# General Custer Story

**Marguerite Merington**

## General Custer Story:

**The General Custer Story** Lauran Paine,1960      The Custer Story Marguerite Merington,1987-01-01 Selected letters offer an inside look at the relationship of Custer and his wife and their impressions of frontier life the Civil War and politics

**Custer** Jay Monaghan,1971-01-01 The Custer literature is voluminous and most of it is highly controversial Through the tangle of charges and countercharges Jay Monaghan cuts a clear path in his fresh account of Custer s whole career Where possible Monaghan relies on original sources and he appraises them with the sound judgment of the practiced historian he is He is sympathetic with Custer but does not hesitate to show the man s foibles and failures He presents no attorney s brief and yet he disproves a number of ill founded accusations      The Last Days of George Armstrong Custer Thom

Hatch,2015-02-03 Subtitle from jacket subtitle on title page repeats the main title      *The Boy General* Elizabeth Bacon Custer,1907      Custer Jeffry D. Wert,1997-06-10 Draws on previously overlooked documents to probe the puzzles that have continued to mark the legendary general s life and career      *The Boy General: Story of the Life of Major-General George A. Custer* Elizabeth Bacon Custer,2019-02-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      Ambitious Honor James E. Mueller,2020-11-19 George Armstrong Custer one of the most familiar figures of nineteenth century American history is known almost exclusively as a soldier his brilliant military career culminating in catastrophe at Little Bighorn But Custer author James E Mueller suggests had the soul of an artist not of a soldier Ambitious Honor elaborates this radically new perspective arguing that an artistic passion for creativity and recognition drove Custer to success and ultimately to the failure that has overshadowed his notable achievements Custer s ambition is well known and played itself out on the battlefield and in his persistent quest for recognition What Ambitious Honor provides is the context for understanding how Custer s theatrical personality took shape and thrived beginning with his training at a teaching college before he entered West Point Teaching Mueller notes requires creativity and performance both of which fascinated and served Custer throughout his life in his military leadership his politics and even his attention getting self designed uniforms But Custer s artistic personality emerges most clearly in his writing career where he displayed

a talent for what we now call literary journalism *Ambitious Honor* offers a close look at Custer's work as a best selling author right up to the time of his death when he was writing another book and planning a speaking tour after the 1876 campaign against the Sioux and Cheyenne Custer's fate at Little Bighorn was so dramatic that it sealed his place in the national story and obscured Mueller contends the more interesting facets of his true nature *Ambitious Honor* shows us Custer anew as an artist thrust into the military because of the times in which he lived This nuanced portrait for the first time delineating his sense of image whether as creator or consumer forever alters Custer's own image in our view **Custer Victorious**

Gregory J. W. Urwin, 1983-01-01 Custer found himself in the one dilemma all soldiers most dread he was outnumbered and completely surrounded With disaster looming in every quarter and no chance of escape So Gregory J W Urwin pulls the reader into a scene describing not the Battle of the Little Big Horn but a Civil War engagement that George Armstrong Custer and his troop survived thanks to strategy as much as naked courage Many books have focused on Custer's Last Stand in 1876 making legend of total defeat *Custer Victorious* is the first to examine at length with attention to primary sources his brilliant Civil War career Urwin writes None of Custer's exploits against the Plains Indians could compare with those he performed while with the Army of the Potomac The leader of a brigade called the Wolverines Custer was promoted to major general and the helm of the Third Cavalry Division when he was only twenty four Urwin describes the Boy General's vital contributions to Union victories from Gettysburg to Appomattox *Glorious War* Thom Hatch, 2013-12-10 From George Armstrong Custer's graduation from West Point to the daring cavalry charges that propelled him to the rank of General and national fame at age twenty three to an unlikely romance with his eventual wife Libbie Bacon Custer's exploits are the stuff of legend Always leading his men from the front with a personal courage seldom seen before or since he was a key part of nearly every major engagement in the east Not only did Custer capture the first battle flag taken by the Union Army and receive the white flag of surrender at Appomattox but his field generalship at Gettysburg against Confederate cavalry General Jeb Stuart had historic implications in changing the course of that pivotal battle For decades historians have looked at Custer strictly through the lens of his death on the frontier casting him as a failure While the events that took place at the Little Big Horn are illustrative of America's bloody westward expansion they have unjustly eclipsed Custer's otherwise extraordinarily life and outstanding career This biography of thundering cannons pounding hooves and stunning successes tells the story of one of history's most dynamic and misunderstood figures Award winning historian Thom Hatch reexamines Custer's early career to rebalance the scales and show why Custer's epic fall could never have happened without the spectacular rise that made him an American legend **Custer Legends** Lawrence A. Frost, 1981 George Armstrong Custer rode at the head of his cavalry command where he made instantaneous decisions most of which resulted in victory during the Civil War The older officers over whom he had jumped in rank soon displayed their animosity From them and many others a series of charges against him were circulated from these grew the innumerable Custer legends This volume includes many

