Gender Families And Close Relationships Vol 3 Feminist Research Journeys:

Gender, Families and Close Relationships Donna L. Sollie, Leigh A. Leslie, 1994-07-15 Feminist research is having an increasing impact on the study of families and close relationships In this book each contributor traces her or his experience of incorporating gender into a research programme informed by feminist ideas methods and ethics This personal statement is then used to reflexively examine the author s own work as well as the work of others on many of the central topics in the study of families and close relationships love caregiving sexuality friendship ageing work and violence Telling Histories (Volume 2 of 3) (EasyRead Super Large 24pt Edition) , **Handbook of Feminist Family Studies** Sally A. Lloyd, April L. Few, Katherine R. Allen, 2009-04-14 The Handbook of Feminist Family Studies presents the important theories methodologies and practices in feminist family studies The editors showcase feminist family scholarship providing both a retrospective and a prospective overview of the field and creating a scholarly forum for interpretation and dissemination of feminist work

Telling Histories (Volume 1 of 2) (EasyRead Super Large 20pt Edition) , *Families, Children and the Quest for a Global Ethic* Robert N. Rapoport, 2019-01-15 Published in 1997 this volume looks at the role of families in the world order and the problems facing them especially in the face of globalization The author takes into account materialist religious gender and environmental concerns Generative Fathering Alan J. Hawkins, David C. Dollahite, 1997 Much contemporary scholarship on fathers comes from a deficit model focusing on men s inadequacies as parents This volume goes beyond a deficit model of fatherhood to what the editors term a generative fathering perspective This approach sees the work fathers do for their children in terms of caring for and contributing to the life of the next generation Following a description of generative fathering placing it in contrast to the role inadequacy perspective of fatherhood the contributors elaborate on generative fathering in terms of gender ethnicity and historical perspectives They present research that helps readers to understand generative fathering in challenging life circumstances such as special needs child **Close Relationships** Clyde Hendrick, Susan S. Hendrick, 2000-02-17 As Ellen Bercheid points out in her foreword to this volume relationship science is a complex and ever expanding field Much credit goes to editors Clyde Hendrick and Susan S Hendrick for their scholarly dedication to the advancement of this multidisciplinary arena This sourcebook demonstrates yet again their expertise and leadership as they succeed in combining many great contributions to the field by some of the most respected specialists around Read this book for a panoramic view of close relationship research with highlights from current literature original research practical applications and projections for future research *Handbook of Personal Relationships* Steve Duck, 1997 As the field of social relationships has grown enormously this edition has been revised to include a new section on family relationships focusing on the central truth that the dynamics of personal relationships are a key basis of social life

Feminist Periodicals , 2001 **The Psychology of Gender** Vicki S. Helgeson, 2005 Unlike other gender books this one focuses equally on both men and women drawing from the empirical research and conceptual discussions surrounding

gender in the areas of psychology sociology anthropology medicine and public health It reviews the research from multiple perspectives but emphasizes the implications of social roles status and gender related traits particularly for relationships and health areas that are central to readers lives and that have a great impact on their day to day functioning For individuals interested in the psychology of gender gender roles and women **Marriages and Families** Mary Ann Schwartz,BarBara Marliene Scott,2007 Taking an historical cross cultural and global approach this book focuses on the link between social structure and theeveryday livesof people s diverse experiences of marriages families and intimate relationships It shows how contemporary families go well beyond the traditional heterosexual two parent white middle class family and heterosexual legally sanctioned marriage challenges the assumption that one culture s way of doing things is the natural or right way shows how marriage and family life have changed historically over time and from place to place and how political and economic globalization impacts families worldwide Features extensive boxed material accompanied by questions for personal reflection **Marriages and Families Over Time Ways of Studying and Explaining Marriages and Families Understanding Gender Its Influence In Intimate Relationships The Many Faces of Love Dating Coupling and Mate Selection Sexuality and Intimate Relationships Nonmarital Lifestyles The Marriage Experience Reproduction and Parenting Evolving Work and Family Structures Violence and Abuse The Process of Uncoupling Divorce in the United States Remarriage and Remarried Families Families in Later Life Marriages and Families in the Twenty first Century U S and World Trends** For anyone interested in marriage and family dynamics including individuals counselors nurses social workers home economists etc
