

The background of the book cover is a detailed illustration. It depicts a massive, green, scaly dinosaur, possibly a Spinosaurus, standing in a city park. The dinosaur's head is turned towards the right, and its long, segmented tail extends towards the left. A person is standing on the dinosaur's back, holding a long stick or whip. In the foreground, several small figures of people are visible, some walking and others standing, emphasizing the scale of the dinosaur. In the background, a city skyline is visible, featuring a prominent skyscraper with a pointed top, resembling the Chrysler Building. The sky is a mix of blue and orange, suggesting a sunset or sunrise.
