

General Douglas MacArthur

M Lipman

General Douglas MacArthur:

Frontline General: Douglas MacArthur Jules Archer, 2017-01-10 At twenty six Douglas MacArthur was military aide to President Theodore Roosevelt and his courageous leadership of the Rainbow Division in World War I made him a general At the same time his reluctance to heed any authority but his own gained him a reputation of arrogance and insubordination that was to shadow his entire career As MacArthur helped guide defeated Japan to democracy it was remarked that he himself tolerated no democratic questioning of his commands When he was summoned from Japan to take command of the desperately beleaguered forces in Korea the conflict between duty and pride brought his career to a dramatic conclusion With brilliant generalship he saved his army from defeat only to be removed from his post when he refused to obey the president himself Douglas MacArthur s deeds were of heroic proportion but he is and will continue to be one of America s most controversial figures

MacArthur Reconsidered James Ellman, 2023-07-01 James Ellman digs deep connects the dots and concludes that General Douglas MacArthur was decidedly not a military genius One of America s most controversial generals Douglas MacArthur s rise through the U S Army s ranks was meteoric However he did not lead large formations of men in combat until he assumed command of forces in the Philippines in 1941 When war commenced with the bombing of Pearl Harbor MacArthur s performance on the battlefield was a failure he underestimated the Japanese and his poorly trained forces were outmaneuvered and outfought by a much smaller invading force However in what became a repeating hallmark of his career he successfully portrayed his actions to much of the American people as brilliant and heroic regardless of victory or defeat After fleeing to Australia MacArthur famously announced I will return and followed through on a quest to retake Manila regardless of its impact on Allied global strategy or its cost in American Australian and Filipino blood In his subsequent role as America s shogun in Tokyo MacArthur was again surprised by an enemy he underestimated The Korean War yielded his greatest victory at Inchon but also his greatest defeat along the Yalu River Unwilling to accept anything but complete victory he openly defied President Truman MacArthur fatally undermined chances for an early peace planned to seed a great swath of enemy territory with radioactive cobalt and attempted to widen a conflict which threatened to become a third world war Raging against his subsequent firing he only truly faded away after he was publicly criticized by a panoply of America s greatest WWII generals Today MacArthur still polarizes Many biographies agree he was a great and patriotic leader marred by a few failures Ellman argues the opposite MacArthur was a lackluster battlefield commander who suffered stunning defeats while undermining the command structure of our military

Douglas MacArthur Earle Rice (Jr.), 2013 A look at the life and military accomplishments of General Douglas MacArthur whose career included serving as commander of the United States Army in the Far East during World War II

Duty, Honor, Country Douglas MacArthur, 2018-12-01 The present volume first published in 1962 consists of two distinguished speeches given by the General of the U S Army Douglas MacArthur The first address took place on April 19 1951 and was held before a joint meeting of the two houses of United

States Congress the House of Representatives and the Senate and took place in the Hall of the House of Representatives This meeting followed on just one week from MacArthur s removal from command by President Harry S Truman The second address was held on May 12 1921 and was given to The Members of the Association of Graduates U S M A The Corps of Cadets and Distinguished Guests It was given on the occasion of MacArthur s acceptance of the Sylvanus Thayer Award for outstanding service to the nation which had gone to Eisenhower the year before The event was held at the United States Military Academy in West Point New York *MacArthur at War* Walter R. Borneman,2016-05-10 The definitive account of General Douglas MacArthur s rise during World War II from the author of the bestseller *The Admirals World War II* changed the course of history Douglas MacArthur changed the course of World War II Macarthur at War will go deeper into this transformative period of his life than previous biographies drilling into the military strategy that Walter R Borneman is so skilled at conveying and exploring how personality and ego translate into military successes and failures Architect of stunning triumphs and inexplicable defeats General MacArthur is the most intriguing military leader of the twentieth century There was never any middle ground with MacArthur This in depth study of the most critical period of his career shows how his influence spread far beyond the war torn Pacific A Finalist for the Gilder Lehrman Prize for Military History at the New York Historical Society **Douglas MacArthur** Janet Bengé,Geoff Bengé,2005 Under siege on the island of Corregidor General Douglas MacArthur received a warning from the enemy You are well aware that you are doomed the Japanese general wrote The end is near The question is how long you will be able to resist You are advised to surrender Of course there was no way Douglas was going to surrender Whether masterminding battle strategies or guiding the peace process among war torn nations 5 Star general MacArthur faced challenges with unwavering courage resolve The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U S forces in Asia Remembered especially for directing the fight against Japanese expansion during WWII and later governing the defeated Japanese people with grace and wisdom General MacArthur won the respect of millions both allies and enemies Amazon com

