**Kabbalah** Moshe C. Luzzatto, 1989 A challenging book about the mysteries of our universe      מוסה לוצאטו משה חייים לוצאטו Moshe Hayyim Luzzatto, 1930      **General Principles of the Kabbalah** Moshe Hayyim Lutsaṭo (Gelehrter, Dichter), 1970

Kabbalistic Visions Sanford L. Drob, 2023-04-06 In 1944 C G Jung experienced a series of visions which he later described as the most tremendous things I have ever experienced Central to these visions was the mystic marriage as it appears in the Kabbalistic tradition and Jung's experience of himself as Rabbi Simon ben Jochai the presumed author of the sacred Kabbalistic text the Zohar Kabbalistic Visions explores Jung's 1944 Kabbalistic visions the impact of Jewish mysticism on Jungian psychology Jung's archetypal interpretation of Kabbalistic symbolism and his claim late in life that a Hasidic rabbi the Maggid of Mezritch anticipated his entire psychology This book places Jung's encounter with the Kabbalah in the context of the earlier visions and meditations of his Red Book his abiding interests in Gnosticism and alchemy and what many regard to be his Anti-Semitism and flirtation with National Socialism Kabbalistic Visions is the first full length study of Jung and Jewish mysticism in any language and the first book to present a comprehensive Jungian archetypal interpretation of Kabbalistic symbolism      *Messianic Mysticism* Isaiah Tishby, 2008-04-01 Tishby's seminal study based largely on

manuscripts he discovered shows Luzzatto as one of the most profound mystics in the history of Jewish culture      **Inner Meaning of the Hebrew Letters** Robert M. Haralick, 1995-09-01 This book length meditation on the Hebrew alphabet offers profound insights into many important ideas found in Jewish thought From time immemorial the Hebrew alphabet has been considered to be more than a collection of individual letters Indeed the essence of each letter of the Hebrew alphabet can be seen as a fundamental building block of the world Jewish scholars throughout the ages have meditated on these letters deriving spiritual inspiration in the process In *The Inner Meaning of the Hebrew Letters* Robert M Haralick looks closely at each of the Hebrew characters helping us to gain insight from this remarkable tradition Drawing primarily upon traditional kabbalistic and chasidic thought Haralick combines his own insights with those of great Jewish personalities such as Moshe Chayim Luzzatto and Rabbi Nachman of Bratslav as well as drawing upon classical texts including the Bahir the Zohar the Midrash and the Talmud One of Haralick's main sources of inspiration is the ancient Jewish art of gematria where each letter has a numerical value as does each combination of letters Through this traditional methodology Haralick shows his readers the many often dazzling ways that the Hebrew alphabet has been examined      **The Emerald Modem** Richard Leviton, 2004-05-04 Twenty years ago in England author Richard Leviton discovered the planet Following quite specific guidance he began a long process that amounted to an apprenticeship My mentors dispatched me to various specific locations in the Somerset landscape and at all hours of the night and day I sat on hills and valleys and rocks under sunlight

moonlight rain snow and fog and had visions I started to see another landscape behind the apparent landscape It was an apparitional landscape with stars planets galaxies angels spirits of Nature mythic deities divinity As time went on he found himself talking with angels visiting celestial cities and following gnomes He came to understand that at one level we are the planet and that both we and it have an intimate relationship with our galaxy I found myself living inside the myths of the world as if they were expert scripts for real life inner adventures I never once thought I was crazy Why should I Quite the opposite I believed I was finally getting grounded in something real But it would take me twenty years to make sense of it That sense is embodied in *The Emerald Modem* The Emerald Modem includes direct correspondences between human chakras and the Earth's energy features and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception sacred sites energy points vertexes etc into a global interactive model that ties human consciousness directly to it Leviton describes 85 subtle features in the planetary landscape places you can go for mystical experiences They are features of the Earth's energy body almost all invisible to conventional sight But psychic cognition can be trained and you can usefully interact with any of these types of sites today without seeing what you're doing Your intent to interact for the benefit of yourself and the planet is all that's required Just as modems dial us into the Internet so the features of the Earth's energy body described in *The Emerald Modem* help us get online with the galaxy You can learn to visit Grail Castles experience a Mount Olympus or walk through the stars in a landscape zodiac and you can learn enough to become confident that you're not traveling alone **On the**

