Gender Articulated Language And The Socially Constructed Self

Alessandro Duranti

Gender Articulated Language And The Socially Constructed Self:

Gender Articulated Kira Hall, Mary Bucholtz, 2012-11-12 *Gender Articulated* is a groundbreaking work of sociolinguistics that forges new connections between language related fields and feminist theory Refuting apolitical essentialist perspectives on language and gender the essays presented here examine a range of cultures languages and settings They explicitly connect feminist theory to language research Some of the most distinguished scholars working in the field of language and gender today discuss such topics as Japanese women s appropriation of men s language the literary representation of lesbian discourse the silencing of women on the Internet cultural mediation and Spanish use at New Mexican weddings and the uses of silence in the Anita Hill Clarence Thomas hearings

The MIT Encyclopedia of the Cognitive Sciences (MITECS)

Robert A. Wilson, Frank C. Keil, 2001-09-04 Since the 1970s the cognitive sciences have offered multidisciplinary ways of understanding the mind and cognition The MIT Encyclopedia of the Cognitive Sciences MITECS is a landmark comprehensive reference work that represents the methodological and theoretical diversity of this changing field At the core of the encyclopedia are 471 concise entries from Acquisition and Adaptationism to Wundt and X bar Theory Each article written by a leading researcher in the field provides an accessible introduction to an important concept in the cognitive sciences as well as references or further readings Six extended essays which collectively serve as a roadmap to the articles provide overviews of each of six major areas of cognitive science Philosophy Psychology Neurosciences Computational Intelligence Linguistics and Language and Culture Cognition and Evolution For both students and researchers MITECS will be an indispensable guide to the current state of the cognitive sciences

The Handbook of Language and Gender

Janet Holmes, Miriam Meyerhoff, 2008-04-15 The Handbook of Language and Gender is a collection of articles written by leading specialists in the field that examines the dynamic ways in which women and men develop and manage gendered identities through their talk Provides a comprehensive up to date and stimulating picture of the field for students and researchers in a wide range of disciplines Features data and case studies from interactions in different social contexts and from a range of different communities

Gender and Language Theory and Practice

Lia Litosseliti, 2014-02-04 The book introduces both theoretical and applied perspectives identifying and explaining the relevant frameworks and drawing on a range of activities examples of how gender is constructed in discourse The book is divided into three parts Part I covers the historical background to the study of gender and language moving on through past theoretical approaches to a discussion of current debates in the field with particular emphasis on the role of discourse analysis In Part II gender is examined in context with chapters focussing on gender and language in education the mass media and the workplace Finally Part III briefly looks at key principles and approaches to gender and language research and includes activities study questions and resources for teachers in the field Rich with examples and activities drawn from current debates and events this book is designed to be appealing and informative and will capture the imaginations of readers from a range of backgrounds and disciplines

Multilingualism, Second Language Learning, and Gender Aneta Pavlenko, Adrian Blackledge, Ingrid Piller, Marya Teutsch-Dwyer, 2011-04-20 This volume presents a comprehensive introduction to the study of second language learning multilingualism and gender An impressive array of papers situated within a feminist poststructuralist framework demonstrates how this framework allows for a deeper understanding of second language learning a number of language contact phenomena intercultural communication and critical language pedagogy The volume has wide appeal to students and scholars in the fields of language and gender sociolinguistics SLA anthropology and language education

Failing Boys? Epstein, Debbie, 1998-11-01 *Failing Boys* Issues in Gender and Achievement challenges the widespread perception that all boys are underachieving at school It raises the more important and critical questions of which boys At what stage of education And according to what criteria The issues surrounding boys underachievement have been at the centre of public debate about education and the raising of standards in recent years Media and political responses to the problem of boys have tended to be simplistic partial and owe more to quick fixes than investigation and research *Failing Boys* provides a detailed and nuanced case study of the issues in the UK which will be of international relevance as the moral panic is a globalised one taking place in diverse countries The contributors to this book take seriously the issues of boys underachievement inside and outside school from a critical perspective which draws on the insights of previous feminist studies of education to illuminate the problems associated with the education of boys This will be a key text for educators policy makers students and teachers of education sociology gender studies and cultural studies and others interested in gender and achievement