interesting and unusual Custer legends which include the alleged fathering of Monahseetah's Indian son the Annie Jones story buried in the National Archives Custer's capture of Lee's supply trains at Appomattox Court House that caused Lee to surrender and much more

**The Last Days of George Armstrong Custer** Thom Hatch, 2015-02-03 In this thrilling narrative history of George Armstrong Custer's death at the Little Bighorn award winning historian Thom Hatch puts to rest the questions and conspiracies that have made Custer's last stand one of the most misunderstood events in American history While numerous historians have investigated the battle what happened on those plains hundreds of miles from even a whisper of civilization has been obscured by intrigue and deception starting with the very first shots fired Custer's death and the defeat of the 7th Cavalry by the Sioux was a shock to a nation that had come to believe that its westward expansion was a matter of destiny While the first reports defended Custer many have come to judge him by this single event leveling claims of racism disobedience and incompetence These false claims unjustly color Custer's otherwise extraordinarily life and fall far short of encompassing his service to his country By reexamining the facts and putting Custer within the context of his time and his career as a soldier Hatch's *The Last Days of George Armstrong Custer* reveals the untold and controversial truth of what really happened in the valley of the Little Bighorn making it the definitive history of Custer's last stand This history of charging cavalry desperate defenses and malicious intrigue finally sets the record straight for one of history's most dynamic and misunderstood figures

*Custer* Edward G. Longacre, 2018-08-14 The name George Armstrong Custer looms large in American history specifically for his leadership in the American Indian Wars and unfortunate fall at the Battle of Little Bighorn But before his time in the West Custer began his career fighting for the Union in the Civil War In *Custer The Making of a Young General* legendary Civil War historian Edward G Longacre provides fascinating insight into this often overlooked period in Custer's life In 1863 under the patronage of General Alfred Pleasonton commander of the Army of the Potomac's horsemen a young but promising twenty three year old Custer rose to the unprecedented rank of brigadier general and was placed in charge of the untried Michigan Cavalry Brigade Although over time Custer would bring out excellence in his charges eventually leading the Wolverines to prominence his first test came just days later at Hanover then Hunterstown and finally Gettysburg In these campaigns and subsequent ones Custer's reputation for surging ahead regardless of the odds almost always with successful results that appeared to validate his calculating recklessness was firmly established More than just a history book *Custer The Making of a Young General* is a study of Custer's formative years his character and personality his attitudes toward leadership his tactical preferences especially for the mounted charge his trademark brashness and fearlessness his relations with his subordinates and his attitudes toward the enemy with whom he clashed repeatedly in Pennsylvania and Virginia *Custer* goes into greater depth and detail than any other study of Custer's Civil War career while firmly refuting many of the myths and misconceptions regarding his personal life and military service Fascinating and insightful it belongs on the shelf of every history buff

