Generosity And Sacrifice Part :

Generosity, Stewardship, and Abundance Lovett H. Weems Jr., Ann A. Michel, 2021-05-09 God's purpose in calling us to lives of faithful stewardship and generosity isn't merely to sustain the church. Rather, the continued existence of the church is essential to sustain the powerful transformative message of our faith. Lovett H. Weems Jr. and Ann A. Michel present the Bible's redeeming and transforming message of generosity, stewardship, and abundance in this comprehensive guide to Christian financial responsibility. The book provides practical advice to pastors and church leaders tasked with funding ministry and inspiring others toward responsible stewardship and greater generosity. It addresses church fundraising, stewardship, campaigns, budgets, financing, capital needs, endowments, and innovative approaches to economic sustainability. The book integrates the theological and practical dimensions of finance to empower congregational leaders to think critically about stewardship from a Christian perspective, help them use their personal and congregational possessions in the light of faith.

Sins of the Spirit, Blessings of the Flesh, Revised Edition Matthew Fox, 2016-03-15 Visionary theologian and award-winning author Matthew Fox challenges traditional perceptions of good and evil by offering a new theology that lays the groundwork for a more enlightened treatment of ourselves, one another, and all of nature. In this revised edition, with a luminous foreword by Deepak Chopra and a new preface that brings the book up to date with the cataclysmic events of the new millennium, Fox illustrates how contrary to mainstream church doctrine, flesh is the grounding of spirit. Fox argues that our culture has concentrated far too much on transgressions of the flesh while failing to take into account its sacredness. Artfully weaving together the wisdom of East and West, he considers Thomas Aquinas's definition of sin as misdirected love and applies parallels between the Eastern teachings of the seven chakras and the Western teachings of the seven capital sins. Fox explains how the chakras teach us to direct the love energies we all possess and proposes seven positive precepts for living a full and spirited life. He invites us to change the way we think about sin and asserts that we can combat and transform evil through love, generosity, letting go, and creativity. Crafting a blueprint for social change, *Sins of the Spirit, Blessings of the Flesh* points the way toward a deeper and more compassionate way to live while eloquently revealing the means to confront evil both within and without. From the Trade Paperback edition.

A Short Guide to Gospel Generosity Nathan W. Harris, 2024-03-12 We live in a possession and money-obsessed culture. The normal American has far more than they need yet still feels incredibly insecure, needing to grasp it all tightly and continue to gain more. This isn't just true with our acquisition of things but also in the way we approach all resources that God has given to us: our time, gifts, and talents, our families, and our lives themselves. What is the solution to this problem? Throughout *Gospel Generosity*, you will see how the answer to our obsession with possessions is turning to the Gospel. It's only in the Gospel can we find the type of life transformation that enables us to turn our focus from ourselves to others, to give generously and follow the way of Christ. God has modeled generosity throughout redemptive history, culminating in the gift of His Son, and this sacrificial generosity is the

basis of true gospel generosity Readers of this book will be called to consider all of their resources and gifts from God that are to be held loosely ready to be used for God s purposes Everything is His anyway Gospel generosity is simply giving that is rooted in the saving work of Jesus Christ It is the Christian s joyful awareness of what Christ has done for them and how they are privileged to participate in proclaiming that work through giving and advancing the Gospel Generosity sprouts from the Gospel and bears fruit for the Gospel In Gospel Generosity you will explore topics such as Giving is an issue of our heart health and service to God Tithing is not a required practice of New Testament believers The Kingdom of God calls Christians to humility selflessness and fidelity in giving Called by Christ and empowered by the Holy Spirit Christians give generously as an act of Grace to others until Jesus returns

Extreme Religious Behaviours Johannes Bronkhorst, 2024-06-17 Certain religious behaviours clearly reduce biological fitness These behaviours include celibacy along with various forms of asceticism and rituals that harm the performer Such behaviours are found in widely different cultures How is this possible This book shows that these behaviours as is religion in general are by products of features of the human mind whose evolutionary fitness is beyond doubt and explores those features Which are those features This book proposes a twofold answer It draws attention to the layered nature of human consciousness in which different manners of experience are superimposed on each other This goes a long way toward accounting for the universal religious belief in some kind of transcendental world a higher reality different from ordinary reality The layering of consciousness comes about in childhood and gains in prominence with the acquisition of a first language which is the second feature highlighted in this book Together these features explain a variety of normal religious behaviours and beliefs and account for the possibility of mystical experience They also explain the occurrence of behaviours that do not augment evolutionary fitness