Gender and Discourse Ruth Wodak, 1997 *Discourse and Gender* demonstrates the considerable contribution of feminist linguistics and critical discourse analysis to the understanding of gender and sex making clear the relevance of theoretical insights for social research in general

sociology and anthropology to communication and gender studies

Women, Men and Language Jennifer

Coates, 2015-12-22 *Women Men and Language* has long been established as a seminal text in the field of language and gender providing an account of the many ways in which language and gender intersect In this pioneering book bestselling author Jennifer Coates explores linguistic gender differences introducing the reader to a wide range of sociolinguistic research in the field Written in a clear and accessible manner this book introduces the idea of gender as a social construct and covers key topics such as conversational practice same sex talk conversational dominance and children's acquisition of gender differentiated language discussing the social and linguistic consequences of these patterns of talk Here reissued as a Routledge Linguistics Classic this book contains a brand new preface which situates this text in the modern day study of language and gender covering the postmodern shift in the understanding of gender and language and assessing the book's impact on the field *Women Men and Language* continues to be essential reading for any student or researcher working in the area of language and gender

Language and Woman's Place Robin Tolmach Lakoff, 2004 Widely recognized as having inaugurated feminist research on the relationship between gender and language this revised edition includes an introduction and annotations by the author in which she reflects on some of the most widely discussed issues it raises

Feminist

Perspectives on Language Margaret Gibbon, 2018-12-14 The Feminist Perspectives Series seeks to provide concise accessible and engaging introductions to key feminist topics and debates The texts in the series are designed to be used on a wide range of courses exploring feminist issues and are written by experienced teachers who are also well known in their respective fields Each book in the series includes the most up to date statistics research data key sources and suggestions for further reading *Feminist Perspectives On Language* provides an accessible introduction to this complex area It redresses the balance of current feminist texts which tend to concentrate on discourse analysis and fail to connect with feminist thought in other disciplines such as sociology and politics The text is divided into two parts the first looks at language itself how we learn language exploring such questions as Does language free or trap us Does our language affect how we come to understand the world around us Is our language sexist If so does that reflect male dominance in society and many more issues Part Two explores questions of methodology and interpretation examining language in use communication styles and the analysis of conversation

A Companion to Linguistic Anthropology

Alessandro Duranti, 2008-04-15 *A Companion to Linguistic Anthropology* provides a series of in depth explorations of key concepts and approaches by some of the scholars whose work constitutes the theoretical and methodological foundations of the contemporary study of language as culture Provides a definitive overview of the field of linguistic anthropology comprised of original contributions by leading scholars in the field Summarizes past and contemporary research across the field and is intended to spur students and scholars to pursue new paths in the coming decades Includes a comprehensive bibliography of over 2000 entries designed as a resource for anyone seeking a guide to the literature of linguistic anthropology

Power and Politeness in the Workplace Janet

Holmes, Maria Stubbe, 2015-02-20 *Power and Politeness in the Workplace* has become established as a seminal text for courses in language and professional communication. Co-authored by bestselling author Janet Holmes, this text provides insights into the way we all talk at work, including a wealth of material illustrating the way people communicate with each other in their ordinary everyday encounters in their workplaces. The analysis focuses in particular on how and why people do power and politeness in the workplace and examines the discourse strategies involved in balancing the competing demands of meeting workplace objectives and getting things done on time with maintaining good collegial workplace relationships. Drawing on a large and very varied corpus of data collected in a wide range of workplaces, the authors explore specific types of workplace talk such as giving advice and instructions, solving problems, running meetings, and making decisions. Attention is also paid to the important contribution of less obviously relevant types of workplace talk such as humour and small talk to the construction of effective workplace relationships. In the final chapter, some of the practical implications of the analyses are identified. This Routledge Linguistics Classic is here reissued with a new preface from the authors covering the methods of analysis, an update on the Language in the Workplace project, and a look at the work in the context of recent research. *Power and Politeness in the Workplace* continues to be a vital read for researchers and postgraduate students in the fields of applied linguistics and communication studies.

