Gender Divisions And Social Change:

Gender Divisions and Social Change Nickie Charles,1993 This book asks whether gender division of labour which subordinate women need be either universal or inevitable and whether explanations for these divisions are the product of ethnocentric and male dominated research and methodology different types of society against the background of different explanations for gender differences and divisions ranging from sociobiology to marxist feminist Attention is also paid to the emergence and development of gender divisions in the wake of social change such as revolution industrialization and development each as a way of illuminating the other

Social Change Roxanne Friedenfelds,1998 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *The gender dimension of social change* Elisabetta Ruspini,Angela Dale,2002-05-29 The transformations that are now taking place in women s lives are of great interest to social scientists and policy makers yet we know very little about the impact of this social change over time This new study uses longitudinal data information gathered over a considerable period of time to provide new insights into the changing dynamics of lives of women today In particular it explores the potential of longitudinal or life course analysis as a powerful tool for appreciating the gender dimension of social life The contributors view the data from a policy perspective and use comparative analysis from Britain Germany the Netherlands Sweden and Japan to expand our understanding of women s life courses in relation to both men and women and the system of inequality

Social Change, Gender and Violence V. Nikolic-Ristanovic,2013-04-17 Based on large research material collected in Hungary Macedonia Serbia and Bulgaria Social change Gender and Violence is the book which explores the impact of transition from communism and war on everyday life of women and men as well as the way how everyday life and gender related changes affect women s vulnerability to domestic violence and trafficking in women The book also explores the impact of micro level changes on development of civil society women s movement and legal and policy changes regarding violence against women This is a unique book which tries to look at violence against women as connected to oppression of both women and men It argues that violence against women in post communist and war affected societies is significantly connected to the increase of social stratification economic hardship unemployment instability uncertainty and related social stresses changes in gender identity and structural inequalities brought by new world order Using largely accounts of more than hundred interviewed people the author shows vividly how in post communist societies the contradictions of capitalism are interlaced with the mostly negative relics of communism Moreover the book shows how contradictory processes in post communist societies have led to a rather paradoxical result political pluralism and a capitalist economic system generated both violence against women and a women s movement albeit not the conditions for a reduction of violence

Intimate Relationships and Social Change Christina L. Scott,Sampson Lee Blair,2017-09-20 This multidisciplinary volume provides a unique and truly global collection of research on the nature of dating mating and coupling as they occur across a variety of cultures in dynamically shifting societies

Families, Violence And Social Change McKie, Linda, 2005-03-01 This comprehensive analysis on abuse committed in the home provides insights at both the micro and macro levels The book combines legal and social science approaches in a way that makes it essential reading for anyone studying or working on violence related issues Kev t Nousiainen University of Helsinki Johanna Niemi Kiesil inen University of Ume and Anu Pylkk nen University of Helsinki This excellent book offers a timely intervention into debates about violence Whilst most debates still focus on the spectacular rather than mundane forms of violence Linda McKie uses a synthesis of legal sociological and feminist research to show how current debates fail to deal with the violence that underpins our lives Prof Beverley Skeggs University of London An exciting new addition to the series this book tackles assumptions surrounding the family as a changing institution and supposed haven from the public sphere of life It considers families and social change in terms of concepts of power inequality gender generations sexuality and ethnicity Some commentators suggest the family is threatened by increasing economic and social uncertainties and an enhanced focus upon the individual This book provides a resume of these debates as well as a critical review of the theories of family and social change Charts social and economic changes and their impact on the family Considers the prevalence and nature of abuse within families Explores the relationship between social theory families and changing issues in familial relationships Develops a theory of social change and families through a critical and pragmatic stance Key reading for undergraduate students of sociology reading courses such as family gender health criminology and social change

Islam, Gender, & Social Change Yvonne Yazbeck Haddad, John L. Esposito, 1998 The essays collected in this book place this issue in its historical context and offer case studies of Muslim societies from North Africa to Southeast Asia These fascinating studies shed light on the impact of the Islamic resurgence on gender issues in Iran Egypt Jordan Pakistan Oman Bahrain the Philippines and Kuwait Taken together the essays reveal the wide variety that exists among Muslim societies and believers and the complexity of the issues under consideration

Ethnicity, Gender and Social Change Harriet Bradley, Steve Fenton, 1999-02-08 Ethnicity Gender and Social Change explores the social space occupied by both gender and ethnicity As recognition of the sociological importance of gender and ethnicity has grown so has the opportunity for exploring the intersections between them This volume brings together both theoretical reflections and new research in this key area For the sociologist this presents a conceptual challenge while for the individual it may present a series of dilemmas These are intriguingly traced out in studies which take us from Punjabi families in the UK to Surinamese migrants in Amsterdam to Hindu and Muslim women and Black nurses in Britain the African and Asian diasporas and gender identity in post Soviet Latvia