**Wings of Shekhinah** Rabbi Leah Novick, 2014-07-07 One effect of rising interest in the Kabbalah is a renewed focus on the Shekhinah Judaism's divine feminine principle Written with warmth and clarity *On the Wings of Shekhinah* interweaves historical views of this concept with thoughtful quotes and guided meditations Rabbi Leah Novick offers healing strategies for both Jews and non Jews disaffected by rigid gender roles Awareness of the Shekhinah's energy within and around us helps bring hope to a planet afflicted by war violence and environmental abuse this book shows how to find and use that energy *Magical Alphabets* Nigel Pennick, 1992-01-01 Here the alphabetical systems of the West including Hebrew Greek Runic Celtic Medieval and the Renaissance alphabets of the alchemical tradition are examined in depth Explains the numerological significance of the various alphabets and provides exciting evidence for the widespread influence of Runes

George Eliot, Judaism and the Novels S. Nurbhai, K. Newton, 2001-12-17 This is the first study to argue that Jewish Mysticism influenced all Eliot's novels and not just her Jewish novel *Daniel Deronda* and leaves the reader with a very different George Eliot from that assumed by most previous criticism Though previous studies have attempted to qualify the still dominant view that George Eliot is firmly as part of the realistic tradition this study goes further by demonstrating that a cohesive mythic structure with its basis in Jewish mysticism is identifiable in her fiction Providing helpful background and

factual information about the Golem and other aspects of Kabbalah this work will appeal to anyone interested in the myth of the Golem the re writing of Victorian culture from a Judaic perspective and George Eliot studies in general     **Kabbalah's Twelve Step Spiritual Method to End Your Addiction** Gerald Gillespie,1997 We Are All In Recovery Perhaps you or a friend have trouble freeing yourself from the clutches of any one of a long list of addictive substances or behaviors that are limiting or even threatening your physical and social well being You may have tried conventional therapies but you still remain in a painful losing struggle with your problem Your addiction remains with you because your optimal self you at your best has remained on the same level of awareness You need to END your addiction by transcENDING it Your problem will always catch up with you if you fail to rise ABOVE it This book shows you precisely how to do this You can learn to gradually climb the mystical Tree of Life step by step until you find yourself OVER your addiction The exercises meditations and readings in this book will prepare your mind body and spirit to make this ascent to recovery AA s Twelve Step program is an excellent framework on which to build It is a foundation that allows for the spiritual growth necessary to reverse the spiral of addiction Modern psychology also has much to offer the person suffering from substance abuse and addiction But psychotherapy by itself even in conjunction with a Twelve Step program may not bring about the transformed higher consciousness necessary to truly leave your addiction behind This book integrates the strengths of the Twelve Steps and contemporary psychology with the fundamental spiritual teachings of Kabbalah The result is a new path that will energise and facilitate your process of recovery as it lifts you towards a life of enriched spirituality We are all on a journey to spiritual recovery Kabbalah is your roadmap Kabbalah the ancient mystical and meditative tradition at the root of Judaism Christianity and Islam is not merely a philosophy but a way of life The Kabbalah s Tree of Life is shown to be the blueprint of existence that provides you with the strength and the restorative path to take you beyond the grasp of your addiction You will learn to be in recovery of yourself     In the Image of God Judith S. Antonelli,1997-02-01 In the Image of God A Feminist Commentary on the Torah is a unique blend of traditional Judaism and radical feminism and is a groundbreaking commentary on the Bible the central document of Jewish life Using classical Jewish sources as well as supplementary material from history anthropology sociology psychology ancient religion and feminist theory Judith Antonelli has examined in detail every woman and every issue pertaining to women in the Torah parshah by parshah The Torah is divided into fifty four portions each portion or parshah is read in the synagogue on the Sabbath combining a few to make a yearly cycle of readings This book is modeled on that structure hence there are fifty chapters each of which corresponds to a parshah One may therefore read this book from beginning to end or use it as a study guide for the parshah of the week The reader will discover in these pages that the Torah is not the root of misogyny sexism or male supremacy Rather by looking at the Torah in the context in which it was given the pagan world of the ancient Near East it becomes clear that far from oppressing women the Torah actually improved the status of women as it existed in the surrounding societies Not only does this book refute the common feminist

stereotype that Judaism is a patriarchal religion but it also refutes the sexism found in Judaism by exposing it as sociological rather than divine law      **Fault Lines of Modernity** Kitty Millet, Dorothy Figueira, 2018-09-20 This state of the art collection offers fresh perspectives on why intersections between literature religion and ethics can address the fault lines of modernity and are not necessarily the cause of modernity's faults From a diverse cohort of scholars from around the world with appointments in comparative literature and other disciplines the essays suggest that the imagined hegemony of a Judeo Christian Western project is neither exclusively true nor productive However the essays also suggest that elements of the Western religious traditions are important vectors for understanding modernity's complicated relationship to the past

