Generosity A Way To Righteousness:

Generosity - a Way to Righteousness Uncle Fisherman,2003-10-01 **The Road to Righteous Living** Mojisola Sanya,2020-10-09 Many people when they come to Christ newly are often lost and do not know where to exactly start their journey I believe that if they have available resources and literatures like this they will help them to navigate and jump start their journey Furthermore those who are already in the faith do sometimes feel lost at some point in their journey and this is why I believe this book will be a tremendous help to new and growing believers in the Lord to improve their understanding of the life expected of them by God The book is about righteous living It details the expectations of God from all believers who want to walk with Him It also contains information on how to maintain a life of righteousness and things to do in order to remain steadfast instead of growing weak or weary The book also gives a brief understanding of God s view of a righteous man and why God intended this life for all that will walk with Him This book also includes some practice questions to refresh reader s memories and ensure adequate comprehension of their reading *2 Corinthians: A Social Identity Commentary* Philip Esler,2021-09-23 Philip F Esler provides a comprehensive coverage of the issues in 2 Corinthians from the perspective of social identity with a focus on Paul s leadership Esler enlists social identity theory in critical dialogue with existing scholarship to show how Paul sought to persuade the Corinthian Christ followers to adopt certain views on four critical issues that had arisen in his relationship with them with his discourse demonstrably reflecting the ancient Mediterranean culture they shared Two introductory chapters set out those four issues summarise the events reflected in 1 and 2 Corinthians make an initial case for the integrity of the letter against partition theories explain and defend the use of social identity theory in biblical interpretation and describe the social identity approach to leadership In the commentary Esler explores how Paul re establishes his leadership role by reconnecting with the Corinthians urges their participation in the collection for Jerusalem and defends his position against recently arrived opponents all the while reinforcing his addressees social identity as Christ followers Prominent features of the commentary fostered by its social identity perspective include its cumulative case for the letter s unity for Paul s opponents being similar to those in Galatia and for the interweaving of social and theological dimensions in the text *Giving Up on School* Margaret Diane LeCompte,1850 *2 Corinthians (Baker Exegetical Commentary on the New Testament)* George H. Guthrie,2015-04-14 Find academic sophistication pastoral sensitivity and accessibility in the award winning BECNT series In this addition to the award winning BECNT series a respected New Testament scholar offers a substantive evangelical commentary on 2 Corinthians George Guthrie leads readers through the intricacies of literary structure word meanings cultural backdrop and theological proclamation offering insights applicable to modern ministry contexts As with all BECNT volumes this informative balanced commentary features Detailed interaction with the Greek text Extensive research Chapter by chapter exegesis A blend of scholarly depth and readability An acclaimed user friendly design The BECNT series aims for academic sophistication with pastoral sensitivity and accessibility making it a

useful tool for pastors church leaders students and teachers **The Myles Munroe's Kingdom Series** Dr. Myles Munroe,2015-12-15 The Kingdom of God is here The defining message of Dr Myles Munroe s life and work now available for the first time as a packaged collection While many remember Dr Munroe for delivering exceptional teaching on topics such as purpose potential vision praise and worship leadership and even relationships *Manifest Your Dream Life in Jesus* Dr. Lynn C. Chang,2025-02-05 Do you long for a life of purpose fulfillment and peace *Manifest Your Dream Life in Jesus* 100 More Devotions offers a powerful collection of devotions designed to help you manifest your dreams and fulfill the deepest longings of your heart This book will guide you in understanding God s grace and His perfect will for your life It is God s will for you to prosper as you root yourself in His Word As Psalm 1 2 3 declares He is like a tree planted by streams of water that yields its fruit in its season and its leaf does not wither In all that he does he prospers Jesus said I have come that they may have life and have it to the full John 10 10 With God all things are possible Matthew 19 26 As you follow Jesus you will experience His healing provision and abundant blessings Each step will bring you closer to a life filled with love joy and peace just as He intends for you *A Theology of the Jewish-Christian Reality* Paul Matthews Van Buren,1995 This is the first and most referred to Christian systemic theology to make clear for the Church the relevance of the continuing existence of the Jewish people to every aspect of its theology The three volumes set out to correct a major and central deficiency in the field that the continuing existence of Israel the people of God and the people of Jesus whose ancestors produced by far the largest part of the Church s Bible and who have lived by the covenant of those Scriptures through the ages has been either ignored or treated negatively *A Theology of the Jewish Christian Reality* continues to stimulate fresh thinking about the foundations for responsible theological reflection This second volume makes an original contribution to the Church s theology by drawing on the insights and discoveries of Jewish thought and life Van Buren argues that God s election of the Jewish people as his witnesses remains in force and calls the Church to listen to that witness IOriginally published in 1983 by Harper and Row Publishers **Let's Take a Walk** Randy Grimes,2015-06-10 In a society of fast paced living and instant everything many reach for a devotional to find a quick feel good thought to make it through their days rather than seeking life changing encounters *Lets Take a Walk* is a devotional intent on slowing the pace down and allowing time for meditation on Gods Word and communication with the Holy Spirit preparing you to eventually take these skills from your quiet time to the world Fifty two challenging yet inspiring sessions will lead you down a road to deeper intimacy with Jesus Christ Each lesson concludes with a focus a goal and an assignment to help guide you on your journey So if youre looking to break the feel good mold come on and lets take a walk *Radical Charity* Christopher Marlin-Warfield,2019-06-05 Right now there is a movement in churches and nonprofits arguing that charity is toxic that helping hurts and that the entire nonprofit sector needs to be reformed to truly lift people out of poverty These charity skeptics are telling Christians that traditional charity deepens dependency fosters a sense of entitlement and erodes the work ethic of people who receive it Charity skepticism is

increasingly popular and it is almost certainly wrong Radical Charity weaves together research and scholarship on topics as diverse as biblical scholarship Christian history economics and behavioral psychology to tell a different story In this story charity is the heart of Christianity and one of the most effective ways that we can help people who are living in poverty Charity giving to people experiencing poverty without any expectation of return or reformation can save the world and help make God's vision for the church a reality *Holman Old Testament Commentary - Isaiah* Trent C. Butler, 2002-04-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike [The Message of the Psalms](#) Walter Brueggemann, This scholarly study of the Psalms retains its rigor while focusing particularly on the pastoral use of the Psalms looking at how they may function as voices of faith in the actual life of the believing community **The Open Court**, 1887 **The Open Court** Paul Carus, 1887 *Paul, the Passionate Scholar* John D.
