Zwemer,1986 Community College Review ,2001 The Community College Social Science Journal ,1980 Innovation in the Community College Terry O'Banion,1989 A renaissance of innovation is taking place in America s community colleges This book documents and analyzes stimulating changes that have marked the 1980s and points the way to new practices and structures that will continue to invigorate the community colleges during the 1990s The 13 chapters offer a rich selection of possibilities for the future of the community college Here are tested ideas and programs that make the community college such an important force in our changing society the practices that serve students more fully support faculty more effectively and reach the community more extensively **The Role of the Community College in Teacher Education** Barbara K. Townsend,Jan Marie Ignash,Jan M. Ignash,2003-04-22 A community college role in teacher education is not new But there is a new or more accurately renewed interest in this role A national conversation about how community colleges can help us alleviate the teacher shortage has truly begun with many believe that an expanded community college role is critical to meet the nation s need for well prepared teachers This volume illustrates the extent to which community colleges have become major players in teacher education not only in the traditional way of providing the first two years of an undergraduate degree in teacher education but in such more controversial ways as offering associate and baccalaureate degrees in teacher education and providing alternative certification programs This is the 121st issue of the Jossey Bass higher education series New Directions for Community Colleges **ERIC Information Analysis Products** Educational Resources Information Center (U.S.),1979 **Curriculum Models for General Education** George Higginbottom,Richard M. Romano,1995 Presents eight different general education models from colleges across the US A practical guide and reference for those seeking to reexamine or restructure their programs **Advancing the Regional Role of Two-Year Colleges** L.