General MacArthur Speeches and Reports 1908-1964 ,2000-06-14 The two year search for General Douglas MacArthur s speeches and reports was truly a labor of love My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories biographies histories military magazines such as the Army and Air Force Journals unit histories commercial magazines and newspapers Magazines included such publications as National Geographic Life Magazine and many esoteric less circulated literature such as Military Magazine Retired Officers Magazine Air Force Magazine and so many others We received guidance and assistance from such sources as the U S Military Academy the Engineering School at Ft Leavenworth the Command and General Staff School at Leavenworth the Army War College the MacArthur Archives Director James Zobel the Library of Congress the War Department the sources seemed endless We do believe we were able to capture all the major public speeches and reports covering MacArthur s truly productive years from 1908 through 1964

Contains more than 125 speeches reports It will be interesting to note MacArthur established his personality early in his military career and never veered from this His admonition from his Mother when MacArthur was a student at West Point was never cheat never lie never tattle Adhering to this edict MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching Further he was determined never to refuse to carryout the order of a senior officer never be insubordinate to constituted authority **Douglas MacArthur** Brenda Haugen,2005-07 A biography of the famous general Douglas MacArthur *Reminiscences* Douglas MacArthur,2010-10 Written in his own hand and finished only weeks before his death *Reminiscences* by General Douglas MacArthur spans more than half a century of modern history These pages show a man whose unique vantage point at the center of the stage enabled him to illuminate major controversies of our time and whose views and ideas never before published in full are now bound to bring new and unexpected reappraisals to the conflicts in which he himself was the central figure Douglas MacArthur served under eight presidents He was honored as few men have been His genius for command and his ability to implement that command by strategy stand as landmarks in military history No man was ever so outspoken in his commitment to his troops or in his beliefs A legend in his own lifetime he was a man who aroused controversy yet stood above the awe and the conflicts he inspired Never before has one soldier s life so completely reflected a nation s military history After graduation from West Point with the highest average ever achieved by a cadet MacArthur served in Vera Cruz during the Mexican uprisings and then as military attache in the Far East where he first perceived Japanese aspirations for hegemony the Orient His courage in the trenches and his leadership of the famous Rainbow Division during the First World War were cited by General Pershing who seven times awarded MacArthur the Silver Star *General Douglas MacArthur* Francis Trevelyan Miller,1942 Biography of General Douglas MacArthur

General Douglas MacArthur, 1880-1964 Eugene L. Rasor,1994-04-30 General of the Army Douglas MacArthur was an extraordinary military leader and one of the most controversial figures in American history An enormous amount of literature has accumulated about his career which spanned most of the 20th century General MacArthur is the subject of this first comprehensive assessment and survey of all of the writings by and about him Publication coincides and reflects the formal commemoration of the 50th anniversary of World War II A short biographical essay and chronology set the stage for the historiographical critique which is organized topically and into different time periods This extensive historiographical narrative is cross referenced to the annotated bibliography of 759 published and unpublished sources both academic and popular including film and fiction Author and subject indexes complete the volume This guide to the literature on MacArthur describes archival collections and research facilities points to conflicting interpretations about the role of General MacArthur as Chief of Staff of the Army in World War II in the occupation of Japan in the Korean War and in the sensational recall from