*The Story of General Custer* Margaret Carver Leighton, 1954

**The Real Custer** James S. Robbins,2014-06-23 The Real Custer takes a good hard look at the life and storied military career of George Armstrong Custer from cutting his teeth at Bull Run in the Civil War to his famous and untimely death at Little Bighorn in the Indian Wars Author James Robbins demonstrates that Custer having graduated last in his class at West Point went on to prove himself again and again as an extremely skilled cavalry leader Robbins argues that Custer s undoing was his bold and cocky attitude which caused the Army s bloodiest defeat in the Indian Wars Robbins also dives into Custer s personal life exploring his letters and other personal documents to reveal who he was as a person underneath the military leader The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend

Custer Battlefield Robert M. Utley,1988 Tells the story of Custer s last stand against the Indians in the Sioux War of 1876 Includes maps and photos Also recounts the history of how that battlefield became a national monument and its importance to Americans today and in the past

The Story of General Custer Margaret Leighton,1954

**Tenting on the Plains (Illustrated Edition)** Elizabeth Bacon Custer,2020-04-09 Tenting on the Plains is the firsthand account of General Custer s life written by his wife Libbie who accompanied him on all his military assignments This book brings interesting details regarding the problems of establishing communities on the frontier posts It also it goes deep into General s personal life and deals with the relationship with his father

**Archaeology, History, and Custer's Last Battle** Richard A. Fox,2015-02-16 On the afternoon of June 25 1867 an overwhelming force of Sioux and Cheyenne Indians quickly mounted a savage onslaught against General George Armstrong Custer s battalion driving the doomed troopers of the U S Seventh Cavalry to a small hill overlooking the Little Bighorn River where Custer and his men bravely erected their heroic last stand So goes the myth of the Battle of the Little Bighorn a myth perpetuated and reinforced for over 100 years In truth however Custer s Last Stand was neither the last of the fighting nor a stand Using innovative and standard archaeological techniques combined with historical documents and Indian eyewitness accounts Richard Allan Fox Jr vividly replays this battle in astonishing detail Through bullets spent cartridges and other material data Fox identifies combat positions and tracks soldiers and Indians across the Battlefield Guided by the history beneath our feet and listening to the previously ignored Indian testimonies Fox reveals scenes of panic and collapse and ultimately a story of the Custer battle quite different from the fatalistic versions of history According to the author the five companies of the Seventh Cavalry entered the fray in good order following planned strategies and displaying tactical stability It was the sudden disintegration of this cohesion that caused the troopers defeat The end came quickly unexpectedly and largely amid terror and disarray Archaeological evidences show that there was no determined fighting and little firearm resistance The last soldiers to be killed had rushed from Custer Hill

*Custer* Ted Behncke,Gary L. Bloomfield,2020-09-30 An extensive in depth biography of Custer that covers his lesser known personal history as well as his military career The reader is introduced to a little known side of Custer a deeply personal side George Custer grew up in an expanding young country and his early influences

mirrored the times Two aspects of this era dominate most works about him the Civil War and the war with the Indians culminating in his death at the Battle of the Little Bighorn When mentioned if at all his early life and years as a cadet at West Point are brief and then only enough to set some background for discussion of the mystery of the Little Bighorn This is the first Custer biography to focus on these lesser known parts of his life in great detail The approach uses all of Custer s known writings letters magazine articles his book *My Life on the Plains* and his unfinished memoirs of the Civil War along with materials and books by his wife Elizabeth Custer and reflections of others who knew him well The five chapters are Early Life growing up and as a West Point cadet The Civil War The Indian Fighter The Little Bighorn and Conclusion The theme of the book is not so much new historical information but the depth of his character development and lesser known influences of his life Custer draws together these elements in a succinct and accessible read The book also includes illustrations primarily from Harper s Weekly and photos such as Matthew Brady s Civil War collection to accompany the text Praise for Custer Ted Behncke and Gary Bloomfield remain faithful to the facts and enable the reader to better grasp the man as he was and the one he envisioned Custer s personalities beliefs and actions or lack thereof weave through each chapter amid a lively and readable writing style that interlaces quotes and sources within the text Roundup Magazine

## The Enigmatic Realm of **General Custer Story**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **General Custer Story** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect on the hearts and minds of those that partake in its reading experience.
