Revelation M.R. DeHaan, 2015-05-07 Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Rev 1 3 Behold I come quickly blessed is he that keepeth the sayings of the prophecy of this book Rev 22 7 The author of the book of the revelation is Jesus Christ Rev 22 16 The Lord intended that this book should be read and studied especially by His people Rev 1 3 It is not a sealed book as many suppose but one which is open and easy to understand Rev 22 10 Bearing these facts in mind we find the study of Revelation to be fascinating illuminating and deeply profitable instead of difficult and confusing The messages in this volume constitute thirty five radio sermons which were preached first over the Mutual Network and by foreign and short wave stations around the world from August 1945 to April 1946 The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume Hence this book No attempt has been made to present an exhaustive verse by verse exposition of the book but rather we have tried to present the general outline the basic structure and the framework We have dwelt at length on certain passages because they constitute the pillars of the book Our purpose is to present clearly the general outline and structure and then the details will fall naturally into their proper places If certain simple rules are followed in reading and studying it the book of the Revelation becomes clear logical and easily understood We present here a few rules which should be observed before studying the book 1 Revelation is not a dark book It is a revelation 2 It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole 3 Observe the rule of literal interpretation The greatest curse of the Christian Church is the evil of spiritualizing the Bible Although there are many symbols and signs in the book as in every other book and in our daily conversation the context indicates whether a passage is to be interpreted literally or symbolically Interpret literally except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign 4 Approach the Book with a fresh mind Try to forget the views you have held concerning the Book because others have declared it to be mysterious and beyond our understanding Thousands of believers never read Revelation but carefully avoid it simply because someone told them it is a dark book and impossible to understand Study the book for yourself 5 Read the book prayerfully realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book Never read a portion of scripture without first asking Him for light and guidance We submit for your help the following simple outline of Revelation Remember these five rules as you study it If you will memorize the outline thoroughly and keep it clearly before your mind you will have no trouble filling in the details Grand Rapids Michigan M R DeHaan **The Evolution of Modern Land Warfare** Christopher Bellamy, 2015-10-05 Extensively illustrated with 52 detailed campaign and battle maps and diagrams this book originally published in 1990 surveys the evolution of warfare in Europe from Napoleon to the end of the

twentieth century and in Asia from the Middle Ages It considers the interaction of technology and warfare With wide ranging examples the book includes two in depth case studies one on the Soviet Operational Manoeuvre Group and its predecessors in the Russian Imperial Army the other on the history of land warfare including guerilla warfare in Asia In this book the author demonstrates that military history can be of immense practical help to the modern military analyst and professional Now updated with a new introduction to take into account changes since 1990 this book remains of essential value to students teachers professionals in political social history international relations defence war peace studies *Just Passing Through* H. Peter Zell, 2020-09-28 In this updated and revised edition of *Just Passing Through* A German American Family Saga first published in 2011 the author tells the story of several generations of his unique but dysfunctional family spanning over a hundred years including the two world wars Peter Zell was eight years old when World War II ended and in a prologue entitled *A German American Childhood* recounts his boyhood experiences that included the apocalyptic firebombing of his hometown of Stuttgart by the western Allies the postwar occupation of Germany and his family's emigration to America The book centers on the author's mother whom her children called Mutti and her ordeal during the Nazi era for having been married to a Jew the son of prosperous Frankfurt business owners with whom she had two children With anti-Semitism on the rise in Germany her husband decided to emigrate to America but Mutti chose to remain behind to take care of her ailing father The couple had an amicable divorce and while her ex husband took their son with him their daughter remained with Mutti in Germany Under the Nuremberg Laws of 1935 mother and daughter now found themselves classified as non Aryans which meant that Mutti could not remarry while their teenage daughter being half Jewish was put in dire jeopardy of her life At this point Mutti's older brother himself a dedicated National Socialist proposed an unconventional solution that ensured her survival Following his advice she had more children fathered by so called Aryans who were eventually all brought to America The book follows the lives of the five siblings all half brothers and half sisters and their difficult relationships with each other as each seeks to achieve his or her version of the American Dream *Sparrow* Grant McLachlan, 2012-11-11 *Sparrow* is a seldom heard but uplifting story of the Sparrows the Battle of Britain gunners who defended Timor as part of Sparrow Force It is the story of Charlie McLachlan's war a triumph of stubborn Scottish defiance and laconic Aussie genius over the relentless violence of man and nature From the Rudolph Hess crash landing to the atom bomb from history's last bayonet charge to the war's greatest aerial bombardment Charlie McLachlan survives and bears witness to some of the landmark days of World War II At one time or other in his four year ordeal he is fired upon by the armies navies and or air forces of Germany Japan Australia the Netherlands Great Britain and the United States of America pretty much everyone but the Russians He defies or evades the ravages of tropical ulcers tropical heat alpine cold gangrene cholera malaria beriberi dysentery mosquitoes crocodiles snakes sharks scorpions sadistic Sikhs Japanese hellships falling coconuts flying shrapnel beatings beheadings bullets bombs bayonets torpedoes a crushed leg a fractured skull malnutrition and premature cremation

He s presumed dead by the British Army left for dead by Japanese guards and declared dead by a Dutch Javanese doctor Yet through it all Charlie soldiers on Half a world away his wife Mary fashioned from the same mental granite stoically awaits his return Not even an official telegram confirming the near certainty of Charlie s death or later rumours of his torture can shake her iron faith Sparrow Force the force that defended Timor in 1942 was one of Australia s most successful military units At the lowest point in the Second World War these soldiers equipped with First World War weapons and cut off from Australia waged a commando campaign that held off Japan s most successful and elite special force Low in medicine and ammunition they built an improvised radio that regained contact with their homeland It was the first good news of the war for the Allies Sparrow Force was unique They were the first force to defeat Japan in battle and they were the last to be captured Those who escaped to pursue a guerrilla campaign spent more time in combat against the Japanese than any other Allied unit They were set up to fail instead they endured defied and succeeded Newsreels were made victories were recorded medals were awarded and Australia s morale was elevated As Winston Churchill famously said They alone did not surrender **A**