his position as Far Eastern Commander in 1951 and suggests areas for further research The historiographical narrative and annotated bibliography cover the career of the general from his earliest years to his death in 1964 This easy to use research tool is designed for students scholars and readers at all levels for use by all those concerned with recent U S and world history and for special commemorations of World War II **General MacArthur and President Truman** Richard H. Rovere,2022-02-14 This book was first published in 1951 as *The General and the President* after President Harry S Truman relieved General Douglas MacArthur in the midst of the Korean War a memorably explosive incident in American political history But its significance extends far beyond a dramatic episode in the nation s past This literate and ironic work continues to be an invaluable guide to the conflict between civilian and military authority and it illuminates later and current controversies over the role the United States should play in Asian affairs This new edition is graced by a remarkable introductory essay by Arthur Schlesinger Jr The text is reprinted from the 1965 republication under the title *The MacArthur Controversy* that is the book as originally written with a few tenses altered and a few topical allusions deleted General MacArthur and President Truman will be of special interest to students of American diplomacy politics and culture and to all concerned with the relationship between the armed forces and larger society **The Emperor General** Norman H. Finkelstein,1989 Covers the life and career of the U S Army five star general from his early life in various military outposts to a career in two World Wars **General Douglas MacArthur, Military Genius** Frances Altman,1973 A biography of a famous general from his boyhood in the New Mexico Territory through his controversial military career to his later years when many honors were conferred upon him *Douglas MacArthur* Earle Rice,2009 **General Douglas MacArthur's Address to the Congress, April 19, 1951** Douglas MacArthur,2012-03 *American Legends* Charles River Charles River Editors,2013-09-17 Includes MacArthur s most colorful and inspiring quotes including his Victory Broadcast after Japan s surrender and his Farewell Address to Congress Includes pictures of MacArthur and other important people Includes a Bibliography for further reading There is no substitute for victory Douglas MacArthur A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Of all the military men America produced during the 19th and 20th centuries it s hard to find one as important successful and controversial as General Douglas MacArthur The son of a Civil War veteran MacArthur rose to become the most instrumental commander in the Pacific Theater during World War II His legendary return to the Philippines in 1944 made good on one of the war s most famous vows and it was MacArthur who fittingly who oversaw the occupation and reconstruction of Japan following the war Given his long and celebrated career MacArthur was the obvious choice to lead the newly created United Nations troops during the Korean War but his arguments over war strategy and policy eventually led to his controversial firing by President

Harry Truman in 1951 After that in his own words he faded away living out his remaining days on the top floor of the Waldorf Hotel until his death in 1964 For many with a conservative disposition he remains a hero who had he been listened to would have prevented the current impasse with the rogue state that is modern North Korea For some liberal thinkers he was dangerously obsessive while wholly ignorant of geopolitics and he has been branded as a general who would have used atomic weapons and potentially triggered the third world war The truth is far more difficult to discern and much more subtle Douglas MacArthur was one of the most intelligent soldiers America has produced and he was also one of the most prominent statesmen of the twentieth century He made his mark from flamboyant staff officer in the Vera Cruz expedition of 1914 to United Nations Commander in the Korean War Along the way he found fame in World War I participated in the controversial Bonus Army incident lost and won campaigns in World War II and served as Army Chief of Staff Superintendent at West Point and as effective ruler of Japan Rarely out of the limelight MacArthur was as much an administrator as he was a soldier and a combat commander and in all of his endeavors he found success and controversy American Legends The Life of General Douglas MacArthur profiles the amazing life and career of the American war hero while also examining his personality and analyzing his lasting legacy Along with pictures of important people places and events you will learn about MacArthur like you never have before in no time at all The Biography of General of the Army, Douglas MacArthur Sydney L. Mayer,1982

The Banners and the Glory Army Times Publishing Company,1965 **Douglas MacArthur** Arthur Herman,2016 The Pulitzer Prize finalist and author of Gandhi Churchill goes beyond the mythologies of the World War II general to illuminate his strengths and weaknesses placing his career against a backdrop of history while discussing how he shaped his character to meet national needs NoveList

The Top Books of the Year General Douglas Macarthur The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. General Douglas Macarthur : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
