The General Next to God Richard Hugheson Collier,1985 *The general next to God* Richard Hugheson COLLIER,1968

William and Catherine Cathy Le Feuvre,2013-09-24 When William Booth met Catherine Mumford in 1852 it was the start of a story that would change the lives of millions of people across the world Out of their love sprang a new and radical international Christian movement The Salvation Army Throughout their life William and Catherine when apart exchanged letters and notes expressing not only their deep love but also a lasting friendship and mutual respect which would survive the challenges of separation ill health the struggle of raising a large family opposition disappointment and professional uncertainty The letters spanning nearly 40 years reveal both the everyday minutiae of life in Victorian times and the challenges of being revolutionary Christian thinkers in the second half of the 19th century **The General Next Door**

Richard Collier,1965 **Women in God's Army** Andrew Mark Eason,2009-10-22 The early Salvation Army professed its commitment to sexual equality in ministry and leadership In fact its founding constitution proclaimed women had the right to preach and hold any office in the organization But did they Women in God s Army is the first study of its kind devoted to the critical analysis of this central claim It traces the extent to which this egalitarian ideal was realized in the private and public lives of first and second generation female Salvationists in Britain and argues that the Salvation Army was found wanting in its overall commitment to women s equality with men Bold pronouncements were not matched by actual practice in the home or in public ministry Andrew Mark Eason traces the nature of these discrepancies as well as the Victorian and evangelical factors that lay behind them He demonstrates how Salvationists often assigned roles and responsibilities on the basis of gender rather than equality and the ways in which these discriminatory practices were supported by a male defined theology and authority He views this story from a number of angles including historical gender and feminist theology ensuring it will be of interest to a wide spectrum of readers Salvationists themselves will appreciate the light it sheds on recent debates Ultimately however anyone who wants to learn more about the human struggle for equality will find this book enlightening

Practicing Religion in the Age of the Media Stewart M. Hoover,Lynn Schofield Clark,2002-03-06 Increasingly the religious practices people engage in and the ways they talk about what is meaningful or sacred take place in the context of media culture in the realm of the so called secular Focusing on this intersection of the sacred and the secular this volume gathers together the work of media experts religious historians sociologists of religion and authorities on American studies and art history Topics range from Islam on the Internet to the quasi religious practices of Elvis fans from the uses of popular culture by the Salvation Army in its early years to the uses of interactive media technologies at the Simon Wiesenthal Center s Beit Hashoah Museum of Tolerance The issues that the essays address include the public private divide the distinctions between the sacred and profane and how to distinguish between the practices that may be termed religious and those that may not **Leadership in The Salvation Army** Harold Hill,2006-10-01 Leadership in The Salvation Army is a review and

analysis of Salvation Army history focused on the process of clericalisation The Army provides a case study of the way in which renewal movements in the church institutionalise Their leadership roles initially merely functional and based on the principle of the priesthood of all believers begin to assume greater status the adoption of the term ordination for the commissioning of The Salvation Army s officers in 1978 a hundred years after its founding illustrates this tendency The Salvation Army s ecclesiology has been essentially pragmatic and has developed in comparative isolation from the wider church perhaps with a greater role being played by sociological processes than by theological reflection in its development The Army continues to exhibit a tension between its theology which supports equality of status and its military structure which works against equality and both schools of thought flourish within its ranks

With God on Their Side James Gardner,2022-01-01 The Salvation Army is nowadays viewed with fondness but William Booth s evangelical crusade of the 1880s and early 1890s sparked violent riots led by an opposition group the Skeleton Army These riots caused destruction to property injury to many people and on occasion loss of life Spreading across the South and West of England the Skeleton Army s aim was to eject Salvationists from their towns Rather than facing repercussions themselves however it was often the peaceful parading Salvationists who were imprisoned In *With God on Their Side* James Gardner follows the spread of violence in the context of the popular conservatism of late Victorian England with close study of particular towns creating a rich tapestry of historical narrative that will be of interest to scholars and enthusiasts alike The motives and actions of both groups are considered along with the subsequent shift in the Salvation Army s focus towards social welfare It is this shift that enabled the organisation to grow into the treasured charity we know today and helped transform William Booth from one of the most vilified men of the nineteenth century into its saint