Gender Identity and Discourse Analysis Lia Litosseliti, Jane Sunderland, 2002 This is a collection of work by researchers in the area of gender and language. It shows how a discourse approach to the study of gender and language can facilitate the study of the complex and subtle ways in which gender identities are represented, constructed, and contested through language.

Japanese Language, Gender, and Ideology Shigeko Okamoto, Janet S. Shibamoto Smith, 2004-10-28 *Japanese Language, Gender, and Ideology* is a collection of previously unpublished articles by established as well as promising young scholars in Japanese language and gender studies. The contributors to this edited volume argue that traditional views of language in Japan are cultural constructs created by policy makers and linguists, and that Japanese society in general and language use in particular are much more diverse and heterogeneous than previously understood. This volume brings together studies that substantially advance our understanding of the relationship between Japanese language and gender, with particular focus on examining local linguistic practices in relation to dominant ideologies. Topics studied include gender and politeness, the history of language policy, language and Japanese romance novels, and fashion magazines, bar talk, dictionary definitions, and the use of first person pronouns. The volume will substantially advance the agenda of this field and will be of interest to sociolinguists, anthropologists, sociologists, and scholars of Japan and Japanese.

White Hip Hoppers, Language and Identity in Post-Modern America Cecelia Cutler, 2014-02-03 This book examines language and identity among White American middle and upper middle class youth who affiliate with Hip Hop culture. Hip Hop youth engage in practices that range from the consumption of rap music and fashion to practices like MCing, writing and performing raps or rhymes, DJing, mixing records to produce a beat for the MC.

graffiti tagging and break dancing Cutler explores the way in which these young people stylize their speech using linguistic resources drawn from African American English and Hip Hop slang terms She also looks at the way they construct their identities in discussions with their friends and how they talk about and use language to construct themselves as authentic within Hip Hop Cutler considers the possibility that young people experimenting with AAVE styled speech may improve the status of AAVE in the broader society She also addresses the need for educators to be aware of the linguistic patterns found in AAVE and Hip Hop language and ways to build on Hip Hop skills like rhyming and rapping in order to motivate students and promote literacy

Gender, Language and Discourse Ann Weatherall, 2005-07-05 Provides the most comprehensive and up to date discussion of the gender and language field from a psychological perspective **Language and Gender in the Military**, *The Routledge Handbook of Language, Gender, and Sexuality* Jo Angouri, Judith Baxter, 2021-04-26

Shortlisted for BAAL British Association for Applied Linguistics Book Prize 2022 *The Routledge Handbook of Language Gender and Sexuality* provides an accessible and authoritative overview of this dynamic and growing area of research Covering cutting edge debates in eight parts it is designed as a series of mini edited collections enabling the reader and particularly the novice reader to discover new ways of approaching language gender and sexuality With a distinctive focus both on methodologies and theoretical frameworks the Handbook includes 40 state of the art chapters from international authorities Each chapter provides a concise and critical discussion of a methodological approach an empirical study to model the approach a discussion of real world applications and further reading Each section also contains a chapter by leading scholars in that area positioning through their own work and chapters in their part current state of the art and future directions This volume is key reading for all engaged in the study and research of language gender and sexuality within English language sociolinguistics discourse studies applied linguistics and gender studies *A Beginner's Guide to Language and Gender* Allyson Jule, 2008-02-05 *A Beginner's Guide to Language and Gender* offers a broad and accessible introduction to the study of gender and language use for those new to the subject The book introduces the theoretical and practical perspectives including relevant frameworks necessary to understand ways in which language interacts with gender sex in various settings including in media in schools in places of business in places of worship and at home The book is divided into two parts Part I explores the historical background to the study of gender and language moving through past theoretical approaches and debates to current views and trends In Part II gender and language use are examined in various contexts specifically in the media in classrooms in the workplace in the Western church and at home Each chapter offers study questions and further reading suggestions There is also a helpful glossary of key terms at the back of the book *A Beginner's Guide to Language and Gender* is designed to be appealing informative and above all accessible for readers from a range of backgrounds and disciplines