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1974      **Kabbalistic Metaphors** Sanford L. Drob, 2000 Kabbalistic Metaphors Jewish Mystical Themes in Ancient and Modern Thought places the major symbols of the theosophical Kabbalah into a dialogue with several systems of ancient and modern thought including Indian Philosophy Platonism Gnosticism and the works of Hegel Freud and Jung The author shows how the Kabbalah organizes a series of ancient ideas regarding God cosmos and humanity into a basic metaphor that itself reappears in various guises in much of modern philosophy and psychology Recognition of the parallels between the Kabbalah and modern philosophy and psychology provides us with valuable insight into both the Kabbalah and modern thought and helps pave the way for a new Kabbalah one that is spiritually and intellectually relevant to contemporary man      Sanctuary of the Divine Presence J. Zohara Meyerhoff Hieronimus, 2012-03-26 Kabbalistic initiatory teachings for becoming a vessel for illumination prophecy and peace by creating an inner dwelling place for God's divine presence Reveals practices for self mastery and revelation based on the holy design of the first Hebrew Sanctuary the lives of the Hebrew Prophets and the Tree of Life Shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation to alchemical ritual practices of fire water air and earth and to specific parts of the body emotions and aspects of the soul Many synagogues and churches including the First and Second Temples of the Hebrews follow an archetypal design first used in the Ohel Moed or Tent of Meeting and its sacred Tabernacle which housed the Ark of the Covenant and the Ten Commandments Drawing from a wealth of sources including the Hebrew Bible the oral Mishnaic tradition of Judaism and 16th century Judaic texts Zohara Hieronimus explains how like the Ohel Moed we are designed to receive and reflect the divine qualities of the Creator Exploring the kabbalistic initiatory teachings within the Chassidic tradition of Judaism and the lives and writings of the Hebrew prophets she reveals how our physical and spiritual worlds are not separate but interdependent one affecting the other often in unexpected and sometimes miraculous ways Examining the ten part system of Kabbalah's Tree of Life as reflected in the holy design of the Hebrews first Sanctuary Hieronimus shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation to alchemical ritual practices of fire water air and earth and to specific parts of the body emotions and aspects of the soul Starting from Malchut Kingdom at the bottom of the Tree of Life and ascending to

Keter Crown at the top the author discusses related biblical and scholarly texts and traditional Hebrew practices and teachings that can lead to spiritual enlightenment illumination and peace allowing each of us to become a sanctuary for God's presence through self refinement ritual devotion and prayer as practiced since biblical times     John's Gospel and the Formula Behind the Myth of Jesus Greg O'Shea, 2016-01-01 John's Gospel and the Formula behind the Myth of Jesus is about a set of ideas that largely dictated the form and content of John's Gospel and profoundly influenced the three Synoptic Gospels Far from the simple narrative it seems to be John's Gospel is a highly complex work geared to the depiction of Jesus as a type of cosmic figure To this end its author draws on astrology the annual cycle of Jewish festivals symbolism taken from the Qabalah and a section of Genesis The book examines clues that Qabalah and Hellenistic astrology were already in existence at the time of writing of Genesis John's Gospel and the Formula behind the Myth of Jesus also looks at evidence that the true nature of John's Gospel has been known for some time     **Real Magic** Isaac Bonewits, 1989-01-15 From an occult scholar who is witty and possessed of a mind that peers around corners a fresh exploration of magic Publishers Weekly From one of the founders of the modern pagan movement comes an examination of psychic phenomena from ESP to Eastern ritual In this classic text for students and practitioners of occultism Isaac Bonewits explores the basic laws of magic relating them to the natural laws of the universe A book both scholarly and readable San Francisco Chronicle Groundbreaking and thought provoking this seminal work of magical theory was perhaps the first logical rigorously sensible look at magic PanGaia
