparative Perspectives provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gender And Policing Comparative Perspectives has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gender And Policing Comparative Perspectives. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gender And Policing Comparative Perspectives. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gender And Policing Comparative Perspectives, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gender And Policing Comparative

Perspectives has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gender And Policing Comparative Perspectives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gender And Policing Comparative Perspectives is one of the best book in our library for free trial. We provide copy of Gender And Policing Comparative Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gender And Policing Comparative Perspectives. Where to download Gender And Policing Comparative Perspectives online for free? Are you looking for Gender And Policing Comparative Perspectives PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Gender And Policing Comparative Perspectives. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Gender And Policing Comparative Perspectives are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products

categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Gender And Policing Comparative Perspectives. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Gender And Policing Comparative Perspectives To get started finding Gender And Policing Comparative Perspectives, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Gender And Policing Comparative Perspectives So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Gender And Policing Comparative Perspectives. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Gender And Policing Comparative Perspectives, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Gender And Policing Comparative Perspectives is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Gender And Policing Comparative Perspectives is universally compatible with any devices to read.
