Custer's Last Battle Paul Goble, 2013-09-13 On the morning of June 25 1876 a force of 700 men from the 7th US Cavalry led by General George Armstrong Custer attacked an Indian encampment on the banks of the Little Big Horn River Unbeknownst to Custer he faced the combined might of the Lakota Cheyenne and Arapaho tribes led by their greatest chiefs Sitting Bull and Crazy Horse Advised by his Indian scouts not to attack the foolhardy general ignored their warnings and trusted to Custer's luck one last time In this commemorative edition of his first published book Goble recounts the tale of Custer's last battle through the eyes of Red Hawk a fictional young Lakota warrior Presented in the shorter format that Goble originally intended and combined with a new author's introduction and a foreword by Joe Medicine Crow the Crow tribal historian whose grandfather was one of Custer's own scouts readers will marvel at this tale of honor and bravery *General Custer at the Battle of the Little Big Horn, June 25, 1876* Elizabeth Bacon Custer, 1897 Son of the Morning Star Evan S. Connell, 2005 On a scorching June Sunday in 1876 thousands of Indian warriors Lakota Sioux Cheyenne and Arapaho converged on a grassy ridge above the valley of Montana's Little Bighorn River On the ridge five companies of United States cavalry 262 soldiers comprising officers and troopers fought desperately but hopelessly When the guns fell silent no soldier including their commanding officer Lt Col George Armstrong Custer had survived 130 years after the fact books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn Evan S Connell whom Joyce Carol Oates has described as one of our most interesting and intelligent American writers wrote what continues to be the most reliable and compulsively readable account of the subject Connell makes good use of his research and novelist's eye for story and detail to re create the heroism foolishness and savagery of this crucial chapter in the history of the West

Our Centennial Indian War and the Life of General Custer Frances Fuller Victor,2012-10-09 Lieutenant Colonel George A Custer was widely known as a Civil War figure author and successful cavalry leader before his spectacular defeat at the Battle of the Little Bighorn in 1876 by Lakota and Northern Cheyenne Indians His actions and those of his troops would have been of public interest even without their final bloody outcome A ready audience of readers was hungry for information about the engagement and about their fallen hero when Frances Fuller Victor s book appeared in spring 1877 Published even before the Great Sioux War had ended *Our Centennial Indian War and the Life of General Custer* was the first contemporary and comprehensive account of the successive army operations in 1876 and early 1877 It was a major accomplishment Victor drew information from a wide range of sources including personal letters war correspondents dispatches and government documents to explain the lengthy disjointed struggle between the army and the Lakota Cheyenne coalition She also offered one of the earliest biographical assessments of Custer its most noted military participant Compared to other period writings Victor s narrative is smooth and dispassionate devoid of conjecture and judgment In addition her account contains rare Indian perspectives on the Little Bighorn battle including Lakota testimony that has not previously appeared elsewhere Featuring an introduction by historian Jerome A Greene this edition of *Our Centennial Indian War* provides a remarkable window into contemporary thinking about an iconic event **Custer** Ted Behncke,Gary L.