Profiles in Belief Arthur Carl Piepkorn,1977 [What Price the Poor?](#) Ann M. Woodall,2017-05-15 In this fascinating book Ann Woodall investigates and compares the work and thought of William Booth and Karl Marx who both arrived in London in 1849 She draws comparisons between their responses to the intractability of the poverty of the submerged tenth of London s population and argues that Booth s pioneering work in establishing the Salvation Army and the development of Marx s economic theory began in their interactions with the London residuum Each recognised that much of the suffering was caused by the workings of laissez faire capitalism and that its total solution required a challenge to the existing economic system *What Price the Poor* raises important questions about the relationship between theological discourse and the sociological imagination and it firmly places the development of theoretical and practical social analysis and application within the context of social history It will appeal to all with interests in classical sociology and the history of social activism

The Armstrong Girl Cathy Le Feuvre,2015-06-19 In 1885 Victorian England was scandalized by a court case that lifted the veil on prostitution and the sex trade In the Old Bailey dock stood W T Stead the editor of the Pall Mall Gazette which had

recently published a series of articles on the sex trade Rebecca Jarrett a reformed brothel keeper and the second in command of The Salvation Army Bramwell Booth They were accused of abducting a thirteen year old girl Eliza Armstrong apparently buying her for the purpose of prostitution In fact they had done this as a sensational expos of the trade in young girls The scandal triggered a massive petition and ultimately resulted in the raising of the British age of consent from thirteen to sixteen Today human trafficking is once again making world headlines as are recent calls to lower the age of consent Eliza s story is a thrilling account of what can be achieved by those brave enough to believe that change is not only possible but has to come

journal Christian Herald **Catherine Booth** John Read,2014-01-30 Catherine Booth s achievements as a revivalist social reformer champion of women s rights and with her husband William Booth co founder of the Salvation Army were widely recognized in her lifetime However Catherine Booth s life and work has since been largely neglected This neglect has extended to her theological ideas even though they were critical to the formation of Salvationism the spirituality of the movement she cofounded This book examines the implicit theology that undergirds Catherine Booth s Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought Catherine Booth emerges as a significant figure from the Victorian era a British theologian and church leader with a rare if not unique intellectual and theological perspective that of a woman

Thomas Huxley Paul White,2003 Dubbed Darwin s Bulldog for his combative role in the Victorian controversies over evolutionary theory Thomas Huxley has been widely regarded as the epitome of the professional scientist who emerged in the nineteenth century from the restrictions of ecclesiastical authority and aristocratic patronage Yet from the 1850s until his death in 1895 Huxley always defined himself as a man of science a moral and religious figure not a scientist Exploring his relationships with his wife fellow naturalists clergymen and men of letters White presents a new analysis of the authority of science literature and religion during the Victorian period showing how these different practices were woven into a fabric of high culture and integrated into institutions of print education and research He provides a substantially different view of Huxley s role in the evolution debates and of his relations with his scientific contemporaries especially Richard Owen and Charles Darwin God's Generals Roberts Liardon,2008-05-23 The Generals Who Shook Nations Roberts Liardon chronicles compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival Follow the faith journeys and lives of the great generals of God including George Whitefield whose dramatic flair and passionate preaching needed no modern conveniences like microphones to reach crowds of more than sixty thousand people Charles Finney the skeptical lawyer turned evangelist whose ministry was marked by deep prayer and divine healing William and Catherine Booth who gave food to the hungry fought to free those trapped in sex trafficking and founded the Salvation Army now the largest charitable organization in the world Billy Graham counselor and confidant of eleven U S presidents who preached God s unconditional love and saving grace to millions Liardon goes beyond history drawing crucial life application and inspiration from the lives of these mighty warriors so that you can learn how to Fulfill God s call on your life Discern the voice of God to follow His guidance Be led by the Spirit of God Let these revivalists inspire your life and revitalize your ministry
