H. Wright, 2006-10-23 Winner 2007 Christianity Today Missions Global Affairs Book Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that mission is bigger than that there is in fact a missional basis for the Bible The entire Bible is generated by and is all about God's mission In order to understand the Bible we need a missional hermeneutic of the Bible an interpretive perspective that is in tune with this great

missional theme We need to see the big picture of God's mission and how the familiar bits and pieces fit into the grand narrative of Scripture Beginning with the Old Testament and the groundwork it lays for understanding who God is what he has called his people to be and do and how the nations fit into God's mission Wright gives us a new hermeneutical perspective on Scripture This new perspective provides a solid and expansive basis for holistic mission Wright emphasizes throughout a holistic mission as the proper shape of Christian mission God's mission is to reclaim the world and that includes the created order and God's people have a designated role to play in that mission *The Fire of Perfect Love* Steven Springer, Rene Springer, 2023-08-08 You Can Take Comfort in the Intensity of His Love As the world grows more hostile to the love and truth of Jesus we need hearts that burn hotter than the fury of fear and persecution And the secret to that kind of passion lies in a heart yielded to the fire of God's perfect love With warmth and piercing insight global apostolic ministers Steven and Rene Springer help you embrace God's purifying fire that will captivate your heart ignite power and purpose reveal your true identity bring forth boldness and cast out fear fuel you for greater transformation and impact When you make fiery love the goal of your life you won't burn up and you won't burn out You will bring the transforming love of Jesus to your city nation and world with confidence and power God's perfect love will invade your heart as you read this book forever ruining you for lukewarm Christianity and passionless living DUTCH SHEETS GiveHim15 com Our hearts toward humanity must burn with the fire of God's love in everything we do and say TODD WHITE Lifestyle Christianity *Trans-Gender* Justin Sabia-Tanis, 2018-06-25 Rev Dr Justin Sabia Tanis is a creative queer theologian and activist with a wealth of pastoral experience His classic Transgendered Theology Ministry and Communities of Faith is now available again for faith communities and university students struggling to include trans people It is a primer for understanding the spiritual journeys of transgendered people examining the biblical support for inclusion and provides faith communities guidelines for hospitality His notion of gender as a calling is a creative theological proposal for all of us to recognize our own gender calling and the diverse callings of the marginalized Sabia Tanis imaginatively uses the image of twilight space of dawn and dusk in between space occupied by trans people His theology impacted my own commitment to transgendered rights and inclusion At this time of conservative religious targeting the advances of trans gendered people we need the prophetic theological voice of Justin Sabia Tanis compassionate inclusion Rev Dr Robert E Shore Goss Queer Theologian and author of Jesus Acted Up Justin gives tremendous insight into life at the intersection of gender identity and faith As a transgender Latina religious leader and psychotherapist I have referenced Justin's book in workshops and discussion groups to help allies and advocates of the transgender community to understand and promote acceptance of the transgender community Justin's book is a must read for clergy who want to integrate transgender community members in to their congregations Nicole M Garcia MDiv MA LPC Transgendered Theology Ministry and Communities of Faith remains a trailblazing work in the exploration of transgender identities gender variance and Scripture and responses of exclusion and inclusion conveyed by communities of

Sailhamer, 2010-06-18

Persuaded of the singular vision of the Pentateuch Old Testament professor John Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work By paying particular attention to the poetic seams in the text he rediscovers a message that surprisingly brings us to the threshold of the New Testament gospel      *The Birth of Jesus the Messiah* Edward C. Visser, 2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesn't seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Luke's Symphony Angels in Advent Don't Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your
