Production of Alternative Urban Spaces Jens Kaae Fisker, Letizia Chiappini, Lee Pugalís, Antonella Bruzzese, 2018-10-26
 Alternative urban spaces across civic private and public spheres emerge in response to the great challenges that urban actors are currently confronted with Labour markets are changing rapidly the availability of affordable housing is under intensifying pressure and public spaces have become battlegrounds of urban politics This edited collection brings together contributors in order to spark an international dialogue about the production of alternative urban spaces through a threefold exploration of alternative spaces of work dwelling and public life Seeking out and examining existing alternative urban spaces the authors identify the elements that provide opportunities to create radically different futures for the world's urban spaces This volume is the culmination of an international search for alternative practices to dominant modes of capitalist urbanisation bringing together interdisciplinary empirically grounded chapters from hot spots in disparate cities around the world Offering a multidisciplinary perspective *The Production of Alternative Urban Spaces* will be of great interest to academics working across the fields of urban sociology human geography anthropology political science and urban planning It will also be indispensable to any postgraduate students engaged in urban and regional studies

Cultivating Gardens of God Ananta Kumar Giri, 2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God's power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God's mercy This book strives to transform this to Gardens of God
