## **Global Encounters International Political Economy Development And Globalization:**

**Global Encounters** G. Harrison,2004-11-09 How has globalization impacted on development For Harrison the answer lies in the international political economy and the ways in which states have managed economic globalization from positions of strength or weakness Key themes emerge such as new geographies of development and the constant need for state economic action

**International Political Economy and Poststructural Politics** Marieke De Goede,2006-03-14 This edited volume brings together leading scholars to debate the promises of poststructural politics within the study of the International Political Economy IPE The volume offers a sustained theoretical dialogue on the meaning of discourse identity and representation for practices of political economy

Globalization, Development and The State Jørgen Dige Pedersen,2008-08-01 In its comparison of two major emerging nations India and Brazil this book approaches the subject through an innovative theoretical combination of developmental states theory and theories of the changing nature of global capitalism

The Political Economy of Sport J. Nauright,K. Schimmel,2005-09-27 Sport studies has become one of the largest and fastest growing international industries This collection of essays from a range of international contributors analyzes all aspects of the political economy of this industry including media sports production urban growth politics and capital accumulation and the economic effects of Olympism

Globalization and Labour in China and India P. Bowles,J. Harriss,2010-08-04 Globalization has pushed China and India to the centre of the stage but what has been the impact on workers in these countries This book demonstrates the complexity of the processes and responses at play There are signs that both states are shifting their role in a counter movement from above But will this be enough to quell the social unrest

**Singapore's Policy Designs for Higher Education and Economic Development** J.J. Woo,2024-12-26 This book provides an overview of Singapore s higher education system focusing in particular on its role in supporting and facilitating the city state s economic development policies It discusses the various components of Singapore s post secondary higher education system such as its public and private universities polytechnics institutes of technical education private educational institutions foreign universities government affiliated and private training institutions among others and explicates the linkages between higher education and economic development Aside from educational institutions this book also discusses the Skills Future scheme which provides deep skills training to working adults in collaboration with the Singapore s various higher education providers

International Cultural Policies and Power J. Singh,2010-01-20 Political scientists by and large ignore cultural industries and technologies whereas they are prominent in other disciplines This book provides insights from local societal national and international levels in understanding cultural industries technologies and policies and integrates these perspectives into the study of political science

**Global Health Governance** A. Kay,O. Williams,2009-07-23 Eminent scholars investigate the sharp contrast between the acute and multi dimensional scale of the challenges to global health governance and the contradictory and ineffective responses to them They draw on a wide range of disciplines to uncover the

critical political economy dynamics in the contemporary governance of global health      **Sugar: Refined Power in a Global Regime** B. Richardson, 2009-09-23 Sugar is a commonplace product with a complex background mainly because of the high degree of protectionism given to the industry and the benefits of ensuring domestic producers stay in business This book asks why there are such disagreements over trade policy who profits within the current regime and where power ultimately lies      *Global Commodity Governance* F. Gale, Marcus Haward, 2011-02-01 The Forest and the Marine Stewardship Councils constitute new global governance institutions using voluntary certification and labelling as market incentives to encourage sustainable management Utilizing a comparative political economic framework the authors analyse shifting British Canadian and Australian responses to the stewardship councils      *Globalization and the 'New' Semi-Peripheries* O. Worth, P. Moore, 2009-08-14 This collection re examines and re assesses the role of the semi periphery in world politics and argues that the processes of globalization have led us to widen our understanding of the semi periphery through a range of case studies as well as theoretical chapters      **China and the Mortgaging of America** H. Thompson, 2010-08-04 In 2008 the economic relationship between the United States and China almost collapsed due to a crisis at two American mortgage corporations Fannie Mae and Freddie Mac This book explains how that crisis came about and analyzes the consequences and implications      **Investment Incentives and the Global Competition for Capital** K. Thomas, 2010-11-24 This is a global study of government subsidies to attract investment The book shows how corporations use site selection as rent extraction with developing countries investing more than developed ones It demonstrates that incentive use is rarely a good policy especially for countries without adequate education and infrastructure      *Consumption and the Globalization Project* E. Comor, 2008-05-29 This book examines commodity consumption both as an ongoing problem for capital and a complex mediator of the post Cold War political economy Comor assesses consumption as a core but contradictory nodal point in contemporary world dis order developments arguing that capitalist consumption facilitates efforts to rule through consent      **The Politics of Housing Booms and Busts** Leonard Seabrooke, 2009-06-25 This book demonstrates how housing systems are built from political struggles over the distribution of welfare and wealth The contributors analyze varieties of residential capitalism through a range of international case studies as well as investigating the links between housing finance and the current international financial crisis      **Globalization, Regionalization and Business** M. Schelhase, 2008-10-01 The book provides new insight into the role of organised business interests It supports the concept of political economy and demonstrates how it transcends the limitations of CPE or IPE to form a coherent whole The book maps the conflict convergence and influence of organized business interests in the context of regional integration      *The Future of US Global Power* S. Brown, 2012-12-14 Dispelling the myth of decline Stuart Brown argues that the US continues to enjoy the economic political cultural and military underpinnings befitting a pre eminent global power He provides an analytical tour through the major domestic and foreign policy issues that will impact the United States future position and role in the global system

Partnerships and Foundations in Global Health Governance S. Rushton, O. Williams, 2011-02-01 This book argues that the new actors in global health constitute a private turn in global health governance and provides theoretical and practical grounds for viewing global health partnerships and philanthropic foundations as closely aligned in their ideational and material approaches to a range of important issues and crises

**Global Restructuring, State, Capital and Labour** A. Bieler, W. Bonefeld, P. Burnham, A. Morton, 2006-04-26 This book provides a critical engagement between contending historical materialist approaches that have played a crucial role in shaping post positivist International Relations theory It analyzes globalization as a process of state formation and argues that its fate depends on the neo liberal recomposition of labour relations

**Health for Some** S. MacLean, S. Brown, P. Fourie, 2015-12-11 Poverty and inequality are among the most significant determinants of health Increased inequality gaps associated with globalization have serious implications for global health Global changes in political economy shape global health influencing who bears the burden from epidemics unhealthy environments and lack of access to health care
